Overview of Smith and Wesson Forums

Smith and Wesson forums are specialized online platforms designed specifically for discussions revolving around Smith & Wesson firearms. These forums typically host a community of firearms enthusiasts, collectors, gunsmiths, and experts who share knowledge and experiences related to the brand's extensive product line. The forums vary in size and scope, ranging from general firearm discussion boards to niche groups focusing exclusively on specific models or types of Smith & Wesson guns. Many forums provide categorized sections for topics such as revolvers, semi-automatic pistols, historical firearms, and aftermarket accessories.

Types of Forums Available

There are various types of smith and wesson forums available, catering to different user needs and interests:

- **General Firearm Forums:** Sections dedicated to Smith & Wesson within broader firearm discussion sites.
- **Brand-Specific Forums:** Entire forums focused solely on Smith & Wesson products, history, and news.
- **Collector Communities:** Groups that emphasize antique and limited edition Smith & Wesson firearms.
- **Technical and Maintenance Forums:** Platforms concentrating on repair, customization, and gunsmithing advice.
- **Shooting and Training Forums:** Discussions about shooting techniques, competitions, and training with Smith & Wesson firearms.

Popular Discussion Topics

Within Smith and Wesson forums, certain topics consistently attract high levels of participation and interest. These topics reflect the varied interests of the community and provide valuable content for both newcomers and seasoned members alike.

Model Reviews and Comparisons

Members frequently share detailed reviews and comparisons of different Smith & Wesson models, including revolvers like the Model 686 and semi-automatic pistols such as the M&P series. Discussions often cover performance, reliability, ergonomics, and suitability for self-defense or competition shooting.

Maintenance and Troubleshooting

Proper care and maintenance are critical to firearm longevity and safety. Forum participants exchange advice on cleaning techniques, part replacements, and diagnosing common issues. This section also includes tips for disassembly and reassembly, as well as recommendations for gunsmith services.

Accessories and Modifications

Customization is a popular topic within Smith and Wesson forums. Users discuss aftermarket sights, grips, triggers, and holsters compatible with various Smith & Wesson firearms. These conversations help members optimize their firearms for specific purposes, whether for concealed carry, target shooting, or hunting.

Historical and Collectible Firearms

Smith & Wesson's extensive history provides rich material for collectors and history enthusiasts. Forums often feature threads dedicated to vintage models, production history, and the identification of

rare or limited edition firearms.

Legal and Safety Information

Given the evolving nature of firearm laws, many forums include discussions on legal compliance, concealed carry regulations, and safe handling practices to ensure responsible ownership of Smith & Wesson firearms.

Benefits of Joining a Smith and Wesson Forum

Participating in a smith and wesson forum offers numerous advantages that enhance the ownership experience and foster a sense of community among firearm enthusiasts.

Access to Expert Knowledge

Forums provide direct access to experts, including gunsmiths, competitive shooters, and seasoned collectors, who share their insights and help troubleshoot problems.

Community Support and Networking

Members benefit from a supportive environment where they can connect with like-minded individuals, exchange stories, and even arrange meetups or shooting events.

Up-to-Date Industry News

Forum discussions often include the latest news on Smith & Wesson product releases, recalls, and technological advancements, keeping members informed and prepared.

Marketplace Opportunities

Many smith and wesson forums feature classified sections where members can buy, sell, or trade firearms and related accessories within a trusted community.

How to Participate Effectively

Maximizing the benefits of a smith and wesson forum requires active and respectful participation. Understanding the platform's features and community norms is essential.

Registering and Setting Up Profiles

Most forums require registration to post and access certain features. Creating a detailed profile often helps other members understand your interests and expertise level.

Engaging in Discussions

Effective participation involves asking clear questions, providing thoughtful responses, and contributing valuable information. Reading forum rules before posting ensures compliance and smooth interactions.

Utilizing Search Functions

Before starting new threads, members are encouraged to use the forum's search features to find existing discussions that may address their questions or topics of interest.

Contributing Original Content

Sharing personal reviews, photos, and detailed guides enriches the forum and establishes credibility within the community.

Forum Etiquette and Rules

Maintaining a positive and productive environment is a priority for smith and wesson forums. Members must adhere to established etiquette and rules.

