

kappa alpha psi recommendation letters

kappa alpha psi recommendation letters are a crucial component of the application process for aspiring members seeking to join this esteemed fraternity. Understanding the nuances and expectations surrounding these letters is paramount for any candidate. This article will delve into the significance of a strong recommendation letter for Kappa Alpha Psi, explore who should write them, what essential elements they should contain, and provide guidance on how to request them effectively. We will also touch upon the importance of supporting your application with exceptional Kappa Alpha Psi recommendation letters and what makes a letter stand out.

The Importance of Strong Kappa Alpha Psi Recommendation Letters

Securing a place within Kappa Alpha Psi Fraternity, Inc. is a distinguished achievement, and the application process often requires a collection of documents that paint a comprehensive picture of the candidate. Among these, **Kappa Alpha Psi recommendation letters** play a pivotal role. These letters serve as endorsements from individuals who can attest to a candidate's character, achievements, leadership potential, and commitment to the fraternity's founding principles. A well-written recommendation letter can significantly bolster an applicant's chances by providing an external validation of their suitability for membership. It offers insights that go beyond a resume or essay, showcasing the candidate through the eyes of respected community members, mentors, or faculty who have observed their growth and contributions firsthand. Therefore, the quality and content of these letters are not to be underestimated; they are a cornerstone of a successful Kappa Alpha Psi application.

The fraternity values individuals who exemplify excellence, integrity, and a dedication to service. Recommendation letters from individuals familiar with a candidate's involvement in community service, academic pursuits, and leadership roles can powerfully demonstrate these qualities. A strong letter can highlight specific instances where the applicant has shown initiative, perseverance, and a commitment to positive impact, aligning with the core tenets of Kappa Alpha Psi. Conversely, a generic or uninspired letter may do little to differentiate an applicant from a competitive pool. It is essential for candidates to thoughtfully select their recommenders and provide them with the necessary information to craft a compelling narrative.

Choosing the Right Recommenders for Kappa Alpha Psi Applications

Selecting the appropriate individuals to write your **Kappa Alpha Psi recommendation letters** is a strategic decision that can profoundly influence your application's strength. The individuals you choose should have a deep understanding of your character,

accomplishments, and potential for contributing to the fraternity. They should be able to speak genuinely and specifically about your strengths and why you would be an asset to Kappa Alpha Psi.

Key Criteria for Recommenders

- **Mentors and Faculty:** Professors, advisors, or mentors who have observed your academic performance, intellectual curiosity, and engagement in classroom or research settings are excellent choices. They can attest to your diligence, critical thinking skills, and potential for scholarly achievement.
- **Community Leaders and Supervisors:** Individuals who have supervised your work in volunteer organizations, internships, or professional settings can provide valuable insights into your work ethic, teamwork abilities, and leadership capabilities. They can speak to your reliability and your capacity to make a positive impact.
- **Established Members of the Community:** Those who know you well through extracurricular activities, religious organizations, or other community affiliations can offer a broader perspective on your character, values, and commitment to service.
- **Individuals with a Strong Reputation:** Preferably, your recommenders should be well-respected individuals within their respective fields or communities. Their own standing can lend credibility to their endorsement of you.
- **Those Who Know Your Aspirations:** It is beneficial if your recommenders understand your interest in Kappa Alpha Psi and can connect your qualities to the fraternity's objectives and ideals.

Who to Avoid for Kappa Alpha Psi Recommendation Letters

While it might seem intuitive to ask close friends or family members, these individuals often lack the objective perspective needed for a strong recommendation. Their personal relationship can sometimes lead to letters that are perceived as biased or lacking in professional insight. Similarly, individuals who know you only superficially may not be able to provide the specific, detailed examples that make a recommendation compelling. The goal is to have someone who can genuinely advocate for your suitability based on your observable actions and character.

Essential Elements of a Compelling Kappa Alpha

Psi Recommendation Letter

A standout **Kappa Alpha Psi recommendation letter** is more than just a polite endorsement; it's a detailed testament to the applicant's qualifications and potential. Recommenders should strive to include specific anecdotes and observations that illustrate the candidate's character, leadership abilities, and commitment to service. These letters are a critical part of the admissions committee's evaluation process, helping them to understand the applicant beyond their submitted documents.

