miguel esteves cardoso: A Voyage to India Goncalo M. Tavares, 2016-12-09 A Voyage to India is the story of Bloom, our hero, as he makes his way from Lisbon to India in a decidedly non-heroic age. Gone are the galleons, gone is god; so too the swords of the swashbuckler and sacerdotal certainty. In such an era, where is wisdom to be found? Bloom—ever deliberate, ever longwinded—takes his time getting to India, stopping first in London, then Paris and elsewhere in Europe, making friends, encountering enemies, recounting his life story, revealing the reasons for his flight from Lisbon and his vague hopes for and nagging fears about what he might find in India. Or within himself. His is a melancholic itinerary, an attempt to learn and forget. As our narrator flatly declares: “Life proceeds and is monstrous.” Parodying The Lusiads, Luis de Camões’s sixteenth-century Portuguese epic of seafaring exploration and naval prowess, Tavares’s poem is a solemn requiem of sorts, an investigation into the psyche of humankind in a world where the advance of technology outpaces our ability (or desire) to theorize it, the search for wisdom has been abandoned, and old imperialist dreams have revealed themselves to be a postcolonial nightmare.

miguel esteves cardoso: As Raízes Profundas não Gelam? Ideias e Percursos das Direitas Portuguesas Riccardo Marchi, 2015-12-04 Em Portugal, frequentemente, o imaginário colectivo reduz os conceitos de e/ou ao legado do Estado Novo e do seu arquitecto Antonio de Oliveira Salazar. Contrariando essa tendencia redutora, a presente obra pretende apresentar uma panoramica alargada sobre esse mundo, atraves de uma serie de capitulos elaborados por autores com investigac?o solida e aprofundada sobre os respectivos temas. Numa narrativa com um compasso temporal de quase dois seculos de historia politica de Portugal, caracterizam-se os fenomenos mais representativos do anseio de encarnar a tradic?o: a primeira metade do seculo xix, com o movimento miguelista; a alvorada do seculo xx, com Sidonio e o nacionalismo anti-liberal; o Estado Novo com as diferentes facetas do ideario catolico, monarquico, nacional revolucionario; o regime democratico, com as tentativas das direitas radicais e das direitas moderadas de redefinir os respectivos patrimonios doutrinarios entre o fim do seculo xx e o principio do novo milenio.

miguel esteves cardoso: Parliaments and Parties Roger Morgan, Clare Tame, 2016-07-27 This book analyses the European Parliament's relations with the national parliaments of the European Union, in terms of political party interactions, institutional arrangements, and two-way influence. Each of the twelve chapters on the member-states of the EU covers three main themes: the links between party-political activity at the European and national levels; the degree of cooperation between the national and the European parliaments; and the extent to which the national legislature is influenced by the EP's resolutions or other communications.

miguel esteves cardoso: Translating Samuel Beckett around the World José Francisco Fernández, Pascale Sardin, 2021-08-03 The global reception of Samuel Beckett raises numerous questions: in which areas of the world was Beckett first translated? Why were Beckett texts sometimes slow to penetrate certain cultures? How were national literatures impacted by Beckett's oeuvre? Translating Samuel Beckett around the World brings together leading researchers in Beckett studies to discuss these questions and explore the fate of Beckett in their own societies and national languages. The current text provides ample coverage of the presence of Beckett in geographical contexts normally ignored by literary criticism, and reveals unknown aspects of the 1969 Nobel Prize winner interacting with translators of his work in a number of different countries.

miguel esteves cardoso: X! 2010-2020 TEN YEARS OODA Joao Rapagao, 2021-09-03 OODA is a Portuguese architecture collective, now celebrating 10 years of practice. Based in Porto with experience gained internationally in notable offices, such as OMA-Rem Koolhaas and Zaha Hadid Architects, the collective aims to expand internationally, namely New York, São Paulo and Shanghai. With a wide range of work (whether idea or built, new or rehabilitation) and participation in international competitions in Africa, America, Asia, Middle East and Europe, their work includes

partnerships with Kengo Kuma and the Pritzker prize winner Souto de Moura. More than presenting and dissecting the work of the practice, this book is an adventure in technical and artistic exchanges. It is divided into three parts; the appraisal of the first ten years, hence the X mark - X - in the title of the book and also predictions for the next ten; a presentation of case studies and projects according to six criteria and knowledge approaches – Insertions, Second Life, Intimacy, Iconographies, Landmarks and Genealogies; and the Dissection of the ten years that have passed, hence the exclamation mark - ! - in the title of the book, along an explanation of the functional and business structure. Ana Aragão has produced an illustrated analysis and synthesis of the practice. Ashley Simone, Fernando Serapião and Pedro Gadanho were invited to write thematically focused and specialized essays on the production and prediction for the coming years of the collective, represented by the question mark - ? - in the title of the book.

