the autobiography of a yogi pdf: Autobiography of a Yogi Yogananda (Paramahansa), 1956 Autobiography of a Yogi is at once a beautifully written account of an exceptional life and a profound introduction to the ancient science of Yoga and its time-honored tradition of meditation. Profoundly inspiring, it is at the same time vastly entertaining, warmly humorous and filled with extraordinary personages. Self-Realization Fellowship's editions, and none others, include extensive material added by the author after the first edition was published, including a final chapter on the closing years of his life. Selected as One of the 100 Best Spiritual Books of the Twentieth Century, Autobiography of a Yogi has been translated into more than 30 languages, and is regarded worldwide as a classic of religious literature. Several million copies have been sold, and it continues to appear on best-seller lists after more than sixty consecutive years in print. With engaging candor, eloquence, and wit, Paramahansa Yogananda tells the inspiring chronicle of his life: the experiences of his remarkable childhood, encounters with many saints and sages during his youthful search throughout India for an illumined teacher, ten years of training in the hermitage of a revered yoga master, and the thirty years that he lived and taught in America. Also recorded here are his meetings with Mahatma Gandhi, Rabindranath Tagore, Luther Burbank, the Catholic stigmatist Therese Neumann, and other celebrated spiritual personalities of East and West. The author clearly explains the subtle but definite laws behind both the ordinary events of everyday life and the extraordinary events commonly termed miracles. His absorbing life story becomes the background for a penetrating and unforgettable look at the ultimate mysteries of human existence.--Amazon.com.

the autobiography of a yogi pdf: Apprenticed to a Himalayan Master Sri M, 2022-07-18 In this tell-all autobiography, Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains. At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. He started working for a living, fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced. This book reveals the spiritual journey of a young lad from Kerala, who by his sincerity and dedication evolved into a living yogi. Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography. Apprenticed to a Himalayan Master will make for an engaging and riveting read for those interested in the life and teachings of Sri M.

the autobiography of a yogi pdf: The Autobiography Of A Flea Anonymous, 2022-05-29 The Autobiography of a Flea is an unsigned erotic novel. A flea recounts the story of a stunning youthful girl called Bella, whose flourishing sexuality is explored by a number of men and even her best friend Julia.

the autobiography of a yogi pdf: [The Life of Shabkar](#) , 2001-02-06 The Life of Shabkar has long been recognized by Tibetans as one of the masterworks of their religious heritage. Shabkar Tsogdruk Rangdrol devoted himself to many years of meditation in solitary retreat after his inspired youth and early training in the province of Amdo under the guidance of several extraordinary Buddhist masters. With determination and courage, he mastered the highest and most esoteric practices of the Tibetan tradition of the Great Perfection. He then wandered far and wide over the Himalayan region expressing his realization. Shabkar's autobiography vividly reflects the values and visionary imagery of Tibetan Buddhism, as well as the social and cultural life of early nineteenth-century Tibet.

the autobiography of a yogi pdf: The Life of Yogananda Philip Goldber, 2018-04-24 He was called the 20th century's first superstar guru (Los Angeles Times), and today, nearly a century after he arrived in the United States, he's still the best known and most beloved of all the Indian spiritual teachers who have come to the West. Now, finally, Paramahansa Yogananda has the authoritative biography he deserves. Yogananda, considered by many to be the father of modern yoga, has had an unsurpassed global impact thanks to the durability of his teachings, the institutions he created or inspired, and especially his iconic memoir, *Autobiography of a Yogi*. Since its publication in 1946, that book has sold millions of copies and changed millions of lives. But it doesn't tell the whole story. Much of Yogananda's seminal text is devoted to tales about other people, and it largely overlooks the three vital decades he spent living, working, and teaching in America. Huge chunks of his life—challenges, controversies, and crises; triumphs, relationships, and formative experiences—remain unknown to even his most ardent devotees. In this captivating biography, scholar and teacher Philip Goldberg fills the gaps, charting a journey that spanned six decades, two hemispheres, two world wars, and unprecedented social changes. The result is an objective, thoroughly researched account of Yogananda's remarkable life in all its detail, nuance, and complex humanity. But this is more than a compelling life story. Yogananda would, I believe, want any book about him to not only inform but transform, Goldberg writes. It is my hope that readers will be enriched, expanded, and deepened by this humble offering. That is sure to be the case for both Yogananda enthusiasts and those who discover him for the first time in these illuminating pages.

