tulsa county desk blotter: *American Naive Paintings* National Gallery of Art (U.S.), Deborah Chotner, 1992 One of a series of systematic catalogues of the National Gallery of Art's collection, this comprehensive volume discusses in detail 310 objects that comprise one of the world's outstanding repositories of American naive paintings. Works by renowned folk artists such as Edward Hicks, Erastus Salisbury Field, and Ammi Phillips are represented in depth and placed in stylistic as well as historical context. This catalogue is an indispensable tool for historians of American painting and folk art, and for students of American life and culture. Thorough documentation and commentary are provided for the first time on some of the most intriguing images produced in America in the past two hundred years.

tulsa county desk blotter: American Paintings of the Eighteenth Century National Gallery of Art (U.S.), Ellen Gross Miles, Patricia Burda, Cynthia J. Mills, Leslie Kaye Reinhardt, 1995 The energy and optimism of the new nation are abundantly apparent in this catalogue. It features some of the icons of American art, such as John Singleton Copley's *The Copley Family* and Gilbert Stuart's portraits of the first five presidents. Numerous paintings, including Benjamin West's *Colonel Guy Johnson* and Karonghyontye (*Captain David Hill*), are discussed from a new perspective, the result of information culled from letters, wills, and other previously unpublished documents. The author offers new interpretations of some works, among them Charles Willson Peale's portrait of the Baltimore couple Benjamin and Eleanor Ridgely Laming. The volume is richly illustrated, with carefully selected comparative illustrations.

B. Widener, his son Joseph, and Andrew W. Mellon, whose bequests form the heart of the National Gallery's distinguished and remarkably cohesive collection of ninety-one Dutch paintings.

tulsa county desk blotter: *The Prince of Las Vegas* Brian Malanaphy, 2017-04-26 A modern retelling of Hamlet, except with a few twists. It's seventies Vegas. Amid the glitz, neon lights, poker players, and flood of cash, Jack Romano, a well-respected self-made casino owner and patriarch, has died. His only son, Nick, arrives home for the funeral and discovers that the death may not have been so accidental. Now he must decide what to do about Claudio, an ambitious, seasoned mobster who is also his dad's so-called business partner. Complications arise as Nick finds himself falling in love with Rosalie, the daughter of one of Claudio's crew. Nick must not only save his family's casino business, but also his dad's hoard of silver, amassed over decades, and stashed in the casino's basement vaults. The only thing missing are the cement shoes. Malanaphy's tumultuous and thrilling ride through the wise-guy back rooms of not-so-old Las Vegas is a sometimes funny, sometimes not, but always captivating whodunnit that'll keep you turning the pages. The Prince of Las Vegas has it all: Romance, mystery and a fresh take on a Cosa Nostra-esque underworld where behind every poker table there's a mobster looking to grab the great, late Jack Romano's loot. If you can't read this well-honed mobster thriller without cheering on the good guys and boo-hissing the bad ones, well ... fuhgeddaboudit! - Andy Scontras, author of *When You Are Strange* A well written, nostalgic and fun, Vegas crime thriller. Malanaphy's novel does not disappoint! - Gary Braver, author of *Tunnel Vision* Would make a great Scorsese or Tarantino movie. - Douglas Corleone, author of *Good As Gone*.

A joy to read from start to finish' ANDREW SEAN GREER, Pulitzer Prize winning author of *Less*. Meet Stanley's family: Son Fred, a banker who never has enough money; daughter Kate, juggling a difficult boss and her two small children; ex-wife Linda, suspicious of Stanley's grand gestures; and second wife Mary, giver of foot rubs and ego massages.