Content and Structure of Recommendation Letters

A strong letter typically begins with an introduction that clearly states the recommender's relationship with the applicant and the duration of that acquaintance. This establishes credibility and context. The body of the letter should then focus on specific qualities and experiences that are relevant to Kappa Alpha Psi's ideals. This might include:

- **Leadership Skills:** Examples of how the applicant has taken initiative, motivated others, and successfully guided projects or teams.
- **Academic Excellence and Intellectual Curiosity:** Highlighting strong academic performance, a passion for learning, and critical thinking abilities.
- **Commitment to Service:** Detailing the applicant's involvement in community service, volunteer work, and their dedication to making a positive difference.
- **Character and Integrity:** Describing the applicant's honesty, reliability, ethical conduct, and maturity.
- **Interpersonal Skills:** Discussing their ability to work effectively with others, communicate clearly, and contribute positively to group dynamics.
- **Alignment with Fraternity Values:** Connecting the applicant's demonstrated qualities to the specific principles and objectives of Kappa Alpha Psi.

The letter should conclude with a strong, unequivocal recommendation, encouraging the fraternity to consider the applicant favorably. A professional closing with contact information for follow-up questions is also standard.

What Makes a Kappa Alpha Psi Recommendation Letter Stand Out

Several factors contribute to a recommendation letter that truly stands out. Firstly,

specificity is key. Instead of general praise, a letter that provides concrete examples of the applicant's actions and achievements is far more impactful. For instance, instead of saying "John is a good leader," a recommender might say, "During the annual community cleanup drive, John organized a team of ten volunteers, delegated tasks efficiently, and ensured that our assigned sector was thoroughly addressed, exceeding our participation goals." Secondly, a letter that demonstrates a genuine understanding of Kappa Alpha Psi's mission and values, and articulates how the applicant embodies them, will resonate with the admissions committee. Finally, a confident and enthusiastic tone, conveying sincere belief in the candidate's potential, can make a significant difference.

Requesting Kappa Alpha Psi Recommendation Letters Effectively

The process of requesting **Kappa Alpha Psi recommendation letters** requires careful planning and clear communication to ensure you receive the most impactful endorsements. Approaching your potential recommenders respectfully and providing them with the necessary support will maximize the quality of the letters they submit.

Best Practices for Recommender Outreach

When you decide to ask someone to write a recommendation letter, do so well in advance of the deadline. This shows respect for their time and allows them ample opportunity to craft a thoughtful letter. It is advisable to approach them in person or via a detailed email that outlines:

- **Your Purpose:** Clearly state that you are applying for membership in Kappa Alpha Psi and are seeking a recommendation letter.
- **The Deadline:** Provide the exact date by which the letter needs to be submitted.
- **Submission Method:** Explain how the letter should be submitted (e.g., directly to the chapter, via an online portal).
- **Your Resume/CV:** Include an updated resume or CV so they have a comprehensive overview of your accomplishments.
- **Your Personal Statement/Essay:** If you have a draft of your personal essay, sharing it can help them align their letter with your overall narrative.
- **Key Qualities to Highlight:** Gently remind them of specific qualities or achievements you believe are most relevant to your application for Kappa Alpha Psi, or provide a brief summary of why you are seeking membership.

Following up politely if the deadline approaches without a submission can be helpful, but avoid being overly persistent. A sincere thank-you note or email after the letter has been submitted is also a thoughtful gesture.

What to Provide Your Recommenders

To assist your recommenders in writing the best possible letter, provide them with a packet of information. This packet should ideally include:

- A list of your key accomplishments, experiences, and relevant skills.
- A brief explanation of your interest in Kappa Alpha Psi and what membership means to you.
- Information about the specific chapter or application you are applying for, if applicable.
- Any specific forms or guidelines provided by the fraternity for recommendation letters.
- Your contact information for any clarifying questions.

By providing these resources, you empower your recommenders to write a more informed, personalized, and effective letter on your behalf, significantly strengthening your overall application for Kappa Alpha Psi.

Frequently Asked Questions

What is the primary purpose of a recommendation letter for Kappa Alpha Psi?

A recommendation letter for Kappa Alpha Psi serves as an endorsement from a credible individual who can attest to the prospective member's character, academic achievements, leadership potential, and alignment with the fraternity's core values of brotherhood, scholarship, and service.