the autobiography of a yogi pdf: *Finding God Through Yoga* David J. Neumann, 2019

the autobiography of a yogi pdf: *Sadhguru, More Than a Life* Arundhati Subramaniam, 2010 'The thirst to be boundless is not created by you; it is just life longing for itself.' —Sadhguru This is the extraordinary story of Sadhguru—a young agnostic who turned yogi, a wild motorcyclist who turned mystic, a sceptic who turned spiritual guide. Pulsating with his razor-sharp intelligence, bracing wit and modern-day vocabulary, the book empowers you to explore your spiritual self and could well change your life. It seeks to re-create the life journey of a man who combines rationality with mysticism, irreverence with compassion, ancient wisdom with a provocatively contemporary outlook and a deep knowledge of the self with a contagious love of life. Described as 'a profound mystic, visionary humanitarian and prominent spiritual leader of our times', he is equally at home in a satsangh in rural Tamil Nadu as at the World Economic Forum in Davos. In his early years, Jaggi Vasudev (or Sadhguru as he is now known) was a chronic truant, a boisterous prankster, and later a lover of motorbikes and fast cars. It is evident that the same urgency, passion and vitality echo in his spiritual pursuits to this day, from his creation of the historic Dhyanalinga—the mission of three lifetimes—to his approach as a guru. In Sadhguru's view, faith and reason, spirituality and science, the sacred and the material, cannot be divided into easy binaries. He sees people as 'spiritual beings dabbling with the material rather than the reverse', and liberation as the fundamental longing in every form of life. Truth for him is a living experience instead of a destination, a conclusion, or a matter of metaphysical speculation. The possibility of self-realization, he strongly believes, is available to all. Drawing upon extended conversations with Sadhguru, interviews with Isha colleagues and fellow meditators, poet Arundhati Subramaniam presents an evocative portrait of a contemporary mystic and guru—a man who seems to pack the intensity and adventure of several lifetimes into a single one.

the autobiography of a yogi pdf: The Holy Science Swami Sri Yukteswar, 2020-09-26 The Holy Science is a book of theology written by Swami Sri Yukteswar Giri in 1894. The text provides a close comparison of parts of the Christian Bible to the Hindu Upanishads, meant to show as clearly as possible that there is an essential unity in all religions...and that there is but one Goal admitted by all scriptures. Swami Sri Yukteswar Giri was born Priya Nath Karar in 1855 to a wealthy family. As a young man, he was a brilliant student of math and science, astrology and astronomy. He joined a Christian missionary school where he studied the Bible and later spent two years in medical school. After completing his formal education, Priya Nath married and had a daughter. But he continued his intellectual and spiritual pursuits, depending on the income from his property to support himself and his family. After the death of his wife, he entered the monastic Swami order and became Sri Yukteswar Giri, before becoming a disciple of famed guru Lahiri Mahasaya, known for his revitalization of Kriya Yoga. Then in 1894, Sri Yukteswar Giri met Mahavatar Babaji, an ageless wise man who is said to have lived for untold hundreds of years. At this meeting, Mahavatar Babaji gave Sri Yukteswar the title of Swami, and asked him to write this book comparing Hindu scriptures and the Christian Bible. Swami Sri Yukteswar obeyed. He also founded two ashrams, including one in his ancestral home. He lived simply as a swami and yogi, devoted to disciplining his body and mind, and thus to liberating his soul. Among his disciples was Paramahansa Yogananda, credited with bringing yoga and meditation to millions of Westerners. The Holy Science consists of four chapters. The first is titled The Gospel, and is intended to establish the fundamental truth of creation. Next is The Goal, which discusses the three things all creatures are seeking: Existence, Consciousness, and Bliss. Chapter three, The Procedure, is the most practical of the sections. It describes the natural way to live for purity and health of body and mind. The final chapter is called The Revelation, and discusses the end of the path for those who are near the three ideals of life. Swami Sri Yukteswar also displays his impressive knowledge and understanding of astrology by proposing his theory of the Yuga Cycle. Each yuga is an age of the world that tracks the movement of the sun, Earth, and planets. Each age represents a different state of humanity. There are four yugas: - Satya Yuga is the highest and most enlightened age of truth and perfection. - Treta Yuga is the age of thought and is more spiritually advanced than Dwapara Yuga and Kali Yuga. - Dwapara Yuga is an energetic age, although not a wise one. During this yuga, people are often self-serving and greedy. The age is marked by war and disease. - Kali Yuga is the age of darkness, ignorance, and materialism. This is the least evolved age. Today, The Holy Science is highly respected among those seeking to understand the relationships between world religions and cultures. While some still believe that we are in Kali Yuga, many others believe that Swami Sri Yukteswar was accurate, and that his calculations correct previous errors that artificially inflated the length of the Yuga Cycle.

the autobiography of a yogi pdf: Our Ultimate Reality, Life, the Universe and Destiny of

Mankind Adrian P. Cooper, 2007-11-01 From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth? So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write *Our Ultimate Reality* and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as life are asking what it all means for them, for their families and for their future existence on this planet we call Earth. *Our Ultimate Reality, Life, the Universe and Destiny of Mankind* is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfilment and Spiritual evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.

