Understanding the Purpose of a Valedictorian Congratulations Letter

A valedictorian congratulations letter serves as a formal recognition of a student's academic excellence and leadership throughout their high school or college career. It celebrates the student's outstanding performance, perseverance, and commitment to achieving the highest GPA or academic ranking in their graduating class. This letter not only honors the valedictorian's accomplishments but also motivates them to continue pursuing excellence in future endeavors.

Significance of the Letter

The letter functions as a tangible acknowledgment that can be cherished by

the valedictorian and their family. It highlights the importance of dedication and hard work, reinforcing the value of academic success. Such letters often accompany awards, scholarships, or announcements related to graduation ceremonies, enhancing the sense of achievement.

Who Should Write the Letter?

Typically, valedictorian congratulations letters are written by teachers, school administrators, coaches, mentors, or family members. Each writer brings a unique perspective, whether it is highlighting academic accomplishments, personal growth, or leadership qualities. Regardless of the author, the tone should be professional and celebratory.

Key Elements to Include in the Letter

Crafting a valedictorian congratulations letter requires attention to several essential components that convey sincerity and respect. Including these elements ensures the letter is comprehensive and meaningful.

Personalized Greeting

Begin with a respectful and warm salutation that addresses the valedictorian by name. Personalization sets a positive tone and shows genuine appreciation for the individual's efforts.

Acknowledgment of Achievement

Clearly state the achievement being recognized – the recipient's status as valedictorian. Mentioning specific accomplishments, such as GPA, leadership roles, or extracurricular involvement, adds depth to the recognition.

Expression of Pride and Congratulations

Use affirmative language to express pride in the valedictorian's success. Congratulatory phrases should be heartfelt and encouraging, reinforcing the significance of this milestone.

Encouragement for the Future

Include motivational statements that inspire the valedictorian to continue striving for excellence in higher education, career pursuits, and personal development.

Closing Remarks

End the letter with a positive and supportive closing, reaffirming confidence in the valedictorian's potential and wishing them well in future endeavors.

Tips for Writing an Effective Valedictorian Congratulations Letter

To maximize the impact of a valedictorian congratulations letter, it is crucial to follow best practices in tone, content, and presentation. These tips will help create a compelling and professional message.

Be Specific and Sincere

Use specific examples of the valedictorian's achievements and qualities to demonstrate genuine appreciation. Avoid generic or overly formal language that may seem impersonal.

Maintain a Positive and Respectful Tone

The tone should be uplifting and respectful, emphasizing the valedictorian's hard work and character. Avoid negative or overly critical remarks.

Keep the Letter Concise and Focused

Avoid lengthy paragraphs or unnecessary details. A well-structured letter that is clear and concise will hold the reader's attention and communicate the message effectively.

Proofread and Edit Carefully

Check for grammatical errors, spelling mistakes, and formatting consistency. A polished letter reflects professionalism and the seriousness of the congratulations.

Consider the Medium

Decide whether the letter will be printed, emailed, or handwritten. Each medium has its conventions; for instance, handwritten letters can feel more personal, while printed letters may appear more formal.

Sample Valedictorian Congratulations Letters

Examples can provide useful guidance on structure and language for writing valedictorian congratulations letters. Below are two sample letters illustrating different approaches.

Sample Letter from a Teacher

Dear [Student's Name],

Congratulations on earning the distinguished honor of valedictorian for the graduating class of [Year]. Your dedication to academic excellence and leadership within our school community has been truly inspiring. Your commitment to learning, perseverance through challenges, and positive attitude have set a remarkable example for your peers.

As you prepare to embark on the next chapter of your educational journey, I am confident that you will continue to achieve great success. Your hard work has laid a strong foundation for a bright future, and I look forward to seeing all that you accomplish.

Best wishes for continued growth and achievement.

Sincerely,

[Teacher's Name]

Sample Letter from a Family Member

Dear [Student's Name],

We are incredibly proud of you for being named valedictorian of your class. This accomplishment reflects your unwavering dedication, intelligence, and passion for learning. Watching you grow into a confident and capable individual has been a privilege.