miguel esteves cardoso: *Land and Life in Timor-Leste* Andrew McWilliam, Elizabeth G. Traube, 2011-12-01 Following the historic 1999 popular referendum, East Timor emerged as the first independent sovereign nation of the 21st Century. The years since these momentous events have seen an efflorescence of social research across the country drawn by shared interests in the aftermath of the resistance struggle, the processes of social recovery and the historic opportunity to pursue field-based ethnography following the hiatus of research during 24 years of Indonesian rule (1975-99). This volume brings together a collection of papers from a diverse field of international scholars exploring the multiple ways that East Timorese communities are making and remaking their connections to land and places of ancestral significance. The work is explicitly comparative and highlights the different ways Timorese language communities negotiate access and transactions in land, disputes and inheritance especially in areas subject to historical displacement and resettlement. Consideration is extended to the role of ritual performance and social alliance for inscribing connection and entitlement. Emerging through analysis is an appreciation of how relations to land, articulated in origin discourses, are implicated in the construction of national culture and differential contributions to the struggle for independence. The volume is informed by a range of Austronesian cultural themes and highlights the continuing vitality of customary governance and landed attachment in Timor-Leste.

miguel esteves cardoso: *The Oxford Handbook of Portuguese Politics* Jorge M. Fernandes, Pedro C. Magalhães, António Costa Pinto, 2022-10-13 The Oxford Handbook of Portuguese Politics brings together the best scholars in the field offering an unrivalled coverage of the politics (broadly defined) of the country over the past 50 years. The Handbook includes eight sections. First, it looks at the past and present by making an overview of Portuguese political developments since democratization in the 1970s. Second, it looks at political institutions as the building blocks of Portuguese democracy. The third section examines mass politics and voters, that is, a thorough analysis of the demand-side of mass politics. The fourth section turns to the supply side of mass-politics by looking at parties and the party system. The fifth section looks at the Portuguese society by unpacking a plethora of societal aspects with direct implications for politics. The sixth section examines governance and public policies, with a view to understanding how a constellation of public policies has an impact on the quality of governance and in fostering well-being. The seventh section looks at Portugal and the European Union. The eighth and final section unpacks Portuguese foreign policy and defence.

miguel esteves cardoso: *Culture and Customs of Portugal* Carlos A. Cunha, Rhonda Cunha, 2010-05-20 This descriptive analysis of contemporary Portuguese culture from a historical perspective covers topics ranging from art, cuisine, and music to government, politics, and religion. Portugal is evolving quickly as an integrated part of modern Europe. What was until the mid-1970s an old-world society, where 80 percent of the economy was controlled by an oligarchy of eight elite families, is now increasingly a model of an advanced European state. Portugal now ranks highly among the countries of the world in level of globalization and quality of life; it even boasts one of the

best-developed renewable energy infrastructures of any developed country. Despite such widespread modernization, however, old country Portuguese traditions persist in the political realms, as well as the traditional lifestyles that endure in the countryside. Culture and Customs of Portugal devotes careful attention to such topics as Portuguese holidays, media, marriage, gender roles, architecture, and education, providing readers with a full account of Portugal's rich heritage and modern culture. The drastic changes in the nation following the 1974 military coup that overthrew a 48-year dictatorship receive special attention.

miguel esteves cardoso: A Década Prodigiosa Pedro Boucherie Mendes, 2024-10-01 A década de 1980 em Portugal foi a primeira a começar em democracia – a primeira em que toda uma geração viveu sem a sombra da ditadura. Os portugueses fizeram dessa época um tempo extraordinário, dominados pela sensação de que cada novo ano seria ainda mais espantoso do que o anterior. Nem tudo foi bom, é certo. Dramas como o trabalho infantil, a heroína, a SIDA, os bairros de lata ou a vulgarização dos salários em atraso escurecem as recordações mais otimistas. No entanto, esse lado negro não é o que prevalece naqueles que cresceram nessa era. Se a década começou triste, atrasada e falida, avançou numa crescente sede de modernidade e num ambiente de despreocupação, sobretudo entre os mais novos, que hoje parecem irrepetíveis. E quando os anos oitenta terminaram, Portugal era um país promissor, de mangas arregaçadas a encarar o futuro. Entre a memória autobiográfica e a evocação de alguns dos acontecimentos que mais marcaram o país e o mundo nesses anos, *A Década Prodigiosa* é uma viagem a um passado onde tudo parecia possível, numa narrativa em que o retrato de época se cruza com a inevitável nostalgia de uma certa inocência perdida.

