This powerful account of the tragic defeat of the Nez Perce Indians in 1877 by the United States Army is narrated by Chief Joseph's strong and brave daughter. When Sound of Running Feet first sees white settlers on Nez Perce land, she vows to fight them. She'll fight all the people trying to steal her people's land and to force them onto a reservation, including the soldiers with their guns. But if to fight means only to die, never win, is the fight worth it? When will the killing stop?