the autobiography of a yogi pdf: The Teachings of Ramana Maharshi (The Classic Collection)

Arthur Osborne, 2014-06-05 Sri Ramana Maharshi is widely thought of as one of the most outstanding Indian spiritual leaders of recent times. Having attained enlightenment at the age of 16, he was drawn to the holy mountain of Arunachala in southern India, and remained there for the rest of his life. Attracted by his stillness, quietness and teachings, thousands sought his guidance on issues ranging from the nature of God to daily life. This book brings together many of the conversations Maharshi had with his followers in an intimate portrait of his beliefs and teachings. Through these conversations, readers will discover Maharshi's simple discipline of self-enquiry: knowing oneself and looking inwards as the road to true understanding and enlightenment. This updated edition will appeal to anyone looking for peace, self-awareness, and guidance on how to embrace the self for well being and calm.

the autobiography of a yogi pdf: Memories, Dreams, Reflections

Carl G. Jung, 2011-01-26 An

eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. An important, firsthand document for readers who wish to understand this seminal writer and thinker. —Booklist In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. *Memories, Dreams, Reflections* is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII *Sermones ad Mortuos*.

the autobiography of a yogi pdf: An Indian Pilgrim Subhas Chandra Bose, 2013-01-23
Written towards the end of 1937 during his Europe trip, after being nominated the President of the Indian National Congress, *An Indian Pilgrim* traces Bose's life story from birth till his resignation from the Indian Civil Service. It is an astounding account of his ideological development and his singular focus on India's reconstruction in which Swami Vivekananda played a large part—I was barely fifteen when Vivekananda entered my life. Then there followed a revolution within and everything was turned upside down. The book recounts the development of the spirit of service, sacrifice and zeal for national liberation, which were the driving forces of his life. We hope this publication will gain wide circulation so that the spirit of Subhas Chandra Bose becomes the guiding light of the country's youth in these disturbing times.

the autobiography of a yogi pdf: Cristiano Ronaldo Guillem Balague, 2015-11-05
The definitive award-winning biography of Cristiano Ronaldo - fully updated to include the 2022 World Cup, Ronaldo's explosive exit from Manchester United and his record-breaking transfer to Al-Nassr

As the Qatar World Cup opened to worldwide jubilation, Cristiano Ronaldo's second spell at Manchester United reached an abrupt conclusion. It was not to be the fairy tale ending to a glittering career. Instead, over the two seasons, it had snowballed into a toxic standoff between himself, the board and newly appointed manager, Erik ten Hag. The Theatre's dream was over. On 22 November 2022, Ronaldo's contract was terminated. In this compelling account, Guillem Balagué draws on impeccable sources, first-hand interviews and unprecedented access, taking us on a journey from Madeira to Manchester, and onto Spain, Italy and Saudi Arabia. From Ronaldo's tutelage under Sir Alex Ferguson to becoming the biggest galáctico of them all at Real Madrid, and captaining Portugal to the first silverware in their history at the UEFA Euro 2016, Guillem chronicles Ronaldo's career in its entirety. This is nothing less than the definitive portrait of a true icon of modern football, who has reached the very heights of the beautiful game and cemented his place as one of the greatest players of all time.

the autobiography of a yogi pdf: Autobiography of a Natha Siddha Yogi Vibhakar Vitthal Lele, 2011-01-10 This is the first of the books by Vibhakar Lele, a Western educated Yogi in his own right, published as 'Autobiography of A Natha Siddha Yogi - A Mystique's Travails', on Amazon.com and its stores worldwide. It is on the subject of his extensive experiences in the field of Rajayoga aka Kundalini-yoga, the most famous of the Yoga systems which is also called the Maha-yoga to highlight its outstanding character. It is a book of real life experiences of a Yogi. This book has been receiving most widespread response of the readers. There have been more than 1500 reads and around 400 downloads in the past year of the book. A number of enthusiastic readers have contacted the author on reading it and expressed great satisfaction in its reading. Quite a few have been to his home to meet him personally. Hence he is publishing it with the help of Amazon.com and its distribution network for wider availability of this book that appears to be so much liked by the readers. Its print copy is already available on Pothi.com and now at Createspace.com. This is the story of Yogi from the Sadhaka (Initiate) to the state of Siddha (Sainthood), told in earnest which may be useful for those striving upon the Path and also those who study and research into the Oriental discipline of Yoga. In a way, it is secular. Anyone who is on the way to Godhood can learn a lot from this book, irrespective of his religion. It can help one to understand what the saints of every religion had experienced from their initiation to the ultimate state. It is the Oriental Wisdom in its true form and practical demonstration. Its basis is the secret knowledge that the Indian Yogis hold close to their hearts. The scholars of Oriental disciplines can also learn much from it. It narrates many a phenomenon of Yoga with actual experiences and their explanation, including those of the mysterious Kundalini. It is a must read for all interested in the mysteries of Yoga and Kundalini which the Siddha Yogis rarely reveal to all. The author Vibhakar Lele is from the tradition of Siddha Yogis from the Natha sect from Saint Dnyaneshwar who has revealed many secrets of Yoga with experiences on the Path. His book is deemed to be useful also to the Shaktipata and other Kriya-yoga followers and also those who lack adequate guidance from their Gurus/peers. Secondly, it contains an important section on the Yoga and the philosophy of Gita as expounded by the great Maharashtrian Saint Dnyaneshwar. It contains an overall review for the beginners from the Yogic perspective and an all-too-important commentary on the mysterious Kundalini. Science has never explained fully the real basis of life as we know it. Overall, it may satisfy all the craving for the mysterious and the unknown that is never even scraped by modern science. It also gives an understanding of the riddle of the Universe and Life which stands alternatively explained in most cogent terms by the Yogis and Indian philosophers, in their own way. Just please have a look inside the book and decide for yourself. It is deemed to be a book worth keeping and preserving for a lifetime to be passed down the generations for real wisdom of Who We Are and How We achieve the Kingdom that belongs to us, the Nirvana, the Moksha, or whatever one prefers to call it, the Heavens, the Godhood et al. The reader, too, like so many others before him, is expected to find this book vastly entertaining and opening the vista upon a secret dimension that is life of a human being upon this planet. Those who are curious about Yogic experiences will most likely have their curiosity satisfied. Others who are having such experiences themselves may, no doubt, be happy to find clues

