russ disdar: God's Ghostbusters Thomas Horn, 2011-09 Recently some 300 exorcists flocked to Poland for a week-long congress to examine the current fashion for vampirism the world-over and the apparent connection between this fascination and a surge in demonic possession. This comes as the world is experiencing an explosion of ancient occultism combined with wicked fascination for ghosts and all things paranormal. In the United States alone, there are now more than two hundred thousand registered witches and as many as 8 million unregistered practitioners of "the craft." On college and high school campuses, vampires, werewolves, and other "creatures of the night" are esteemed as objects of desire and idolized by young men and women who view them as cult icons of envious mystical power. Church goers are enchanted by the darkness as well. An April 13, 2011 article "Mysticism Infecting Nazarene Beliefs" was preceded only a few days before by a Telegraph article describing how a "surge in Satanism" inside the church has sparked a "rise in demand for exorcists" within traditional religious settings." Why is this happening now? God's Ghostbusters provides shocking answers in this collaborative work by Gary Bates, Chuck Missler, Gary Stearman, Thomas Horn, Nita Horn, Russ Dizdar, Donna Howell, Derek Gilbert, Sharon Gilbert, Michael Hoggard, Noah Hutchings, Terry James, John McTernan, Jeff Patty, Fred DeRuvo, and Douglas Woodward.

He looks at the maelstrom of personalities, agendas, impressions, data, confusion, and contradictions that can be found in the world of the weird, and demonstrates how they have become an integral part of our lives, whether in the form of flying saucers, hauntings, religious revelations, psychic abilities, or dozens of other guises. Gulyas delves into the stories of the people who have attempted to create order out of the chaos. Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic, and then finally to someone who thinks there might just be something to the paranormal after all... but not what we have been led to expect or believe!

russ disdar: Spiritual Warfare Preston T. Bailey, 2008-05 SPIRITUAL WARFARE: Defeating the Forces of Darkness is a theological and practical book on overcoming the attacks of the Devil. Christians need to use the many spiritual resources that the Lord of Hosts, the Commander in Chief of the heavenly army, has provided for us to defeat the attacks of the Wicked One. Dr. Bailey describes the nine different types of attacks by demons along with how to respond to each type of attack in order to have victory. He also describes Satan's organizational structure of demons and how they scheme to attack people. Dr. Bailey has appeared on numerous television shows and was the producer and host of a weekly series called The Christian Counselor. He has trained police departments about Satanic Ritual activities and been a consultant with law enforcement on occult related crime. He was appointed by the Governor as Chairman of the Task Force on Child Abuse and later appointed on the Juvenile Anti-crime Task Force that helped reduce juvenile crime in Florida. Since he has many years of experience in dealing with most types of occult and satanic related groups, he has done numerous seminars in churches and Christian organizations on the subject. Dr. Bailey also has counseled thousands of demonized people and hundreds of people who were ritually abused. Since he has led many Satanists, witches, warlocks, and those involved in the occult to Christ, his insight into the occult has helped him train thousands of Christian counselors in Europe, Canada, and throughout the United States and minister to those who have been demonized. God has given him many unique experiences that he has shared in this book which will enrich your life and reveal startling truths about spiritual warfare and how to have victory over the attacks of Satan.

russ disdar: Spiritual Warfare, End Times And The Bible Lynn Myers, 2023-10-27 For decades, I have been involved in practicing and teaching Spiritual Warfare. When God first called me into this ministry in the early 1980's, I was unsure of whether I should engage with this as the subject terrified me and I had previously avoided it. God's call to me to enter into this type of service was clear, so I began to research the subject. All I could find then, and now, were mostly books regaling the reader with horrific accounts of terrible demonic encounters. There was little or nothing in most of the books on "How To" deal with demonic forces and their influence in the world. I must acknowledge that there have been some very good material created on this topic by others, but this is not the norm. My purpose in writing this book is to provide a guide on how to address and defeat the work of Satan, the enemy of our souls, that we see all around us and to help prepare Christians for the work they will be required to do as we progress through the End Time Events. I hope this book will replace despair with faith in the power of Jesus Christ at work in the lives of His followers. Spiritual Warfare is an absolutely critical component in the life of Christians living in the End Times (as I believe we are). I believe my book to be a great reference and resource work for you that can serve you well as you enter into your own Spiritual Warfare efforts.

Prayer is also the most misused, misunderstood, and un-used resource we have available to us. God created us in His image. His image! Do you understand what that means? It means we are as like God as any aspect of creation can be. It means we are special. It means God very much desires to have a relationship with us—one that is deeply personal. It means He will listen and answer our prayers when we pray because of His desire to be close to us. You don't ignore your spouse, your children, your friends, or your boss when they talk to you, do you? Of course not! You also expect them to listen to you when you have something to say. So why do you think it should be any different with God? The answer to that question is this: It shouldn't be. Your willingness to talk to God and to have Him talk to you should be even greater than it is with the other relationships you have in your life. The purpose of this book is to help you achieve that goal. By looking at what prayer is, how to pray, what to pray for, and when to pray, you will hopefully become more equipped and fully aware of what it means to pray to God and overcome and defeat the spiritual enemy. - Find Out More Inside - Get the Book Now

russ disdar: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the

Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

russ disdar: *The Father's Love* Chioma Ibeneme - Okoye, 2019-05-01 Giants, mermaids, laser beams, four-headed creatures, talking animals, vampires and teleporting are not your usual themes for a nice Bible study in church, right? Re-told in contemporary, colorful language, the reader is whisked off to a time when gods walked freely among men. russ disdar: **Biblical Eschatology:** Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emery wrote an article titled, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the

original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

russ disdar: The Genesis 6 Conspiracy Gary Wayne, 2020-09-15 Genesis 6 Conspiracy: There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises. russ disdar: Politics as a Noble Calling F. Clifton White, 1994 As this memoir reveals, American politics has been stalked by a relentless posse of conservatives during the thirty years since the Republican presidential campaign of Barry Goldwater in 1964. In November, 1994 this posse finally gunned down an aging political establishment, giving rise in the media and elsewhere to the question, Who ARE those guys? In this memoir, Clif White answers that question, revealing the principles and people of the conservative movement in politics. In addition to telling fifty years of American political history and giving practical lessons for running for public office, his book is also a moving account of White's spiritual journey through an event-filled life. Clif White burst onto the national scene as the architect of the Goldwater nomination - the sheriff of that first conservative posse. His fascinating life story began in teaching and service in World War II, but soon turned to politics under Governor Tom Dewey of New York. After his team of conservatives took control of the

national Republican Party in 1964, he next followed with the spectacular 1970 upset victory of James Buckley for the U.S. Senate in New York on a third party line, and then helped elect Ronald Reagan in 1980 - using the political team he had taught and nurtured since the capture of the GOP in 1964.