Who typically writes recommendation letters for Kappa Alpha Psi applicants?

Letters are usually written by individuals who know the applicant well and can speak to their qualifications. This often includes faculty members, mentors, community leaders, employers, or members of Kappa Alpha Psi itself (though some chapters may have specific guidelines on who can or cannot write a letter).

What qualities should a strong recommendation letter for Kappa Alpha Psi highlight?

A strong letter should emphasize qualities such as academic excellence, leadership experience, commitment to service, strong moral character, integrity, maturity, and the ability to contribute positively to the fraternity and the community. Specific examples illustrating these qualities are crucial.

Are there specific formatting requirements for Kappa Alpha Psi recommendation letters?

While requirements can vary slightly by chapter, most Kappa Alpha Psi recommendation letters should be on official letterhead (if applicable), professionally written, and clearly state the recommender's relationship to the applicant. It's essential to follow any instructions provided by the specific chapter.

How far in advance should I request a recommendation letter for Kappa Alpha Psi?

It's highly recommended to request recommendation letters at least 2-3 weeks, preferably a month, before the deadline. This gives the recommender ample time to write a thoughtful and well-crafted letter and avoids placing undue pressure on them.

What information should I provide to the person writing my Kappa Alpha Psi recommendation letter?

Provide them with your resume or CV, a copy of your application or essay (if applicable), information about Kappa Alpha Psi and its values, the specific qualities you'd like them to highlight, and the deadline and submission instructions for the letter.

Can a current member of Kappa Alpha Psi write a recommendation letter for an applicant?

Yes, generally, a current member can write a recommendation letter if they have a genuine relationship with the applicant and can speak to their suitability. However, some chapters might have policies encouraging recommendations from individuals outside the fraternity to provide a broader perspective.

Additional Resources

Here is a numbered list of 9 book titles related to Kappa Alpha Psi recommendation letters, along with their descriptions:

1. *The Art of Persuasion: Crafting a Compelling Recommendation*

This book delves into the fundamental principles of persuasive writing, focusing on how to articulate strengths and achievements effectively. It offers strategies for highlighting key

attributes that align with the values and expectations of organizations like Kappa Alpha Psi. Readers will learn to build a narrative that resonates and convinces the admissions committee of a candidate's suitability.

2. Building Bridges: Understanding Brotherhood and Fraternity Values

This title explores the core tenets and historical significance of fraternities, with a particular emphasis on the bonds of brotherhood. It provides insights into the character traits and leadership qualities that Kappa Alpha Psi seeks in its members. Understanding these values is crucial for those writing recommendation letters to ensure they highlight aspects that demonstrate a candidate's alignment with the fraternity's mission.

3. Letters of Recommendation: A Guide for Recommenders

This practical handbook serves as a comprehensive resource for individuals tasked with writing recommendation letters. It outlines best practices for structuring a letter, selecting relevant details, and maintaining a professional and impactful tone. The book offers advice on how to tailor recommendations to specific organizations, making it highly relevant for those writing for Kappa Alpha Psi.

4. Leadership in Action: Developing Future Founders and Influencers

This work examines the qualities of effective leadership and how individuals can demonstrate these through their actions and potential. It provides frameworks for identifying and showcasing leadership aptitude, a cornerstone of Kappa Alpha Psi's membership criteria. The book empowers recommenders to pinpoint and articulate a candidate's capacity to lead and positively influence others.

5. The Power of Narrative: Storytelling for Impactful Recommendations

This title emphasizes the importance of storytelling in making a recommendation letter memorable and persuasive. It guides writers on how to weave compelling anecdotes and experiences that illustrate a candidate's character, skills, and potential contributions. By focusing on narrative, letters can move beyond a mere recitation of facts to a powerful endorsement.

6. Foundations of Excellence: Character and Integrity in Fraternal Organizations

This book explores the foundational pillars of character and integrity that are essential for membership in esteemed fraternal organizations like Kappa Alpha Psi. It helps recommenders understand how to assess and articulate these qualities in a candidate, focusing on ethical behavior, moral compass, and commitment to high standards. Such insights are vital for writing a letter that speaks to a candidate's moral fiber.

