the wild unknown tarot guidebook pdf: Meditations on the Tarot , 2005-08-25 Now in a fully corrected edition, one of the true spiritual classics of the twentieth century. Published for the first time with an index and Cardinal Hans Urs von Balthasar's afterword, this new English publication of *Meditations on the Tarot* is the landmark edition of one of the most important works of esoteric Christianity. Written anonymously and published posthumously, as was the author's wish, the intention of this work is for the reader to find a relationship with the author in the spiritual dimensions of existence. The author wanted not to be thought of as a personality who lived from 1900 to 1973, but as a friend who is communicating with us from beyond the boundaries of ordinary life. Using the 22 major arcana of the tarot deck as a means to explore some of humanity's most penetrating spiritual questions, *Meditations on the Tarot* has attracted an unprecedented range of praise from across the spiritual spectrum.

the wild unknown tarot guidebook pdf: The Way of Tarot Alejandro Jodorowsky, Marianne Costa, 2009-11-17 Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.

the wild unknown tarot guidebook pdf: Modern Tarot Michelle Tea, 2017-06-13 The beloved literary iconoclast delivers a fresh twenty-first century primer on tarot that can be used with any deck. While tarot has gone mainstream with a diverse range of tarot decks widely available, there has been no equally mainstream guide to the tarot—one that can be applied to any deck—until now. Infused with beloved iconoclastic author Michelle Tea's unique insight, inviting pop sensibility, and wicked humor, *Modern Tarot* is a fascinating journey through the cards that teaches how to use this tradition to connect with our higher selves. Whether you're a committed seeker or a digital-age skeptic—or perhaps a little of both—Tea's essential guide opens the power of tarot to you. *Modern Tarot* doesn't require you to believe in the supernatural or narrowly focus on the tarot as a divination tool. Tea instead provides incisive descriptions of each of the 78 cards in the tarot system—each illustrated in the charmingly offbeat style of cartoonist Amanda Verwey—and introduces specially designed card-based rituals that can be used with any deck to guide you on a path toward radical growth and self-improvement. Tea reveals how tarot offers moments of deep,

transformative connection—an affirming, spiritual experience that is gentle, individual, and aspirational. Grounded in Tea's twenty-five years of tarot wisdom and her abiding love of the cards, and featuring 78 black and white illustrations throughout, Modern Tarot is the ultimate introduction to the tradition of the tarot for millennial readers.

the wild unknown tarot guidebook pdf: Osho Zen Tarot Osho, 1995-04-15 Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.
