A regular visitor to nightclubs at the age of 12, she soon became a drug addict and a member of a girl gang. By the age of 15 she found herself sentenced to eight months in a juvenile detention center. Adulthood brought big bucks and glamour when Tendo started working as a bar hostess during Japan's booming bubble economy of the nineteen- eighties. But among her many rich and loyal patrons there were also abusive clients, one of whom beat her so badly that her face was left permanently scarred. When her mother died, Tendo plunged into such a deep depression that she tried to commit suicide twice. Tendo takes us through the bad times with warmth and candor, and gives a moving and inspiring account of how she overcame a lifetime of discrimination and hardship. Getting tattooed, from the base of her neck to the tips of her toes, with a design centered on a geisha with a dagger in her mouth, was an act that empowered her to start making changes in her life. sister souljah midnight pdf: *The Conversation* Hill Harper, 2009-09-08 In his first book for adults, the New York Times bestselling author sparks honest dialogues between men and women, in the tradition of Steve Harvey's *Act Like a Lady, Think Like a Man*. Only 34 percent of African-American children today are raised in two-parent households, a sharp contrast to 1966, when 85 percent of black children were raised by two parents. In provocative but heartfelt words, Hill Harper takes on these urgent challenges, bringing a variety of issues out of the shadows. In *The Conversation*, Harper speaks to women and men with clear-eyed perspective, covering topics such as: • The roots of the breakdown in the black family • The myth that there are no mature, single, black male professionals • What women can do to alleviate the heaviness they sometimes attach to dating • What men can do to break the cycle of being a player • The difference between sex and intimacy • Bridging the communication gap • Self-worth and net worth, and why you should never settle for an unworthy partner Capturing the conversations Harper and his friends frequently have, this book is destined to be one of Harper's most healing contributions.

sexy little reporter who wanders into his club dares to do exactly that. Holly Storm already knows too much about his kind, and Niol has no wish to help her get in deeper over her head. But working alongside her may be the only way to stop a killer, even as it ignites a primal desire unlike anything he's known. Holly has seen firsthand what Niol is capable of, but that doesn't frighten her nearly as much as her body's instinctive reaction to him, or the wild, fierce passion that would tempt her to follow him through hell itself. Something evil and relentless is prowling the streets of Atlanta. And as Holly's search leads her into danger that even Niol could never have predicted, she'll uncover a secret that could rip her world apart.... sister souljah midnight pdf: More Brilliant than the Sun Kodwo Eshun, 2020-02-04 The classic work on the music of Afrofuturism, from jazz to jungle *More Brilliant than the Sun: Adventures in Sonic Fiction* is one of the most extraordinary books on music ever written. Part manifesto for a militant posthumanism, part journey through the unacknowledged traditions of diasporic science fiction, this book finds the future shock in Afrofuturist sounds from jazz, dub and techno to funk, hip hop and jungle. By exploring the music of such musical luminaries as Sun Ra, Alice Coltrane, Lee Perry, Dr Octagon, Parliament and Underground Resistance, theorist and artist Kodwo Eshun mobilises their concepts in order to open the possibilities of sonic fiction: the hitherto unexplored intersections between science fiction and organised sound. Situated between electronic music history, media theory, science fiction and Afrodiasporic studies, *More Brilliant than the Sun* is one of the key works to stake a claim for the generative possibilities of Afrofuturism. Much referenced since its original publication in 1998, but long unavailable, this new edition includes an introduction by Kodwo Eshun as well as texts by filmmaker John Akomfrah and producer Steve Goodman aka kode9.

sister souljah midnight pdf: Displacement, Diaspora, and Geographies of Identity Smadar Lavie, Ted Swedenburg, 1996-06-13 *Displacement, Diaspora, and Geographies of Identity* challenges conventional understandings of identity based on notions of nation and culture as bounded or discrete. Through careful examinations of various transnational, hybrid, border, and diasporic forces and practices, these essays push at the edge of cultural studies, postmodernism, and postcolonial theory and raise crucial questions about ethnographic methodology. This volume exemplifies a cross-disciplinary cultural studies and a concept of culture rooted in lived experience as well as textual readings. Anthropologists and scholars from related fields deploy a range of methodologies

and styles of writing to blur and complicate conventional dualisms between authors and subjects of research, home and away, center and periphery, and first and third world. Essays discuss topics such as Rai, a North African pop music viewed as westernized in Algeria and as Arab music in France; the place of Sephardic and Palestinian writers within Israel's Ashkenazic-dominated arts community; and the use and misuse of the concept "postcolonial" as it is applied in various regional contexts. In exploring histories of displacement and geographies of identity, these essays call for the reconceptualization of theoretical binarisms such as modern and postmodern, colonial and postcolonial. It will be of interest to a broad spectrum of scholars and students concerned with postmodern and postcolonial theory, ethnography, anthropology, and cultural studies. Contributors. Norma Alarcón, Edward M. Bruner, Nahum D. Chandler, Ruth Frankenberg, Joan Gross, Dorinne Kondo, Kristin Koptiuch, Smadar Lavie, Lata Mani, David McMurray, Kirin Narayan, Greg Sarris, Ted Swedenburg

sister souljah midnight pdf: *The Hip Hop Movement* Reiland Rabaka, 2013-04-04 The Hip Hop Movement offers a critical theory and alternative history of rap music and hip hop culture by examining their roots in the popular musics and popular cultures of the Civil Rights Movement and Black Power Movement. Connecting classic rhythm & blues and rock & roll to the Civil Rights Movement, and classic soul and funk to the Black Power Movement, The Hip Hop Movement explores what each of these musics and movements contributed to rap, neo-soul, hip hop culture, and the broader Hip Hop Movement. Ultimately, this book's remixes (as opposed to chapters) reveal that black popular music and black popular culture have always been more than merely "popular music" and "popular culture" in the conventional sense and reflect a broader social, political, and cultural movement. With this in mind, sociologist and musicologist Reiland Rabaka critically reinterprets rap and neo-soul as popular expressions of the politics, social visions, and cultural values of a contemporary multi-issue movement: the Hip Hop Movement. Rabaka argues that rap music, hip hop culture, and the Hip Hop Movement are as deserving of critical scholarly inquiry as previous black popular musics, such as the spirituals, blues, ragtime, jazz, rhythm & blues, rock & roll, soul, and funk, and previous black popular movements, such as the Black Women's Club Movement, New Negro Movement, Harlem Renaissance, Civil Rights Movement, Black Power Movement, Black Arts Movement, and Black Women's Liberation Movement. This volume, equal parts alternative history of hip hop and critical theory of hip hop, challenges those scholars, critics, and fans of hip hop who lopsidedly over-focus on commercial rap, pop rap, and gangsta rap while failing to acknowledge that there are more than three dozen genres of rap music and many other socially and politically progressive forms of hip hop culture beyond DJing, MCing, rapping, beat-making, break-dancing, and graffiti-writing.
