look homeward angel pdf: Viral Modernism Elizabeth Outka, 2019-10-22 The influenza pandemic of 1918-1919 took the lives of between 50 and 100 million people worldwide, and the United States suffered more casualties than in all the wars of the twentieth and twenty-first centuries combined. Yet despite these catastrophic death tolls, the pandemic faded from historical and cultural memory in the United States and throughout Europe, overshadowed by World War One and the turmoil of the interwar period. In Viral Modernism, Elizabeth Outka reveals the literary and cultural impact of one of the deadliest plagues in history, bringing to light how it shaped canonical works of fiction and poetry. Outka shows how and why the contours of modernism shift when we account for the pandemic's hidden but widespread presence. She investigates the miasmic manifestations of the pandemic and its spectral dead in interwar Anglo-American literature, uncovering the traces of an outbreak that brought a nonhuman, invisible horror into every community. Viral Modernism examines how literature and culture represented the virus's deathly fecundity, as writers wrestled with the scope of mass death in the domestic sphere amid fears of wider social collapse. Outka analyzes overt treatments of the pandemic by authors like Katherine Anne Porter and Thomas Wolfe and its subtle presence in works by Virginia Woolf, T. S. Eliot, and W. B. Yeats. She uncovers links to the disease in popular culture, from early zombie resurrection to the resurgence of spiritualism. Viral Modernism brings the pandemic to the center of the era, revealing a vast tragedy that has hidden in plain sight.

Maya Angelou's debut memoir is a modern American classic beloved worldwide. A twentieth-century classic, Thomas Wolfe's magnificent novel is both the story of a young writer longing to make his mark upon the world and a sweeping portrait of America and Europe from the Great Depression through the years leading up to World War II. Driven by dreams of literary success, George Webber has left his provincial hometown to make his name as a writer in New York City. look homeward angel pdf: A Man in Full Tom Wolfe, 2010-04-01 The Bonfire of the Vanities defined an era--and established Tom Wolfe as our prime fictional chronicler of America at its most outrageous and alive. With *A Man in Full*, the time the setting is Atlanta, Georgia--a racially mixed late-century boomtown full of fresh wealth, avid speculators, and worldly-wise politicians. Big men. Big money. Big games. Big libidos. Big trouble. The protagonist is Charles Croker, once a college football star, now a late-middle-aged Atlanta real-estate entrepreneur turned conglomerate king, whose expansionist ambitions and outsize ego have at last hit up against reality. Charlie has a 28,000-acre quail-shooting plantation, a young and demanding second wife--and a half-empty office tower with a staggering load of debt. When star running back Fareek Fanon--the pride of one of Atlanta's grimmest slums--is accused of raping an Atlanta blueblood's daughter, the city's delicate racial balance is shattered overnight. Networks of illegal Asian immigrants crisscrossing the continent, daily life behind bars, shady real-estate syndicates, cast-off first wives of the corporate elite, the racially charged politics of college sports--Wolfe shows us the disparate worlds of contemporary America with all the verve, wit, and insight that have made him our most phenomenal, most admired contemporary novelist. *A Man in Full* is a 1998 National Book Award Finalist for Fiction.

look homeward angel pdf: A Journey Through Literary America Thomas R. Hummel, 2009 This 304 page coffee table book takes a look at 26 of America's great authors and the places that inspired them. look homeward angel pdf: Phenomenology and Cultural Difference in High Modernism

Maria-Ana Tupan, 2023-05-16 Born at the intersection of literary analysis and cultural history, the present book collects evidence in support of the idea that, far from being decadent, in the sense of perverse pursuit of gratuitous refinement and aesthetic relief from historical apathy, the art at the turn of the twentieth century was energised by a desire for meaningful form, grounded in current epistemology, especially of the science maîtresse of the time, psychology, and other kindred disciplines – psychological phenomenology and phenomenological existentialism. The circle of influencers has been broadened to include figures of the latter half of the nineteenth century and the beginning of the twentieth, such as Washington Allston, H. L. Mansel, Wilhelm Wundt, Alexander Bain, Alfred Binet, Alfred Adler, and Sándor Ferenczi, whose shadows are shown to be looming behind modernist texts by T. S. Eliot, James Joyce, Virginia Woolf, Thomas Wolfe, Wallace Stevens, T. E. Hulme, Flann O'Brien, Mircea Eliade, amongst others. A less-discussed subject, literary genre in modernism, is redefined in light of psychology-based modernist aesthetics.

It has selections from Look Homeward, Angel, Of Time and the River and a lot more.

Initially published under the pseudonym Currer Bell in 1847, Charlotte Brontë's Jane Eyre erupted onto the English literary scene, immediately winning the devotion of many of the world's most renowned writers, including William Makepeace Thackeray, who declared it a work of great genius. Widely regarded as a revolutionary novel, Brontë's masterpiece introduced the world to a radical new type of heroine, one whose defiant virtue and moral courage departed sharply from the more acquiescent and malleable female characters of the day. Passionate, dramatic, and surprisingly modern, Jane Eyre endures as one of the world's most beloved novels.

look homeward angel pdf: Iron John Robert Bly, 2004-07-28

In this deeply learned book, poet

and translator Robert Bly offers nothing less than a new vision of what it is to be a man. Bly's vision is based on his ongoing work with men and reflections on his own life. He addresses the devastating effects of remote fathers and mourns the disappearance of male initiation rites in our culture. Finding rich meaning in ancient stories and legends, Bly uses the Grimm fairy tale Iron John, in which the narrator, or Wild Man, guides a young man through eight stages of male growth, to remind us of archetypes long forgotten--images of vigorous masculinity, both protective and emotionally centered. Simultaneously poetic and down-to-earth, combining the grandeur of myth with the practical and often painful lessons of our own histories, Iron John is a rare work that will continue to guide and inspire men and women for years to come.

The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. *Muhammad: His Life Based on the Earliest Sources* was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National Seerat Conference in Islamabad in 1983.

Spanning such subjects as Seminole-African American kinship systems, Cherokee notions of guilt and innocence in evolving tribal jurisprudence, Indian captives and American empire, and second-wave feminist activism among Cherokee women in the 1970s, *The Native South* offers a dynamic examination of ethnohistorical methodology and evolving research subjects in southern Native American history. Theda Perdue and Michael Green, pioneers in the modern historiography of the Native South who developed it into a major field of scholarly inquiry today, speak in interviews with the editors about how that field evolved in the late twentieth century after the foundational work of James Mooney, John Swanton, Angie Debo, and Charles Hudson. For scholars, graduate students, and undergraduates in this field of American history, this collection offers original essays by Mikaëla Adams, James Taylor Carson, Tim Alan Garrison, Izumi Ishii, Malinda Maynor Lowery, Rowena McCClinton, David A.