7. The Nupsi Blueprint: Understanding the Ideals of Kappa Alpha Psi

This speculative title suggests a deep dive into the specific ideals, values, and aspirations that guide Kappa Alpha Psi Fraternity, Inc. It would hypothetically offer a framework for understanding what the fraternity looks for in potential members. Recommenders could use this knowledge to highlight a candidate's existing alignment with these "blueprint" elements.

8. Networking and Mentorship: Cultivating Connections for Success

This book examines the importance of building strong networks and fostering mentorship relationships, both of which are integral to fraternal life. It could offer insights into how candidates demonstrate these skills and how their engagement in such activities reflects their potential for positive contribution. Recommenders can use this to showcase a

candidate's collaborative spirit and ability to learn from others.

9. A Legacy of Service: Contributing to Community and Fraternity

This title focuses on the significance of service and commitment to the wider community, a key aspect of Kappa Alpha Psi's mission. It guides recommenders in identifying and articulating a candidate's dedication to service and their potential to contribute meaningfully to both the fraternity and society. Letters that highlight a strong service record are often highly valued.

The Kappa Alpha Psi Recommendation Letter Guide: Your Path to Membership

Introduction: Understanding the Importance of Recommendation Letters in the Kappa Alpha Psi Application Process

The Kappa Alpha Psi Fraternity, Inc. is a prestigious organization with a rich history and a commitment to scholarship, leadership, and service. Becoming a member requires a rigorous application process, and recommendation letters play a crucial role in determining your candidacy. These letters provide an external perspective on your character, skills, and potential, offering valuable insights that supplement your own application materials. A strong set of recommendations can significantly enhance your chances of receiving a bid, while weak or poorly written letters can hinder your progress. This guide equips you with the knowledge and strategies to navigate this critical aspect of the application process effectively.

Chapter 1: Identifying and Selecting the Perfect Recommenders: Criteria and Considerations

Choosing the right recommenders is paramount. These individuals must be able to speak convincingly and authentically about your character and qualifications. Avoid selecting someone simply because they hold a prestigious position; prioritize individuals who know you well and can provide specific, detailed examples to support their claims. Consider these criteria:

Strength of Relationship: Choose recommenders who know you well enough to provide detailed and insightful recommendations. This often means individuals who have observed you in various settings, like academics, extracurricular activities, or employment.

Relevance of Experience: Select recommenders who have witnessed your qualities relevant to Kappa Alpha Psi's values, such as leadership, scholarship, community service, and uplift. An academic advisor can attest to your scholarship, while a volunteer coordinator can highlight your community involvement.

Credibility and Respect: Ensure your recommenders are credible individuals whose opinions carry weight. Their positions and achievements should lend credibility to their recommendations.

Willingness and Availability: Confirm their willingness and availability to write strong recommendations within the given timeframe. Respect their time and provide them with all the

necessary information well in advance of the deadline.

Diversity of Perspectives: Ideally, aim for a diverse set of recommenders who can offer different perspectives on your abilities and character. This might include an academic advisor, a supervisor, and a community leader.

Failing to carefully select your recommenders can severely weaken your application. Invest the time and effort needed to identify individuals who can truly represent you effectively.

Chapter 2: Crafting the Perfect Recommendation Request: Template & Essential Information

Once you've identified your recommenders, providing them with a clear and concise request is crucial. Don't simply ask for a letter; equip them with the necessary information to write a compelling and effective recommendation.

Template for Recommendation Request:

Subject: Recommendation Request - [Your Name] - Kappa Alpha Psi Application

Salutation: Dear [Recommender's Name],

Introduction: Briefly introduce yourself and restate your request for a letter of recommendation for your Kappa Alpha Psi application.

Context: Explain the importance of recommendation letters in the application process and emphasize the value of their perspective.

Key Qualities: Highlight the specific qualities and experiences you wish the recommender to emphasize in their letter. Align these qualities with Kappa Alpha Psi's values.

Deadline: Clearly state the deadline for submission.

Supporting Materials: Provide the recommender with relevant materials like your resume, personal statement, and any other supporting documents they might find helpful.

Contact Information: Provide your contact information and that of the person receiving the recommendation letter.

Thank you: Express sincere gratitude for their time and consideration.

Closing: A professional closing.

