revelation song piano sheet music: *A Declaration of Christian Truth* Randy Gingrich, 2022-11-21
Truth * Repentance * Glory * Revival
This book takes the reader on an adventure of intriguing theological thought as it explores over fifty topics relevant to the Christian life. The author's teaching is to the point, yet comprehensive enough to answer a range of questions as it articulates the truth of God's Word. The value of understanding the Bible blossoms in the beauty of God's glory as the wisdom of the Lord applies his truth to our everyday life. A much-needed systematic theology is established as doctrine is taught with originality in the power of the Holy Spirit with dynamic revelation. It builds solid truth in a structural style and should resonate with any believer as prophetic, personal, and inspirational. Theologically, it is equivalent to a four-year Bible College. Biblical truth is taught to equip the Christian and minister with significant knowledge and wisdom on over fifty topics. Many false beliefs and misconceptions are dealt with while God's Word is taught in clarity. The book shares breakthrough insight on many subjects of the Bible that are hard to understand. Also, there is significant teaching on the born-again experience, the constitution of the Christian or who we are in Christ, the baptism with the Holy Spirit, authentic worship, and much more! This is a textbook for the Christian life. Many will see it as a great source of sermons, curriculum, and position papers. The titles of the forty-four chapters should strike the interest of any God-fearing truth-loving Christian. You will not be disappointed as the Holy Spirit articulates God's will, sorts out ideas, clears away confusion, and builds solid beliefs and practice! You will see a consistency of relationship. The Bible is a unified masterpiece of truth; it's all related. Most chapters start fresh with new topics and developing themes. There are studious sections that dig deep for the purpose of benefiting everyone with greater appreciation and knowledge of God's Word while attempting to satisfy the Bible College graduate. There is much teaching today that has obscured the true meaning and application of Scripture, placed a veil over the heart of believers, and deprived Christians of its complete relevant impact upon them. Therefore, it was necessary to write a book which establishes a systematic theology based upon the full counsel of God (Acts 20:27) without imposing agendas nor being controlled by any religious group.