Respectful Communication

Discussions should remain civil and respectful, avoiding inflammatory language, personal attacks, or off-topic arguments.

Compliance with Legal Standards

Forums enforce strict policies against sharing illegal content or encouraging unlawful behavior, reflecting the importance of responsible firearm ownership.

Proper Use of Forum Sections

Posting content in the correct categories ensures that discussions remain organized and relevant, facilitating easier navigation and information retrieval.

Privacy and Security Considerations

Members are advised not to share sensitive personal information and to respect the privacy of others to maintain a safe online environment.

Resources and Additional Support

Smith and wesson forums often provide a wealth of additional resources to support members beyond

the discussion boards themselves.

Instructional Guides and Manuals

Many forums host downloadable user manuals, maintenance guides, and instructional videos tailored to Smith & Wesson firearms.

Event Announcements and Training Opportunities

Information about upcoming shooting competitions, training courses, and firearm safety classes is commonly shared within the community.

Links to Official Smith & Wesson Information

Forums may curate lists of official Smith & Wesson websites, customer service contacts, and authorized dealers for easy member reference.

Community Projects and Initiatives

Some forums organize group buys, restoration projects, or charitable efforts that engage members in collaborative activities related to Smith & Wesson firearms.

Smith & Wesson Forum: A Deep Dive into the World's Leading Firearms Manufacturer

Author: Dr. Mark Johnson, Firearms Expert & SEO Specialist

Ebook Outline:

Introduction: The legacy of Smith & Wesson and the importance of online communities.

Chapter 1: Navigating the Smith & Wesson Forum Landscape: Types of forums, finding reputable sources, and understanding forum etiquette.

Chapter 2: Troubleshooting and Maintenance: Discussions on common firearm issues, repair advice, and maintenance tips.

Chapter 3: Ammunition and Accessories: Forum conversations on compatible ammunition, aftermarket parts, and accessories.

Chapter 4: Legal and Safety Considerations: Discussions on firearm laws, safe handling practices, and responsible gun ownership.

Chapter 5: Collecting and Investing: Insights into collecting Smith & Wesson firearms, market trends, and investment strategies.

Chapter 6: Community and Networking: Building relationships with fellow enthusiasts, sharing knowledge, and finding local shooting groups.

Chapter 7: Understanding Forum Dynamics: Identifying misinformation, handling disagreements respectfully, and contributing constructively.

Conclusion: The value of online forums for Smith & Wesson owners and enthusiasts.

Smith & Wesson Forum: A Deep Dive into the World's Leading Firearms Manufacturer

The world of firearms is complex, demanding both practical knowledge and a keen understanding of relevant regulations. For owners and enthusiasts of Smith & Wesson firearms—a name synonymous with American firearm history and innovation—online forums serve as invaluable resources. These digital spaces provide a platform for users to connect, share experiences, troubleshoot problems, and engage in a dynamic exchange of information. This ebook delves into the multifaceted world of Smith & Wesson forums, exploring their significance, navigating their intricacies, and emphasizing the importance of responsible participation.

Chapter 1: Navigating the Smith & Wesson Forum Landscape

The internet offers a plethora of forums dedicated to Smith & Wesson firearms. However, discerning quality from questionable information is crucial. Some forums are dedicated solely to specific Smith & Wesson models (e.g., the M&P Shield forum), while others encompass the entire product line. Reputable forums often feature a strong moderation system, clearly defined rules of conduct, and a focus on factual information. Identifying these key elements is the first step in effectively utilizing these online communities.

Key Aspects of Forum Navigation:

Identifying Reputable Forums: Look for forums with active moderators, clear community guidelines, and a history of constructive discussions. Beware of forums riddled with inflammatory language, unsubstantiated claims, or aggressive behavior. Check reviews and user testimonials before committing your time and energy.

Understanding Forum Etiquette: Online forums have unwritten rules. Always be respectful of other users, even when disagreeing. Avoid inflammatory language, personal attacks, and unsolicited advice. Before posting a question, use the search function to see if it has already been addressed. Proper grammar and spelling improve clarity and readability.

Effective Search Techniques: Utilize forum search functions effectively. Use precise keywords related to your issue or question. Experiment with different search terms to broaden your results. Review post titles and summaries before opening each thread.

