seraph of the end pdf: The Sovereignty of God A. W. Pink, 2016-10-04 From every pulpit in the land it needs to be thundered forth that God still lives, that God still observes, that God still reigns. Faith is now in the crucible, it is being tested by fire, and there is no fixed and sufficient resting place for the heart and mind but in the throne of God. What is needed now, as never before, is a full, positive, constructive setting forth of the Godhood of God. —A. W. Pink, The Sovereignty of God Who is actually in control of this world? Man? The devil? God? In this unabridged, best-selling classic, A. W. Pink tackles such profound questions in straight-forward language that the average Christian will find not only understandable but totally engaging. Pink explains that God's sovereignty is characterized in creation and in salvation, and then he describes its relationship to human will. Finally, Pink addresses the proper attitude believers should take toward God's sovereignty. Ultimately, Pink strongly believed that true faith rests not in the wisdom of men but in the power of God. Pink was a student of theologians like St. Augustine, St. Aquinas, Calvin, and Jonathan Edwards, and his writing reflects it. Today, he is considered one of the most influential evangelical authors in the twentieth century.

seraph of the end pdf: The Book of Hebrews M.L. Andreasen, 2014-03-24 The book of Hebrews appeared during a critical time in the history of the early church. The destruction of Jerusalem was impending and many of the believers believed the end of the world was near. However, Paul warned the church against entertaining a false hope, for he knew they were misguided with their beliefs. It was a critical time—the apostles were passing away, and soon the church would be left alone. It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort. The people needed a clear conception of the work Christ was doing for them in the courts above, and this book explained the delay in His return, and restored their wavering faith. The conditions and problems which the church then had to meet are not unlike those facing the church today. While the early church was living at the time of the fulfillment of the first part of Christ's prophecy—the destruction of the city of Jerusalem and the temple, we are living at the time of the fulfillment of the second part of the prophecy—the coming of the Lord Jesus in the clouds of heaven. As there was misconceptions of Christ's work in the sanctuary then, so there are those now who likewise err. There is as much need today of a thorough study of the Scriptures as there was then, and more so. The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem, and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today. All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above. And may it be the blessed privilege of many with "boldness to enter into the holiest by the blood of Jesus, by a new and living way, which he hath consecrated for us, through the veil, that is to say, his flesh." (Heb. 10:19, 20.) This was the prayer and hope of the author of Hebrews, and this also is the hope of the author of this volume.

seraph of the end pdf: Exposition of the Christian Faith Saint Ambrose, Aeterna Press, The author praises Gratian's zeal for instruction in the Faith, and speaks lowly of his own merits. Taught of God Himself, the Emperor stands in no need of human instruction; yet this his devoutness prepares the way to victory. The task appointed to the author is difficult: in the accomplishment whereof he will be guided not so much by reason and argument as by authority, especially that of the Nicene Council.

seraph of the end pdf: *Jane Eyre* Charlotte Bronte, 2020-12-10 Initially published under the pseudonym Currer Bell in 1847, Charlotte Brontë's *Jane Eyre* erupted onto the English literary scene, immediately winning the devotion of many of the world's most renowned writers, including William Makepeace Thackeray, who declared it a work of great genius.
