scriptural prayers for pastors and leaders pdf: *The Pastor's Handbook KJV* Moody Publishers, 2006-06-01 *The Pastor's Handbook (KJV)* is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

scriptural prayers for pastors and leaders pdf: With Christ in the School of Prayer
Andrew Murray, 2019-01-01
This book has been written with a deep impression that the place and power of prayer in the Christian life is too little understood. I feel sure that as long as we look on prayer solely as the means of maintaining our own Christian life, we shall not know fully what it is meant to be. But when we learn to regard it as the highest part of the work entrusted to us, the root and strength of all other work, we shall see that we need nothing more than to study and practice the art of praying. If I have succeeded in pointing out the progressive teaching of our Lord in regard to prayer, and the distinct reference of His wonderful promises of His last night to the works we are to do in His name - to the greater works and the bearing of much fruit - we shall all admit that only when the church gives herself up to this holy work of intercession can she expect the power of Christ to manifest itself on her behalf. I pray that God will use this book to explain to some of His children the wonderful place of power and influence that He is waiting for them to occupy and that a weary world is waiting for too. - Andrew Murray
