31 prayers for my future wife: Rethinking Sexuality Dr. Juli Slattery, 2018-07-24 This ground-breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality. Sexual abuse, sex addiction, gender confusion, brokenness, and shame plague today's world, and people are seeking clarity and hope. By contesting long-held cultural paradigms, this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth. It provides a framework from which to understand the big picture of sexual challenges and wholeness, and helps you recognize that every sexual question is ultimately a spiritual one. It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality. Instead of arguing with the world about what's right and wrong about sexual choices, this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness--your own or someone else's.

31 prayers for my future wife: The Peaceful Wife April Cassidy, 2016-01-27 "This book walks each of us through the reality checks we need in order to have the marriage we want!" —Shaunti Feldhahn, social researcher and best-selling author of *For Women Only* In today's workplace, women are often rewarded for having type A personalities: driven, demanding, ambitious, and strong. Yet when it comes to their marriages, those same traits can backfire. After all, no one goes into marriage hoping for a promotion. What is a wife to do? April Cassidy knows this struggle firsthand. She thought she was a great Christian wife and begged God to make her passive husband into a more loving, involved, godly leader. Instead, God opened her eyes to changes that she needed to make, such as laying down her desire for control and offering genuine, unconditional respect—not just love—to her husband. Cassidy's conclusions may be as startling to readers as they were to her, but *The Peaceful Wife* shares how she and many others have learned to reorient their lives to biblical commands—resulting in healthier, happier marriages. In the end, you'll find *The Peaceful Wife* a powerful path to God's design for women to live in full submission to Christ as Lord.