Chapter 2: Troubleshooting and Maintenance

Smith & Wesson forums are treasure troves of troubleshooting information. Users often share their experiences with malfunctions, repairs, and maintenance procedures. This collective knowledge can save you time and money, preventing potentially costly mistakes.

Common Troubleshooting Topics:

Malfunctions: Discussions on common firearm malfunctions (e.g., failure to feed, failure to extract)

and their potential causes. Users often share solutions, suggesting adjustments or repairs.

Cleaning and Lubrication: Detailed guides on proper cleaning and lubrication techniques are readily available. Users often debate the merits of different cleaning solvents and lubricants.

Repair Advice: While professional gunsmith services are recommended for complex repairs, forums offer insights into minor adjustments and fixes that can be performed safely at home. However, always prioritize safety and consult professional resources when uncertain.

Chapter 3: Ammunition and Accessories

Choosing the right ammunition and accessories is vital for optimal performance and safety. Smith & Wesson forums provide a platform to discuss ammunition compatibility, accessory reviews, and performance comparisons.

Key Discussions Within This Area:

Ammunition Compatibility: Discussions on the suitability of different ammunition types for specific Smith & Wesson models. Users share their experiences with various brands and grains, noting accuracy and reliability.

Accessory Reviews: Users often review and rate various aftermarket parts and accessories, sharing their experiences with holsters, sights, grips, and other enhancements.

Performance Comparisons: Forums provide a space to compare the performance of different ammunition types and accessories, assisting users in making informed purchasing decisions.

Chapter 4: Legal and Safety Considerations

Responsible gun ownership encompasses a thorough understanding of applicable laws and safe handling practices. Smith & Wesson forums often include discussions on legal issues, safe storage, and responsible gun handling.

Crucial Legal and Safety Aspects:

Firearm Laws: While legal advice should always come from a qualified attorney, forums can provide insights into relevant state and federal regulations. Users often share experiences related to licensing, registration, and legal compliance.

Safe Handling Practices: Forums emphasize the importance of safe gun handling, storage, and transportation. Discussions often cover safe storage solutions, proper cleaning procedures, and responsible range etiquette.

Responsible Gun Ownership: Forums promote responsible gun ownership by encouraging users to adhere to safety protocols, respect laws, and participate in training courses.

Chapter 5: Collecting and Investing

Smith & Wesson firearms have a rich history, making them attractive to collectors and investors. Forums provide a platform to discuss collecting strategies, market trends, and investment opportunities.

Key Aspects of Collecting and Investing:

Identifying Valuable Models: Experienced collectors often share their knowledge on identifying rare or valuable Smith & Wesson models, discussing factors that influence collectibility and value.

Market Trends: Forums offer insights into market trends for Smith & Wesson firearms, allowing collectors and investors to make informed decisions.

Investment Strategies: Users often discuss investment strategies, sharing their experiences with buying, selling, and holding Smith & Wesson firearms as investments.

Chapter 6: Community and Networking

Smith & Wesson forums facilitate the formation of a strong sense of community among enthusiasts. These spaces allow users to connect with like-minded individuals, share their experiences, and find local shooting groups.

Building Community and Networks:

Sharing Experiences: Users often share their experiences with Smith & Wesson firearms, creating a sense of camaraderie and mutual support.

Finding Local Groups: Forums can be used to connect with local shooting groups, providing opportunities for networking, skill development, and safe shooting practice.

Mentorship and Knowledge Sharing: Experienced users often mentor newcomers, sharing their expertise and assisting in troubleshooting issues.

Chapter 7: Understanding Forum Dynamics

Understanding forum dynamics is key to maximizing your experience and contributing positively to the community. This includes identifying misinformation, handling disagreements constructively, and contributing valuable insights.

Navigating Forum Dynamics:

Identifying Misinformation: Not all information on forums is accurate. Learning to identify misinformation and unreliable sources is crucial for responsible participation. Cross-referencing information with reputable sources is highly recommended.

Handling Disagreements Respectfully: Disagreements are inevitable in online forums. Maintaining a respectful tone and avoiding personal attacks is vital for productive discussions.

Contributing Constructively: Contributing thoughtful and insightful posts enhances the value of the forum for all users. Sharing your experiences, offering assistance, and engaging in respectful debate strengthens the community.