miguel esteves cardoso: *A Bolha - Uma Direita Antipopulista* Riccardo Marchi, 2022-06-30 *A Bolha - Uma Direita Antipopulista* começa por se debruçar sobre a geração intelectual de direita do fim da década de 1980, que protagonizou, no começo do século XXI, a experiência da revista *Atlântico*, berço dos jovens intelectuais de direita. O objetivo é, por um lado, perceber porque, em Portugal, os «fazedores de opinião» de direita se revelam impermeáveis ao fenómeno populista, crescente no Ocidente, e, por outro, caracterizar os diferentes matizes desta impermeabilidade, fruto das respetivas formações intelectuais e escolhas de estratégia política.

miguel esteves cardoso: *Cuadernos de Lanzarote II (1996-1997)* José Saramago, 2010-11-17 2022: AÑO SARAMAGO Los diarios de un escritor comprometido con el tiempo y con el mundo que le tocó vivir. «Contar los días con los dedos y encontrar la mano llena». La conciencia de estar aproximándose a la vejez fue uno de los motivos que llevaron a Saramago a escribir los Cuadernos de Lanzarote. El escritor sintió la necesidad de «dar pasos más pequeños, más cortos», y éstos, según manifestó, sólo podían aparecer en un diario. En estas páginas, escritas entre 1996 y 1997, cabe todo: incidentes cotidianos, lugares visitados, compromisos profesionales, seres queridos, alegrías y pesares, pero también recuerdos, lecturas, reflexiones filosóficas y literarias, opiniones políticas, cartas, confesiones... «Saramago, en este excepcional mosaico de géneros, en este gran escenario de su comedia humana, sabe que su gloria literaria ya está consumada, pero es consciente de que sólo a través de estos Cuadernos se ha ido descubriendo a sí mismo, y ése es el único camino posible para llegar a la verdad. Estos escritos magistrales en el complejo y difícil arte de la poligrafía están hechos con la materia con la que se hacen los sueños que no se han soñado». César Antonio Molina La crítica ha dicho: «Saramago vuelve comprensible una realidad huidiza, con parábolas sostenidas por la imaginación, la compasión y la ironía». Comité Nobel «Un hombre con una sensibilidad y una capacidad de ver y de entender que están muy por encima de lo que en

general vemos y entendemos los comunes mortales». Héctor Abad Faciolince «Saramago es un ejemplo, un estilo dignísimo de vida y literatura, que demuestra la posibilidad de navegar a contracorriente [...]. Su palabra tiene el valor de un anticongelante, de un remedio personal contra los vendavales de cinismo que nos envuelven». Luis García Montero «Yo no sé, ni quiero saberlo, de dónde ha sacado Saramago ese diabólico tononarrativo, duro y piadoso a un tiempo, [...] que le permite contar tan cerca del corazón y a la vez tan cerca de la historia». Luis Landero «Saramago escribe novelas sobre los mitos para desmitificarlos, [...] siempre para abordar la realidad que le rodea, para tratar de los problemas actuales que son de todos, y para que todo quede claro desde el principio». Rafael Conte, Babelia «Como Günter Grass o Cees Nooteboom, Saramago aspira a enlazar con un público que desborde límites nacionales». El País

miguel esteves cardoso: As Direitas na Democracia Portuguesa Riccardo Marchi, 2015-12-16 A crise económica que assombra a Europa nos últimos anos teve um impacto profundo em Portugal, onde acentuou também a polarização entre direita e esquerda em várias dimensões da vida política e social. O regresso em força do termo «direita» à sombra do governo PSD-CDS (2011-2015) sugere a necessidade de uma reflexão aprofundada sobre esta categoria do político e sobre a sua evolução ao longo dos quarenta anos da democracia. Este livro oferece um conjunto de reflexões e análises acerca de várias dimensões de actuação desta família política. Os autores focalizam a evolução da opinião pública e dos dois principais partidos (PSD e CDS) em termos de oferta e procura política, assim como de modificação da proposta programática e até abandono das raízes doutrinárias originárias. A actuação das direitas em âmbitos relevantes como a cultura, os valores e a economia permite, assim, especificar as diferenças internas a esta mesma família política.
