Others grapple with intellectual questions regarding scripture, history, or the nature of God that they find unanswered within the existing framework of Islamic belief. seeking allah finding jesus pdf: Answering Jihad Nabeel Qureshi, 2016-03-08 From New York Times bestselling author of *Seeking Allah, Finding Jesus* Nabeel Qureshi—a former Muslim—comes his deeply personal, challenging, and respectful answer book to the many questions surrounding jihad, the rise of ISIS, and Islamic terrorism. San Bernardino was the most lethal terror attack on American soil since 9/11, and it came on the heels of a coordinated assault on Paris. There is no question that innocents were slaughtered in the name of Allah and in the way of jihad (meaning warfare against the enemies of Islam, in this case). But do the terrorists' actions actually reflect the broader religion of Islam? The answer to this question is more pressing than ever, as many Muslim refugees are still migrating to the West, seeking shelter from the violent ideologies of ISIS, Al-Qaida, and other radical Islamic groups. Setting aside speculations and competing voices, Qureshi explores the answers to difficult questions like: What is Islam, and is it a religion of peace or violence? Is there a clear definition and doctrine of jihad? How are we to understand jihad and radical expressions of Islam in relation to our Muslim neighbors and friends? Why is there such a surge of Islamist terrorism in the world today, and how should we respond? How does jihad compare with Old Testament calls to warfare? In *Answering Jihad*, bestselling author Nabeel Qureshi answers these urgent questions from the perspective of a former Muslim who is deeply concerned for both his Muslim family and his American homeland.

seeking allah finding jesus pdf: Fountain of Christianity Hazrat Mirza Ghulam Ahmad, 2008 The Promised Messiah(as) wrote *Fountain of Christianity* in March 1906, in response to the book *Yansbi-ul-Islam*, in which a Christian gentleman has tried to prove that the Holy Quran does not contain any new teachings and that the Holy Prophet(sa) merely copied the narratives from past scriptures-God forbid. The Promised Messiah(as) responded to this objection, first, by raising serious doubts about the authenticity of the Christian Gospels, and then went on to show how the Holy Quran is a unique and peerless book, how so many of its prophecies have been fulfilled, and how its blessings live on to this day. In this small book, the author also argues against the doctrines of Trinity and Atonement held by present-day Christians, and shows that these beliefs have nothing to do with the teachings of Jesus(as) himself. The second part of the book, or Epilogue, consists of a profound thesis on the meaning of true salvation. The Promised Messiah(as) describes salvation as The abiding peace and happiness which man, by his very nature, hungers and thirsts for, and which is achieved through personal love and recognition of God, and through a perfect relationship with Him.

seeking allah finding jesus pdf: *The Islamic Inversion* Robert Sievers, 2018-06-22 Any endeavor to lead Muslims to Christ comes with its own unique frustrations. Attempts to get Muslims into God's Word often seem to go nowhere. Islam generates a steady stream of barricades and firewalls that systematically thwart efforts to share the good news of Jesus Christ. Ironically enough, the hidden opportunities to lead Muslims to Christ may actually be found in the very assaults Muslims make on core Christian doctrines. Islamic theology conforms to a certain pattern of spiritual reversal when contrasted against sound Christian doctrine. By recognizing these patterns, Christians can find new ways to interact with Muslims in a manner that is nonconfrontational without denying the exclusivity and power of the gospel. With prayer and love, the follower of Christ may use these antiparallels, or inversions, to find a unique and peculiar avenue to share the good news with Muslims.

Muslims are compelled by their religion to praise the Creator and to care for their community. But what is not widely known is that there are deep and long-standing connections between Islamic teachings and environmentalism. In this groundbreaking book, Ibrahim Abdul-Matin draws on research, scripture, and interviews with Muslim Americans to trace Islam's preoccupation with humankind's collective role as stewards of the Earth. Abdul-Matin points out that the Prophet Muhammad declared "the Earth is a mosque." Using the concept of Deen, which means "path" or "way" in Arabic, Abdul-Matin offers dozens of examples of how Muslims can follow, and already are following, a Green Deen in four areas: "waste, watts (energy), water, and food."

seeking allah finding jesus pdf: *Jesus was Caesar* Francesco Carotta, 2024-09-23 The question is: Is Jesus Divus Julius? Is Jesus the historical figure of Divus Julius, the god to which Julius Caesar was elevated? The iconography of Caesar does not fit our idea of him. In our minds Caesar is a field marshal and a dictator. However, authentic images portray the idea of the clementia Caesaris, a clement Caesar. Jesus' life is congruent to the life of Caesar. Both Julius Caesar and Jesus began their careers in northern countries: Caesar in Gaul, Jesus in Galilee. Both cross a fatal river: the Rubicon and the Jordan. Both then enter cities; Corfinium and Cafarnaum. Caesar finds Corfinium occupied by a man of Pompey and besieges him, while Jesus finds a man possessed by an impure spirit. There is similarity in structure as well as in place names. People in the stories of Caesar and of Jesus are structurally the same people, even by name and location. Caesar's most famous quotations are found in the gospels in structurally significant places. Julius Caesar, son of Venus and founder of the Roman Empire, was elevated to the status of Imperial God, Divus Julius, after his violent death. The cult that surrounded him dissolved as Christianity surfaced. The cult surrounding Jesus Christ, son of God and originator of Christianity, appeared during the second century. Early historians, however, never mentioned Jesus. Even now, there is no actual proof of his existence. On the one hand, an actual historical figure is missing his cu

I think because we both have several things in common. We believe in the One Creator Who sent many Prophets and in Jesus as the Messiah as well as the Word of God who was denied by the Jews. Our Holy Qur'an mentions in Surah 3:45: [Remember] when the angels said: 'O Mary! Verily Allah gives you the glad tidings of a Word from Him, his name will be Messiah Jesus, the son of Mary, held in honor in this world and in the hereafter, and of those who are near to Allah....' seeking allah finding jesus pdf: *Submission, Faith and Beauty* Joseph E. B. Lombard, Zaytuna Institute, 2008 Summarizing the core beliefs of the Muslim faith, this eye-opening guide counters widely held Western views of Islam as a fierce and fanatical religion by using classical texts to illustrate the truth about three key Islamic principles. Explaining that submission, faith, and beautification complement and complete each other, the study reveals that embodying all three attributes simultaneously is what Muslims strive to achieve in order to meet the Qur'an's definition of fitrah, or true nature. This drastic contrast to many issues and concerns about Muslims--especially the stereotypical attitudes that have arisen since 9/11--is fully explored in the account's quest to foster mutual understanding between cultures. Using a famous encounter between the prophet Muhammad and the angel Gabriel as its outline, this analysis presents a fully holistic view of a world religion that has thrived for more than 1,000 years.