Conclusion: The Value of Online Forums for Smith & Wesson Owners and Enthusiasts

Smith & Wesson forums provide an invaluable resource for owners and enthusiasts of these renowned firearms. From troubleshooting malfunctions to learning about legal considerations and connecting with fellow enthusiasts, these online communities offer a wealth of information and support. By understanding forum dynamics, participating respectfully, and critically evaluating information, users can harness the power of these platforms to enhance their firearm ownership experience.

FAQs

1. Are all Smith & Wesson forums equally reputable? No, some forums are better moderated and more focused on factual information than others. It's crucial to research and select reputable forums.
2. What if I encounter misinformation on a forum? Always cross-reference information with reputable sources, such as the Smith & Wesson website or qualified gunsmiths.
3. How can I contribute positively to a Smith & Wesson forum? By sharing your experiences, offering helpful advice, and engaging in respectful discussions.
4. Is it safe to discuss gun modifications on forums? Yes, but only if the modifications are legal and safe. Always prioritize safety and adhere to local regulations.
5. What should I do if I encounter harassment or abusive behavior on a forum? Report the behavior to the forum moderators.
6. Are there forums specific to certain Smith & Wesson models? Yes, many forums are dedicated to specific models, allowing for focused discussions on those particular firearms.
7. Can forums help with finding parts for older Smith & Wesson guns? Yes, forums can be great resources for finding parts, often connecting owners with sources for hard-to-find components.
8. Should I take all advice from forums as definitive fact? No, treat forum advice as suggestions and always consult professional sources for critical decisions, especially regarding firearm safety and repairs.
9. How can I find a local shooting group through a Smith & Wesson forum? Many forums have sections for regional discussions where members can connect and find local shooting groups.

smith and wesson forum: Standard Catalog of Smith & Wesson Jim Supica, Richard Nahas, 2001 More than 775 models of Smith & Wesson guns produced since 1857 are listed according to model and year of manufacture with updated prices in up to five grades of condition. Includes a range of serial numbers for each year of manufacture. This is the most comprehensive list of Smith & Wesson products and prices available.

smith and wesson forum: Ghost Fred Burton, 2009-06-09 In this hard-hitting memoir, Fred Burton, a key figure in international counterterrorism and domestic spycraft, emerges from the shadows to reveal who he is, what he has accomplished, and the threats that lurk unseen except by an experienced, worldly-wise few. Plunging readers into the murky world of violent religious extremism that spans the streets of Middle Eastern cities and the informant-filled alleys of American slums, Burton takes us behind the scenes to reveal how the United States tracked Libya-linked master terrorist Abu Nidal; captured Ramzi Yusef, architect of the 1993 World Trade Center bombing; and pursued the assassins of major figures including Yitzhak Rabin, Meir Kahane, and General Muhammad Zia-ul-Haq, the president of Pakistan—classic cases that have sobering new meaning in the treacherous years since 9/11. Here, too, is Burton's advice on personal safety for today's most powerful CEOs, gleaned from his experience at Stratfor, the private firm Barron's calls "the shadow CIA." Told in a no-holds-barred, gripping, nuanced style that illuminates a complex and driven man, *Ghost* is both a riveting read and an illuminating look into the shadows of the most important struggle of our time.

smith and wesson forum: Standard Catalog of Smith & Wesson Jim Supica, Richard Nahas, 2007-01-03 Smith & Wesson outfitted some of the biggest and boldest gunfighters, both actual and fictional, including Wild Bill Hickock, Buffalo Bill and Dirty Harry, whose exploits are still legendary. Today a renewed Smith & Wesson corporation is back in the front of the pack. Standard Catalog of Smith & Wesson, 3rd Edition combines full color photos with details collectors need to identify and better appreciate all Smith & Wesson firearms. For fans of Smith & Wesson firearms, this book is a must-have. This work provides easy-to-locate listings organized by model and year of manufacture to quickly and accurately identify firearms. With more than 775 models of Smith & Wesson guns and variations, including many models not found in other firearm-pricing guides, this is the book for any Smith & Wesson gun-toting fan.

