ram raksha stotra in sanskrit pdf: Rāma-legends and Rāma-reliefs in Indonesia Willem Frederik Stutterheim, 1989 The Work First Published In 1925 In The Series Der Indische Kulturkreis In Einzeldarstellungen Has Been Considered A Classic, But Has Not Been Alas Easily Accessible To The English Reading Public. Also For Long, The Work Has Been Out Of Print. With The Publication Of The English Translation Many New Vistas Of Exploration Will Immediately Open Up. It Is Remarkable That Despite The Paucity Of Published Material, The Comparative Absence Of Structural Linguistic Models For The Study Of Languages And Theoretical Paradigms, The Late Professor Stutterheim Employs The Tools Of Structural Linguistic Analysis, Comparative Literature, And Historical Reconstruction. This Is A Far More Challenging Task Than Descriptive Archaeology And Stylistic Analysis. Fundamental To This Is His Ability To Correlate And Reevaluate The Relationship Between The Written Texts And Oral Transmission. While All This Is Very Familiar To Contemporary Scholarship, A Reading Of This Monograph Convinces One That Professor Stutterheim Anticipated Modern Scholarship By Many Decades. His Concern Was Not Restricted To The Archaeological Features Of This Group Of Temples But Went Much Further Into Interpretation And Identification Of The Historical Processes Of Acculturation, Diffusion And Autochthonous Tendencies. Along With The Late Professor D.C. Sen, He May Be Considered The First Scholar To Draw Attention To The Role Of The Oral Enunciation Of The Rama Legends In Different Parts Of Asia. In This Monograph He Forcefully Argues That Valmiki S Ramayana Was Not The Basis Of The Indonesian Versions And Disagrees With The Hypothesis That Kamban Provided A Model Or Even That Hanuman-Nataka Was The Original Source. He Comes To The Interesting Conclusion That Perhaps Gujarat Was The Source. Much Has Been Written On The Subject During The Past Few Decades, However, Professor Stutterheim S Argument Remains Fresh. Perhaps Scholars Will Want To Re-Explore The Sources Of The Gujarati Version Of The Ramayana As Also The Panji Stories Of Java. The Monograph Will Also Stimulate Discussion Of A Most Contemporary Concern, I.E., The Relationship Of The Text And The Image: The Adherence, The Interpretations And The Deviations. Of Late, Many Art Historians Have Been Concerned In Their Respective Ways To Analyse The Interface Of Text And Image. The Monograph Is Of Immediate Contemporary Relevance As Theoretical Model For Modern Scholarship.

ram raksha stotra in sanskrit pdf: My Transportation For Life Veer Savarkar, 2021-01-19 The story is told. The curtain has been brought down on it. Two life-sentences have been run. And I have brought together my recollections of them within the cover of this book. They are narrated in brief and put together within the narrowest. When I came into this world, God sent me here possibly on a sort of life-sentence. It was the span of life allotted to me by time to stay in this 'prison-house of

life'. This story is but a chapter of that book of life, which is a longer story not yet ended. You can finish reading the book in a day, while I had to live it for 14 long years of transportation. And if the story is so tiresome, unendurable and disgusting to you, how much must have been the living of it for me! Every moment of those 14 years in that jail has been an agony of the soul and the body to me, and to my fellow convicts in that jail. It was not only fatiguing, unbearable and futile to us all, it was equally or more excruciating to them as to me. And it is only that you may know it and feel the fatigue, the disgust and the pain of it as we have felt it, that I have chosen to write it for you.