and explanation to their mysterious experiences. the author would be happy if it be so. If the book adds to your knowledge of Yoga and Gita-Dnyaneshwari, at least a modicum, the author will say that this book has achieved what it was brought forth for.

the autobiography of a yogi pdf: *The Journey Continues* Sri M, 2022-02-07 SRI M WAS BORN in Trivandrum Kerala in 1949. At the age of nine he had a strange encounter in the backyard of his house. Under the jackfruit tree he saw a matted-haired yogi. The yogi blessed him saying 'you will get to know our connection in time' and walked away. After this incident the mind of the young boy, born of Deccani Muslim parents, turned towards Vedanta and the great Indian tradition of yoga that led to deep contemplation. Meeting many known and unknown sages and yogis as if by design, Sri M at the age of 19 left home and went off to the Himalayas. There, at the Vyasa Guha beyond Badrinath, he met the great yogi Sri Maheshwaranath Babaji belonging to the Nath sampradaya. As an apprentice to this great being, his mind underwent a profound transformation. Travelling with this bare-footed yogi, he had many wonderful experiences. A detailed account of his almost unbelievable experiences from childhood to the present can be found in Sri M's autobiography, *Apprenticed to a Himalayan Master: A yogi's Autobiography*. On the instructions of his master, he returned to the plains and lived incognito for a long time. Meanwhile, he got married and has two children who are themselves grownup and married now. Sri M wears no grand robes, has no special hair style, is often found wearing jeans and T-shirt or dhoti and white shirt. He lives in Madanapalle, travels around the world conducting retreats and giving talks on yoga, Upanishads, Sufi teachings - in short, inner core of the religious traditions of most religions including the Jewish, the Christian, Buddhist and so on. He calls himself a practising yogi. Sri M heads the Satsang Foundation which runs the Satsang Vidyalaya - a free school for the underprivileged and an IIC-ICSC boarding school called Peepal Grove School, a rural school in a remote village 20 kms from Madanapalle and a Swasthya Kendra - a free medical service for the poor. The Satsang Foundation has recently initiated the MYTHRI programme involving large scale re-forestation and is in the process of setting up a modern hospital to cater to the needy on the outskirts of Bangalore.

the autobiography of a yogi pdf: *A Master's Journey* Jerry Alan Johnson, 1916-07-01 My life story

the autobiography of a yogi pdf: *Only God* Regina Sara Ryan, 2004 In every spiritual tradition, there is the story of an ardent seeker who, while waiting for God, closes his door to the poor beggar who visits unexpectedly. Later, believing that the Lord has failed to appear, the seeker complains: Where were you? God responds, I came to you many times, in many forms, but always you turned me away. This is the true life story of that symbolic beggar, a hidden saint, a well-educated holy man who begged on the streets of India, Yogi Ramsuratkumar (1918 - 2001). Only God was his creed, and his approach to everyday life. His unusual innocence and radiant presence were recognised by seekers from both East and West, who knew him as the Godchild of Tiruvannamalai, the small city where he lived for forty years. The book also includes the lives and teachings of the holy beggar's three distinguished gurus, including Sri Auribindo. With self-revelatory honesty and an enjoyable mix of storytelling, interviews, and fact-finding, this eminently readable biography is an affecting account of an extraordinary life.