smith and wesson forum: Smith & Wesson Roy G. Jinks, Sandra C. Krein, 2006 Horace Smith and Daniel Baird Wesson shared a dream of manufacturing a firearm that could fire repeatedly, using a new and self-contained cartridge. In 1852, the dream became a reality with the founding of Smith & Wesson Firearms Company. Over the next 154 years, the company grew to be one of the most innovative and respected firearms manufacturers in the world. The story of Smith & Wesson is not only about two knowledgeable and enterprising men but also the story of generations of creative and dedicated men and women. The spirit of innovation generated by the partners has long outlived them. Today Smith & Wesson is synonymous with quality, performance, and durability. Smith &

Wesson explores the company history, its people, and significant products from the partners' first venture in 1852 to the sale of the Wesson family business in 1965. This book features rarely seen historical photographs, advertisements, and company documents culled from the company archives, museums collections, and the private collections of Smith & Wesson collectors.

smith and wesson forum: *The Secrets of Double Action Shooting* Robert M. Nichols, 1950

smith and wesson forum: *No Second Place Winner* Bill Jordan, William Henry Jordan, 1989-06-01 Discusses grips, calibers, loads, and the care and fitting of a holster, and looks at the keys to the fast draw and successful gunfighting

smith and wesson forum: *Sixguns* Elmer Keith, In this comprehensive guide, renowned firearms expert Elmer Keith shares his vast knowledge and experience with sixguns, covering everything from their history and development to their practical applications in hunting, self-defense, and target shooting. With detailed information on various models, ammunition, and shooting techniques, *Sixguns* is an essential resource for both novice and experienced shooters alike. Whether you're a collector, a hunter, or simply a firearms enthusiast, this book will deepen your understanding and appreciation of these iconic weapons.

smith and wesson forum: *The Snubby Revolver* Ed Lovette, 2021-03-08

smith and wesson forum: *Iver Johnson's Arms & Cycle Works Firearms 1871-1993* William E. Goforth, 2006-01-01

smith and wesson forum: *Fast and Fancy Revolver Shooting* Ed McGivern, 1975-01-01

smith and wesson forum: *Smith & Wesson Hand Guns* Roy C. McHenry, Walter F. Roper, 2013-06-01 "The story of Smith & Wesson handguns and their evolution is one of the hallowed tales of American firearms' history," according to the firearms writer Jim Casada. Anyone who collects Smith & Wessons or is simply interested in their backstory will cherish this book. Though originally published in 1945, more than half a century ago, *Smith & Wesson Hand Guns* remains the source for Smith & Wesson enthusiasts. It is an authoritative reference and has remained, for over five decades, the cornerstone upon which Smith & Wesson research rests. This work is foundational, supported by sixty-three detailed illustrations showing the handguns, the unique hammer mechanism, and facsimile reproductions of vintage advertising copy. The first twenty-four chapters of the book, which tell the story of Smith and Wesson and the development of Smith & Wesson handguns, are very informative. After the reader becomes familiar with Smith and Wesson's history together, as well as their creation of a business, illustrations exhibiting Smith & Wesson handguns will show rather than tell of their magnificence. Finally, descriptions of different caliber guns are given, where readers will gain invaluable information regarding Smith & Wesson handguns. For any Smith & Wesson enthusiast or collector, this work is impossible to put down.

smith and wesson forum: *Glock* Paul M. Barrett, 2013-01-15 The Glock pistol is America's Gun. It has been rhapsodized by hip-hop artists and coveted by cops and crooks alike. Created in 1982 by Gaston Glock, the pistol arrived in America at a fortuitous time. Law enforcement agencies had concluded that their agents and officers, armed with standard six-round revolvers, were getting outgunned by drug dealers with semi-automatic pistols; they needed a new gun. With its lightweight plastic frame and large-capacity spring-action magazine, the Glock was the gun of the future. You could drop it underwater, toss it from a helicopter, or leave it out in the snow, and it would still fire. It was reliable, accurate, lightweight, and cheaper to produce than Smith and Wesson's revolver. Filled with corporate intrigue, political maneuvering, Hollywood glitz, bloody shoot-outs—and an attempt on Gaston Glock's life by a former lieutenant—*Glock* is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public, but also a compelling chronicle of the evolution of gun culture in America.