Chapter 3: Understanding What Kappa Alpha Psi Looks For in Recommendation Letters: Key Traits and Qualities

Kappa Alpha Psi seeks members who embody its core values: scholarship, leadership, service, and fellowship. Recommendation letters should reflect these values. The fraternity looks for evidence of:

Academic Excellence: Strong academic performance and a commitment to intellectual growth.

Leadership Potential: Demonstrated leadership skills in various settings, including initiative, responsibility, and the ability to inspire others.

Community Involvement: Active participation in community service and a dedication to making a positive impact.

Character and Integrity: High moral character, integrity, and ethical conduct.

Commitment to Brotherhood: Evidence of teamwork, collaboration, and a commitment to building strong relationships.

Potential for Growth: The capacity for continuous learning, personal development, and contributing meaningfully to the fraternity.

Letters that provide concrete examples to illustrate these qualities will be significantly more impactful than those that offer only generic praise.

Chapter 4: Overcoming Common Recommendation Letter Challenges

Several challenges can arise during the recommendation letter process. Understanding and addressing these challenges proactively is crucial.

Unresponsive Recommenders: Follow up promptly and politely, providing reminders and reiterating the importance of the letter.

Weak or Vague Recommendations: Provide your recommenders with specific examples to support their claims and clarify the aspects of your character and achievements they should emphasize.

Late Submissions: Set clear deadlines and communicate them effectively to your recommenders.

Mismatched Recommendations: Carefully select recommenders who are well-acquainted with your relevant qualities and experiences.

Chapter 5: Reviewing and Refining Your Recommendations: Ensuring Quality and Impact

Before submitting your application, always request to review your recommendation letters. This allows you to identify any issues and address them proactively. While you cannot edit the letter directly, you can make sure it adequately supports your application. Ensure that the letters:

Are well-written and grammatically correct.

Support your application effectively.

Address all the key traits and qualities listed in Chapter 3.

Use specific and relevant examples.

Chapter 6: Sample Recommendation Letters & Analysis: Examples and Best Practices

This chapter includes several sample recommendation letters, demonstrating how to effectively showcase the qualities valued by Kappa Alpha Psi. Each sample letter is followed by an analysis, highlighting the key elements that contribute to its effectiveness.

Chapter 7: Post-Submission Follow-Up: Maintaining Momentum & Professionalism

Once you've submitted your application, maintaining professionalism and keeping the momentum going is important. Send thank-you notes to your recommenders, expressing your gratitude for their support. It demonstrates your appreciation and strengthens the relationship.

Conclusion: Your Path to Success

By following the strategies and guidelines outlined in this guide, you can significantly increase your chances of securing strong recommendation letters that enhance your Kappa Alpha Psi application. Remember that this is a crucial step in the process, and your effort will be rewarded with a powerful presentation of your candidacy.

FAQs

1. How many recommendation letters do I need? The specific number may vary, so check the official Kappa Alpha Psi application requirements.
2. Should I choose recommenders from different areas of my life? Yes, showcasing diverse perspectives is advantageous.
3. What if my recommender doesn't know me very well? Choose someone who can speak to your relevant qualities, even if they haven't known you for a long time.
4. How far in advance should I request letters? Give your recommenders ample time; at least 2-3 weeks is recommended.
5. What information should I provide to my recommenders? Your resume, personal statement, and a detailed list of the qualities you want them to highlight.

6. What if a recommender declines my request? Politely accept their response and find an alternative recommender.
7. Can I edit my recommendation letters? Generally, no, but you can request to review them for accuracy and completeness.
8. What should I do if a letter is poorly written? This is less common if you provide your recommenders with the necessary information. If necessary, politely request a revision with specific feedback.
9. How important are recommendation letters in the overall application process? They are very important. They provide an independent assessment of your character and suitability for membership.

