sda church manual 2022 pdf download: *Taken Or Left?* Stephen P. Bohr, 2009-08-13 Two men in the field. One is taken ...the other left. In Matthew 24, Jesus Christ reveals who the lost and the saved will be at the end of time. But what did He mean when He said that some would be taken--and some would be left? For ages prophecy teachers have offered contradictory explanations of this enigmatic passage. The popular rapture theory, for instance, says that those who are left are the unbelievers. Others say differently. But how can we know if one position or another is truly supported by Scripture? Typically, this debate centers exclusively on the context of the passage, yet in this case, context alone can be twisted any number of ways. That's why in this timely study, theologian Stephen Bohr approaches the issue by walking through both the Old and New Testaments to examine how the people in Jesus' time and throughout the Bible would have understood these terms. Step by step, he builds an ironclad case that will carry you to a carefully researched conclusion that you can trust--giving you a powerful foundation that will help open up Bible prophecy to you like never before.

It covers three important related areas: Discipling, Nurturing, and Reclaiming. The secondary, and probably most important, long-term goal is to keep the conversation running and to continue to share and develop best practices to be more effective and efficient in God's mission. We believe this book will give you enough insight about the need to develop more efficient ways to attract and equip new members, as well as sending them to fulfill God's work to make disciples of all nations (Matt. 28:19, NIV).

sda church manual 2022 pdf download: Divine Pattern Adrian Ebens, 2012-01-26 The Divine pattern touches every aspect of our lives and holds the key to joy, peace and harmony within our marriages, communities, churches and all social structures within our world. In the relationship between God and His Son, we behold the key to this divine pattern. The more and more we behold them, love them and pattern our lives after them, the more receptive we become to their channel of blessing in our lives. Before this world began, Satan and his angels moved to obscure the divine pattern and replace it with a counterfeit that would break the circuit of God's boundless love and bring untold misery to the world. Uncover this deceptive counterfeit and see, in the great original divine pattern the key for returning our church to the worship of God and His Son.