smith and wesson forum: *Simson Lugers* Edward B. Tinker, Graham K. Johnson, 2007-01-01

smith and wesson forum: *The History of Smith and Wesson Firearms* Dean K. Boorman, 2002 This fascinating book provides a detailed history of one of the most famous, and controversial, firearms manufacturers, and its products. Smith & Wesson, founded in 1852 by two men, Horace Smith and Daniel B. Wesson who shared a dream of developing a new type of firearm. Their ideas

moved firearms manufacturing out of the muzzle-loading era that had dominated the industry since the invention of the hand cannon in the 14th century. Complete with more than 200 full-colour photographs, this stunning book describes the range of Smith & Wesson firearms in detail, and features cutaway drawings to show the mechanisms, along with detailed technical evaluations. As well as being of interest to enthusiasts and historians, it will be an excellent reference work and an invaluable guide for collectors.

smith and wesson forum: The Perfect Pistol Shot Albert H. League III, 2011-11-01 You will either master the pistol or the pistol will master you. To fire perfect shots, you must train for perfect shots. But whether you want to shoot squirrels, punch holes in paper targets, or defend your home, there is only one path to achieving consistent accuracy with a handgun: mastering the fundamentals of marksmanship. Written by a former U.S. Marine Corps firearms instructor who has taught more than a thousand law enforcement, military, and security personnel, *The Perfect Pistol Shot* uses succinct lessons, uncommon exercises, and real-world stories to provide a fresh look at a vital topic for all gunmen. It includes: The single most important trick to perfecting handgun marksmanship A simple concept for learning how to shoot a gun twice as fast A series of unique Prove It exercises that allow you to test the concepts offered without the pressure of actual shooting An entertaining chapter on guns, gun magazines, and gun gurus that will help you make wiser choices about your training Knowing how to engage targets is valuable for the defensive shooter, but if engaging doesn't translate into hitting, what's the point? You must have a solid foundation on which to build tactical skills. Your reward will be conversion from just another hapless shooter into an independent marksman.

smith and wesson forum: The United States Federal Air Marshal Service Clay Biles, 2013-01-01 A History of the U.S. Federal Air Marshal Service

smith and wesson forum: Ruger & His Guns, 2000

smith and wesson forum: The Last Sheriff in Texas James P. McCollom, 2018-11-13 An Amazon Best History Book of the Month This true crime story transports readers to a tumultuous time in Texas history—when the old ways clashed with the new—as it sheds light on police brutality, gun control, Mexican American civil rights, and much more “[A] riveting story of a time when sheriffs could get away with murder.” —Dallas Morning News Beeville, Texas, was the most American of small towns—the place that GIs had fantasized about while fighting through the ruins of Europe, a place of good schools, clean streets, and churches. Old West justice ruled, as evidenced by a 1947 shootout when outlaws surprised popular sheriff Vail Ennis at a gas station and shot him five times, point-blank, in the belly. Ennis managed to draw his gun and put three bullets in each assailant; he reloaded and shot them three times more. Time magazine’s full-page article on the shooting was seen by some as a referendum on law enforcement owing to the sheriff’s extreme violence, but supportive telegrams from across America poured into Beeville’s tiny post office. Yet when a second violent incident threw Ennis into the crosshairs of public opinion once again, the uprising was orchestrated by an unlikely figure: his close friend and Beeville’s favorite son, Johnny Barnhart. Barnhart confronted Ennis in the election of 1952: a landmark standoff between old Texas, with its culture of cowboy bravery and violence, and urban Texas, with its lawyers, oil institutions, and a growing Mexican population. The town would never be the same again. *The Last Sheriff in Texas* is a riveting narrative about the postwar American landscape, an era grappling with the same issues we continue to face today. Debate over excessive force in law enforcement, Anglo-Mexican relations, gun control, the influence of the media, urban-rural conflict, the power of the oil industry, mistrust of politicians and the political process—all have surprising historical precedence in the story of Vail Ennis and Johnny Barnhart.