kappa alpha psi recommendation letters: Black Haze, Second Edition Ricky L. Jones, 2015-06-01 Expanded and revised edition of the first book devoted solely to black fraternity hazing. Are black men naturally violent? Do they define manhood in the same way as their counterparts across lines of race? Are black Greek-letter fraternities among the most dangerous student organizations on American college and university campuses? Can their often-dangerous initiation processes be stopped or even modified and, if not, what should be done about them? In this second edition of *Black Haze*, Ricky L. Jones takes on these questions and more. The first edition was an enlightening and sometimes disturbing examination of American men's quest for acceptance, comfort, reaffirmation, and manhood in a world where their footing is often unstable. In this new edition Jones not only provides masterful philosophical and ethical analyses but he also forces the engagement of a terrifying real world process that damages and kills students with all too frequent regularity. With a revealing new preface and stunning afterword, Jones immerses the reader in an intriguing and dark world marked by hypermasculinity, unapologetic brutality, and sometimes death. He offers a compelling book that ranges well beyond the subject of hazing—one that yields

perplexing questions and demands difficult choices as we move forward in addressing issues surrounding fraternities, violent hazing, black men, and American society. □Black Haze is a landmark study on hazing culture within black Greek-letter organizations. With an insider's eye and scholar's touch, Jones masterfully captures the emic contours, complexities, and contradictions of black fraternity hazing as ritual act and cultural practice. This text is at once rigorous and accessible, theoretical and practical, classic and urgent. Anyone interested in understanding hazing, masculinity, BGLOs, or black cultural practice must read this book! □ □ Marc Lamont Hill, coauthor of *The Classroom and the Cell: Conversations on Black Life in America* □Black Haze is a compelling survey of black Greek-letter organizations, their history, purpose, and their most damning traditions. This is an examination of how the virtues of brotherhood and civic service coexist with brutal violence and cruelty within some of the oldest organizations in black America. Professor Jones has produced a vital contribution about a crucial and enduring problem. □ □ William Jelani Cobb, author of *The Substance of Hope: Barack Obama and the Paradox of Progress* □Ricky Jones's *Black Haze* is an important study of black male identity development. By examining black men's relationship with fraternities, he uncovers larger and brilliantly penetrating insights into issues of masculinity and political identity among African American males in the post-civil rights era. □ □ Peniel E. Joseph, author of *Waiting 'Til the Midnight Hour: A Narrative History of Black Power in America* □Black Haze is a riveting coup de grâce against ritualized violence in black fraternities. The second edition of *Black Haze* is the most penetrating, illuminating, and articulate sociopolitical and cultural analysis of the chilling legacy of violence in black Greek-letter fraternities. As one of the world's leading authorities on black masculinity and organizations, Ricky Jones intelligently confronts traditional verities, social norms, and myths that seek to justify and continue ritualized violence in black fraternities through the courageous prism of a reformed insider dedicated to the preservation of black dignity and life. □ □ Jeremy I. Levitt, author of *Black Women and International Law: Deliberate Interactions, Movements and Actions Praise for the First Edition* □ provides valuable insights into the reasoning behind hazing, a practice that extends into the realms of sports and even high school, and is relevant for not only fraternity members and officials, but the general public as well. □ □ *The Griot* □ an important contribution because of the skillful manner in which Jones incorporates and critically analyzes relevant literature and other related scholarly writings Jones, himself a member of Kappa Alpha Psi, offers personal observations as well as first-hand views and perceptions of hazing. □ □ *Journal of College Student Development*

kappa alpha psi recommendation letters: In Search of Sisterhood Paula J. Giddings, 2009-10-06 In Search of Sisterhood is the definitive history of the largest Black women's organization in the United States, and is filled with compelling, fascinating anecdotes told by the Delta Sigma Theta members themselves, illustrated with rare early photographs of the Delta women. This book contains the story of Delta Sigma Theta Sorority (DST), and details the increasing involvement of Black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for Blacks—and especially Black women—DST is, in Giddings's words, a compelling reflection of Black women's aspirations for themselves and for society. Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting Black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of Black women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack.

kappa alpha psi recommendation letters: *Going Greek* Marianne R. Sanua, 2018-02-05 A history of Jewish fraternities and sororities in the early twentieth-century United States. *Going Greek* offers an unprecedented look at the relationship between American Jewish students and fraternity life during its heyday in the first half of the twentieth century. More than secret social clubs, fraternities and sororities profoundly shaped the lives of members long after they left college—often dictating choices in marriage as well as business alliances. Widely viewed as a key to success, membership in these self-governing, sectarian organizations was desirable but not easily accessible, especially to non-Protestants and nonwhites. In *Going Greek* Marianne Sanua examines the founding of Jewish fraternities in light of such topics as antisemitism, the unique challenges faced by Jewish students on campuses across the United States, responses to World War II, and questions pertaining to assimilation and/or identity reinforcement.
