rick warren sermon outlines pdf: *The Purpose Driven Church* Rick Warren, 2007-09-04 The issue is church health, not church growth—if your church is healthy, growth will occur naturally. So how do we make healthy churches, driven by purpose? In order for any church to thrive, it must be built around the five New Testament purposes given to the church by Jesus Christ. In this classic of Christian church stability, pastor and bestselling author of *The Purpose Driven Life* Rick Warren unpacks this proven five-part strategy that will enable your church to grow: Warmer through fellowship. Deeper through discipleship. Stronger through worship. Broader through ministry. Larger through evangelism. Every church is driven by something. Tradition, finances, programs, personalities, events, seekers, and even buildings can each be the controlling force in a church. But Warren will show you how to concentrate on building people and let God build the church. In other words, healthy, consistent growth is the result of balancing the five biblical purposes of the church. And *The Purpose Driven Church* will show you how to do that. “The Purpose Driven Church has brought focus and direction to more pastors and church leaders than you can count. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from

understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Greear how to more fully experience the Holy Spirit within you. Jesus gave his disciples the audacious promise that the Spirit he would send to live inside them would be even better than if he himself remained beside them. Yet how many of us consider our connection to the Holy Spirit so strong that we would call his presence in us better than Jesus himself walking by our side? J. D. Greear was the pastor of a rapidly growing church who still felt like he didn't know how to relate to God personally. Though he knew a lot about God, he wasn't as sure about how to walk with God. Furthermore, he felt overwhelmed by the size of the mission Jesus had left for his church. In a world of so much need, what difference could he possibly make? Learning how God dwells in us and empowers us in the Holy Spirit redefined his life and ministry. Ministry became less about working for God and more about letting God work through him. Drudgery was replaced by delight; helplessness was replaced by empowerment. In Jesus,

Continued... Greear explores--in clear and practical language--questions such as: What does it mean to have a relationship with the Holy Spirit? How can we tell when the Spirit is speaking to us? What do you do when God feels absent? If you are longing to know God in a vibrant way, Jesus, Continued... has good news for you: That's exactly what God wants for you too. rick warren sermon outlines pdf: Think John Piper, 2013-04-23 This is a book to help Christians to think about thinking. Focusing on the life of the mind helps us to know God better, love him more, and care for the world. Along with an emphasis on emotions and the experience of God, we also need to practise careful thinking about God. Piper contends that 'thinking is indispensable on the path to passion for God'. So how are we to maintain a healthy balance of mind and heart, thinking and feeling? Piper urges us to think for the glory of God. He demonstrates from Scripture that glorifying God with our minds and hearts is not either-or, but both-and. Thinking carefully about God fuels passion and affections for God. Likewise, Christ-exalting emotion leads to disciplined thinking. Readers will be reminded that 'the mind serves to know the truth that fuels the fires of the heart'.

rick warren sermon outlines pdf: Should the Church Teach Tithing? Russell Kelly, Ph.D., 2001-01-11 Following a thorough examination of every biblical text on tithing, Dr. Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving. After discussing sound biblical reasons for Christians to replace tithing, he presents God's better principles of grace. Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing. Following several chapters which discuss disputed texts relating to pastoral support, this book traces the early development of church support as found in the Church Fathers before Nicea. This book leaves no question or objection about tithing unanswered. It is a must read for any serious Bible student. There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing.

Scripture is clear: the Enemy is a liar who will stop at nothing to tempt you into poor decisions and self-defeating mindsets, making you feel afraid, angry, anxious, or defeated. Don't Give the Enemy a Seat at Your Table outlines the ways to overcome those lies so you can find peace and security in any challenging circumstance or situation. With the same bold, exciting approach to Scripture as employed in Goliath Must Fall and his other previous works, pastor Louie Giglio examines Psalm 23 in fresh ways, highlighting verse 5: You prepare a table before me in the presence of my enemies. rick warren sermon outlines pdf: Grace Is Greater Kyle Idleman, 2017-02-28 The writer of the letter to the Hebrews said, See to it that no one misses the grace of God. Over the centuries much ink has been spilled on the subject of grace. Yet perhaps nothing is as hard to explain as God's grace. It doesn't make sense. It's not fair. It can't possibly cover over what I've done. The best way--perhaps the only real way--to understand it is to experience it. But too often in our churches we're not getting grace across and grace is not experienced. Bestselling author and pastor Kyle Idleman wants everyone to experience the grace of God. Through the powerful medium of story, Grace Is Greater leads readers past their hang-ups toward an understanding of grace that is bigger than our mistakes, our failures, our desire for revenge, and our seemingly impossible situations. No sin is so great, no bitterness so deep that God's grace cannot transform the heart and rewrite the story. Perfect for individuals and also for small groups and church-wide studies, Grace Is Greater will help readers truly grasp God's grace, even if the Christians around them have failed to live it.