smith and wesson forum: Quantitative Ammunition Selection Charles Schwartz, 2012-06-08 In *Quantitative Ammunition Selection*, Charles Schwartz presents an accessible mathematical model that allows armed professionals and lawfully-armed citizens to evaluate the terminal ballistic performance of self-defense ammunition using water as a valid ballistic test medium. Based upon a modified fluid dynamics equation that correlates highly ($r=+0.94$) to more than 800 points of

manufacturer- and laboratory-test data, the quantitative model allows the armed professional to generate ballistic test results equivalent to those obtained in calibrated 10 percent ordnance gelatin. Using data generated from water tests, the quantitative model accurately predicts the permanent wound cavity volume and mass, terminal penetration depth (+/- 1cm), and exit velocity of handgun projectiles as these phenomena would occur in calibrated 10 percent ordnance gelatin and soft tissue. A retired law enforcement professional, Schwartz provides a concise explanation of the relevant principles of mechanics, fluid dynamics, and thermodynamics pertaining to the model and its derivation. The quantitative model is clearly presented with illustrated computational examples that provide guidance to the armed professional in every aspect of the model's application.

smith and wesson forum: Antique Firearms Assembly/Disassembly David Chicoine, 2005-09-28
Tips from the Master Gunsmith You Won't Find Anywhere Else! & break;& break; For the collector, for the hobbyist, for the amateur gunsmith, Antique Firearms Assembly/Disassembly is an invaluable reference tool. smith and wesson forum: Holstory Red Nichols, John Witty, 2021-10-14 Dear reader: this is an unabashed picture book about gunleather. In particular, it is about the innovative holsters that were created by American men and women during the 20th century; specifically, during the saeculum 1905 to 1985 because that's when all the heavy lifting was done. And it's about their linkages . . . 'A Texas Ranger, born 1844, married a woman who, after she was widowed then married a Texas saddler 1908. 'That saddler in Austin employed a clerk who in 1912 began building unique holsters for the Texas Rangers. 'And that clerk, born 1872, bore a son in 1896 whose daughter married the Governor of Texas in 1940. 'That bride escaped the bullets fired at the President's car as she rode with him in November 1963. 'They were the McNellys, the Wroes, the Brills and the Kennedys.' 'Holstory' - a term the authors coined so they wouldn't be typing 'holster history' over and over again - is filled with just these kinds of linkages amongst real gunfighting lawmen like Capt. Leander McNelly and officer Tom Threepersons of Texas; D.A. 'Jelly' Bryce and J.C. 'Doc' White of the F.B.I.; and the gunleather makers like Sam D. Myres of Texas and Hermann H. Heiser of Colorado who supplied them. It's a tale that's never been told in quite this way. It is thoroughly researched and heavily footnoted so that you can delve deeper if you like. There are lots of full-color pictures of gunleather collectibles. This is the Book of Holstory that you've been waiting for.

smith and wesson forum: To Ride, Shoot Straight, And Speak The Truth Jeff Cooper, 1998-03-01 Combat mind-set, proper sighting, tactical residential architecture, nuclear war - these are some of the many subjects explored by Jeff Cooper in this illustrated anthology. The author

discusses various arms, fighting skills and the importance of knowing how to defend oneself, and one's honor, in our rapidly changing world.

smith and wesson forum: Winchester Slide Action Rifles Ned Schwing, 2004 Originally published in two volumes. Iola, WI: Krause Publications, c1992-c1993.

smith and wesson forum: *The Whitney Navy Revolver* Daniel E. Williams, 2012 This book is primarily a reference for the most famous revolver manufactured by Eli Whitney, Jr. during the late-1850s and throughout the American Civil War. The Whitney Navy Revolver documents the results of a two-year research project and provides clear and current information on the various models and types. A thorough description along with photographs of each model and type of Whitney Navy revolver is found in this book. In addition to serving as a reference work, this book provides a brief history of the firearms development and marketing efforts of Eli Whitney, Jr. along with extensive information on the use of his revolvers by both the North and South during the Civil War. Photographs of Union and Confederate soldiers with Whitney revolvers are included, along with a photograph of the Whitney revolver used by Confederate cavalry commander, General JEB Stuart. Much additional information is found in this book, including photographs of engraved revolvers, cartridge conversion models, and other revolvers that were copies of the Whitney Navy revolver. This book is a must for collectors and students of historical firearms.

