priority talk emmaus: The Priority of Christ Robert Barron, 2016-02-23 A Major Statement on Christology from Bishop Robert Barron For a long time, Christians have tried to bridge the divide between Christianity and secular liberalism with philosophy and theology. Bishop Robert Barron shows that the answer to this debate--and the way to move forward--lies in Jesus. Barron transcends the usual liberal/conservative or Protestant/Catholic divides with a postliberal Catholicism that brings the focus back on Jesus as revealed in the New Testament narratives. Barron's classical Catholic postliberalism will be of interest to a broad audience including not only the academic community but also preachers and general readers interested in entering the dialogue between Catholicism and postliberalism. The hardcover edition includes a new preface by the author. Praise for The Priority of Christ Barron's wonderful book The Priority of Christ brings postliberalism back to its Catholic home. . . . More than that, he sets out a charter for preaching that draws from the very roots of the Old Testament - showing us that nothing in the world is more worthwhile - for preaching is God's strategy to rebuild a broken world.

priority talk emmaus: Reading Revelation Responsibly Michael J. Gorman, 2011-01-01 Reading Revelation Responsibly is for those who are confused by, afraid of, and/or preoccupied with the book of Revelation. In rescuing the Apocalypse from those who either completely misinterpret it or completely ignore it, Michael Gorman has given us both a guide to reading Revelation in a responsible way and a theological engagement with the text itself. He takes interpreting the book as a serious and sacred responsibility, believing how one reads, teaches, and preaches Revelation can have a powerful impact on one's own--and other people's--well-being. Gorman pays careful attention to the book's original historical and literary contexts, its connections to the rest of Scripture, its relationship to Christian doctrine and practice, and its potential to help or harm people in their life of faith. Rather than a script for the end times, Gorman demonstrates how Revelation is a script for Christian worship, witness, and mission that runs counter to culturally embedded civil religion.

priority talk emmaus: The Orphean Passages Walter Wangerin, Jr., Walter Wangerin, 1996 A remarkable weaving of faith, myth, and humanity from award-winning novelist Walter Wangerin Jr. Faith, writes Walter Wangerin, is 'a relationship with the living God enacted in this world.' It is ever-changing and inherently dramatic. The Orphan Passages is Wangerin's compelling story of a Christian pastor's career and the drama of his faith. Interlaced with the classical myth of Orpheus and Eurydice, this daring and unconventional inquiry into Christian experience ranks among the most challenging of Wangerin's works. Wangerin sees in the ancient myth an extraordinary parallel of the twists and turns individuals follow in their journeys of faith. In the author's own present-day Reverend Orpheus, that parallel is vividly played out -- rendering the modern story of one man both universal and timeless. The Orphan Passages asserts the truth of a legend that people of all times have experienced. It has the immediacy of a well-wrought novel, driving readers on to the surprising yet inevitable conclusion.

priority talk emmaus: A Sudden Glory Sharon Jaynes, 2012-08-21 Do you long for something more in your relationship with God? The good news is that "something more" does not mean "doing more." God is not waiting for you to get your spiritual life "right." He wants to be with you right where you are. The real question is not "What does God want from you?" but "What does God want for you?" Sharon Jaynes understands what it's like to have a "glory ache"—a longing to experience God's presence on a daily basis. She also knows how easily working for God can get in the way of intimacy with God. And she's discovered that we tend to make our faith journey much too hard. In A Sudden Glory, Sharon uses Scripture and story to help you erase the line between your "spiritual life" and your "daily life" as you enter the sanctuary of God's presence even in the middle of your busy, messy day. Here you will find your eyes opened to moments of sudden glory in which the Creator assures you of His love as you live and move and have your being in Him. Here you will discover true freedom—the freedom of experiencing God in a deeper and more intimate way than ever before. Includes Bible study and discussion guide.

priority talk emmaus: Faith in the City Church of England. Commission on Urban Priority Areas, 1985 Four years after Lord Scarman's report on the Brixton disorders, and at a time of continuing urban unrest, what future is there for our inner cities and housing estates? How should the Church of England, and other bodies, including government, respond? This was the brief given by the Archbishop of Canterbury to a distinguished 18-member Commission drawn from a wide range of backgrounds. After two years of taking evidence and visiting the major cities where economic, physical and social conditions are at their most acute and depressing, the Commission's report paints a disturbing picture. The report makes recommendations to the Church about its place and responsibilities in the urban priority areas. Important recommendations are also made about public policy issues: unemployment, housing, social and community work, education, policing, and urban policy. In its call for action on a broad front, the Commission argues that Church and State must have faith in the city. There needs to be a clear commitment - and a positive response - by the nation as a whole.

priority talk emmaus: Not by Sight Jon Bloom, 2013-04-30 Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus's words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, Not by Sight gives us glimpses of what it means to walk by faith and counsel for how to trust God's promises more than our perceptions and to find rest in the faithfulness of God.

priority talk emmaus: The Death of the Messiah and the Birth of the New Covenant Michael J. Gorman, 2014-06-27 In this groundbreaking book, Michael Gorman asks why there is no theory or model of the atonement called the new-covenant model, since this understanding of the atonement is likely the earliest in the Christian tradition, going back to Jesus himself. Gorman argues that most models of the atonement over-emphasize the penultimate purposes of Jesus' death and the mechanics of the atonement, rather than its ultimate purpose: to create a transformed, Spirit-filled people of God. The New Testament's various atonement metaphors are part of a remarkably coherent picture of Jesus' death as that which brings about the new covenant (and thus the new community) promised by the prophets, which is also the covenant of peace. Gorman therefore proposes a new model of the atonement that is really not new at all--the new-covenant model. He argues that this is not merely an ancient model in need of rediscovery, but also a more comprehensive, integrated, participatory, communal, and missional model than any of the major models in the tradition. Life in this new covenant, Gorman argues, is a life of communal and individual participation in Jesus' faithful, loving, peacemaking death. Written for both academics and church leaders, this book will challenge all who read it to re-think and re-articulate the meaning of Christ's death for us.

priority talk emmaus: God's Glory in Salvation through Judgment James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory, and God reveals himself as a God who is merciful and just. James Hamilton Jr. contends that from this passage comes a biblical theology that unites the meta-narrative of Scripture under one central theme: God's glory in salvation through judgment. Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites. God was glorified through both his judgment and mercy, accorded in salvation to Israel. The New Testament unfolds the ultimate display of God's glory in justice and mercy, as it was God's righteous judgment shown on the cross that brought us

salvation. God's glory in salvation through judgment will be shown at the end of time, when Christ returns to judge his enemies and save all who have called on his name. Hamilton moves through the Bible book by book, showing that there is one theological center to the whole Bible. The volume's systematic method and scope make it a unique resource for pastors, professors, and students.

But there is good news: God has graciously provided a way for men to reset their lives at a more sustainable pace. Drawing on his own experiences—and time spent with other men who have also experienced burnout—pastor David Murray offers weary men hope for the future, helping them identify the warning signs of burnout and offering practical strategies for developing patterns that help them live a grace-paced life and reach the finish line with their joy intact.
