shiv mahimna stotram pdf: Spanda-Karikas Jaideva Singh, 2014-01-01 The Spandakarikas are a number of verses that serve as a sort of commentary on the Siva-sutras. According to Saivagama, the divine consciousness is not simply cold, inert intellection. It is rather spanda, active, dynamic, throbbing with life, creative pulsation. In Siva-sutras, it is the prakasa aspect of the divine that is emphasized; in Spandakarikas, it is the vimarsa aspect that is emphasized. Together, these two books give us an integral view of Saiva philosophy. Ksemaraja has written a commentary on Spandakarikas, titled Spanda-nirnaya. He is fond of sesquipedalian compounds, long and windy sentences, but he is very profound in the comprehension of the subject and so cannot be ignored. The author tried to provide a readable translation of both the karikas and the Spanda-nirnaya commentary. Each karika (verse) is given both in Devanagari and Roman script, followed by its translation in English. This is followed by Ksemaraja's commentary in Sanskrit. Then follows an English translation of the commentary. After this, copious notes are added on important and technical words. Finally, a running exposition of each karika in the author's own words is given.

shiv mahimna stotram pdf: Para-trisika-Vivarana of Abhinavagupta Abhinavagupta, 1988 The Paratrisika (or Paratrimisika) is a short Tantra which has been held in the highest esteem by Kashmir Saivism or Trika. After Somananda, Abhinavagupta has written two commentaries on it, a short one (Laghuvrtti) and an extensive one the present Vivarana which is presented here for the first time in an English translation. The Paratrisika Vivarana is one of the most fascinating but also most difficult texts of the Kashmir Saiva School, and of the mystical philosophical literature of India as a whole. It deals with Ultimate Reality (anuttara or para) and with the methods of realization, centred above all in the theory and practice of the mantra. Abhinavagupta displays here his great exegetical genius and presents a penetrating metaphysics of language, of the Word (vak) and its various stages in relation to consciousness. His language reflects in a luminous fashion the mystical experience contained in this text. The present translation of Abhinavagupta's masterpiece will not only be a milestone in the study of Kashmir Saivism, but it also makes available one of the major mystical texts of the Indian tradition to readers interested in philosophy and spirituality Contents Preface by Bettina Baumer, List of Abbreviations, PART I: Paratrisika-Vivarana of Abhinavagupta: Translation with notes, Preliminaries, Verse 1 of Paratrisika, Commentary, Different implications of the Word Devi, The rationale of the past tense in 'said', The final Resting Place of all questions and answers, Sixteen interpretations of anuttara, Interpretation of Kaulika-siddhidam, Exposition on verse 1 and Commentary, Etad guhyam mahaguhyam.. text and commentary, PART II: Paratrisika-Vivarana: Sanskrit Text, Index of Half-Verses of Paratrisika, Index of Quotations