smith and wesson forum: *U.S. Handguns of World War II* Charles W. Pate, 1998-01-01

smith and wesson forum: *Save me from the Lion's Mouth* James Clarke, 2013-09-18 *Save Me From the Lion's Mouth* investigates the increasing conflict between people and wildlife in Africa and what needs to be done about it. It describes the human suffering and perceptions of those who live outside the reserve fences among man-eaters and marauders yet are excluded from the economic benefits accruing from the wildlife around them. It provides evidence of a growing resentment among rural communities, especially near game reserves and warns how it is threatening the existence of Africa's game reserves. The book suggests that many in the Northern Hemisphere who support African wildlife conservation are blind to the seriousness of the situation. Some African states - notably Kenya and Tanzania - adopt wildlife policies to please donor countries from whom they receive millions of dollars. Thus government policies, many of them patently disastrous and certainly detrimental to rural Africans and to wildlife, are dictated from middle class homes across Europe and America. Fortunately there is a growing international lobby that is seeking solutions.

smith and wesson forum: *Forum and Column Review* , 1928

smith and wesson forum: *An Evil Day in Georgia* Robert Neil Smith, 2015-04-15 Follows a homicide case committed in Georgia in 1927 from the crime to the executions of those convicted of the crime almost a year later. Along the way, the narrative highlights a number of issues impacting the death penalty process, many of which are still relevant in the modern era of capital punishment in the United States ... Moreover, the case in question illustrates a range of themes prevalent in post-Progressive Georgia and brings them together to create a broader narrative. Thus, issues of race, class, and gender emerge from what was supposed to be a neutral process; ... demonstrates that capital punishment cannot be administered in an untainted fashion, but its finality demands that it must be--From Athenaeum@UGA website.

smith and wesson forum: *Mysterious Writers* Jean Henry Mead, 2010-07-31 Mystery novels are published in a number of subgenres to satisfy the tastes of every reader. Not only do we have the traditional mystery—also known as the cozy—there are historicals, suspense and thriller novels, crime, police procedurals, private eyes and senior sleuths (also known as “geezer lit”). Then there are medical thrillers, romantic suspense as well as science fiction mysteries and the niche novels that cover endless subjects. The mystery writers interviewed here have written articles about

various aspects of publishing, including writing techniques, marketing, promotional advice and their opinions on the current state of the publishing industry. Carolyn Hart, bestselling author of the Henrie O and Death on Demand series, talks about her new protagonist, Bailey Ruth Raeburn, who returns to earth as a ghost to anonymously solve mysteries. Jeffrey Deaver's varied careers prepared him to write insightful as well as thrilling novels, John Gilstrap explains why some bestselling novelists hold down fulltime jobs, and Rick Mofina provides sixteen great tips for writing thriller novels. A number of Canadian and UK authors share their publishing views as well as comparing books from their own countries with those of the U.S. suspense novelist Paul Johnston writes from his native Scotland as well as his home in Greece while Tim Hallinan divides his time between Thailand, Cambodia, and southern California, writing much of his work in Bangkok cafés. Gillian Phillip writes YA mystery novels from Barbados and her native Scottish highlands, and international airline pilot Mark W. Danielson composes his suspense novels during layovers in various parts of the world, while S. J. Bolton thrills us with snakes and other creepy creatures in and from the British Isles. English native Carola Dunn writes historical mysteries about her countrymen as does Rhys Bowen, who writes about historical English royals. Other historical novelists include Larry Karp, who provides us with the history of Ragtime music and the people who made the genre popular during its heyday and Beverle Graves Myers delves into operatic mysteries set in 18th century Venice. The work of several writing teams inhabits this book, including Eric Mayer and Mary Reed, who pen historical mysteries. Mark and Charlotte Phillips write suspense novels, and Morgan St. James and her sister Phyllice Bradner collaborate on humorous mysteries. Jeff Cohen, Tim Maleeny, and Carl Brookins also add humor to their mysterious plots, so prepare to laugh when you open their books. There are police procedurals, medical thrillers and romantic suspense novelists represented here as well as niche mysteries designed for readers who love dogs, scrapbooking, zoos, the Arizona desert, space shuttles, weight-loss clinics, actors, designer gift baskets and other specialty subjects. Nonfiction books about the mystery genre round out this eclectic collection with Edgar winner E.J. Wagner, Agatha winner Chris Roerden, Lee Lofland, Jeffrey Marks, and small press publishers Vivian Zabel and Tony Burton. The advice offered here is invaluable to fledgling writers, so pull up a comfortable chair and begin the mysterious tour of nearly every subgenre.