As you move forward, remember that this achievement is just the beginning. Continue to pursue your goals with the same enthusiasm and determination that brought you here. We believe in you and are excited to support you every step of the way.

Congratulations once again on this outstanding milestone.

With love and admiration,

[Family Member's Name]

Common Mistakes to Avoid

When writing a valedictorian congratulations letter, there are several pitfalls to be mindful of in order to maintain professionalism and sincerity.

Avoid Overly Generic Language

Using clichés or vague phrases can make the letter feel insincere. Personalization and specificity are key to conveying genuine congratulations.

Do Not Include Negative Comments

The focus should be entirely on positive recognition. Avoid mentioning any setbacks or shortcomings, even if intended as constructive feedback.

Avoid Excessive Length

Lengthy letters may lose the reader's interest. Aim for clarity and brevity to ensure the message is impactful and easy to read.

Steer Clear of Informal Tone

Maintain a professional and respectful tone, even if the letter comes from a family member or close associate. Informality can diminish the significance of the letter.

Proofread to Prevent Errors

Errors in grammar, spelling, or formatting can undermine the letter's professionalism. Always review the letter carefully before sending.

Final Considerations for Crafting a Valedictorian Congratulations Letter

Writing a valedictorian congratulations letter is a meaningful opportunity to honor academic excellence and encourage continued success. By incorporating personalized praise, clear structure, and a respectful tone, the letter becomes a valuable keepsake for the recipient. Whether the letter is brief or detailed, its effectiveness lies in sincerity and thoughtful expression of recognition. Following the guidelines and examples provided ensures the valedictorian feels celebrated and motivated as they advance beyond their academic achievements.

Valedictorian Congratulations Letter: A Comprehensive Guide

Introduction: Understanding the Importance of a Meaningful Congratulations Letter

A valedictorian's journey is a testament to years of hard work, dedication, and unwavering commitment to excellence. A simple "congratulations" feels inadequate to acknowledge such an extraordinary achievement. A heartfelt and well-crafted letter, however, offers a powerful opportunity to express your sincere admiration, celebrate their success, and offer words of encouragement for their future endeavors. This letter serves not just as a congratulatory message but as a lasting keepsake, a tangible reminder of the impact they've made and the bright future that awaits them. It's an opportunity to go beyond generic praise and create a personalized tribute that reflects the unique qualities and accomplishments of the valedictorian. This guide will walk you through the process of crafting a letter that is both meaningful and memorable.

Chapter 1: Planning Your Letter: Identifying Key Achievements and Personality Traits

Before you even begin writing, take time to gather your thoughts and brainstorm. Consider the valedictorian's specific achievements: Did they excel in a particular subject? Were they involved in extracurricular activities? Did they demonstrate leadership qualities? List their academic accomplishments, awards, and any notable contributions to the school community. Equally important is understanding their personality. Are they outgoing and extroverted, or more introspective and quiet? What are their interests and aspirations? The more you understand their character, the more authentic and personal your letter will be. This stage of planning forms the foundation of a truly personalized and heartfelt letter, ensuring your words resonate with the individual's unique journey. Gathering information from teachers, friends, or family can provide valuable insights into their personality and accomplishments, helping you paint a comprehensive picture of their achievements.

Chapter 2: Crafting Compelling Content: From Opening Lines to Closing Remarks

The opening lines of your letter should immediately capture the reader's attention and convey your genuine congratulations. Avoid clichés like "Congratulations on your well-deserved success," and instead opt for a more personalized and engaging opening. For example, you could start by referencing a specific memory or achievement that you admire. The body of your letter should detail the valedictorian's accomplishments, highlighting their strengths and unique qualities. Weave in specific examples to illustrate your points, making your letter more engaging and believable. Avoid generic praise and instead focus on specific achievements that showcase their hard work and dedication. The closing should summarize your admiration, offer words of encouragement for their future endeavors, and express your excitement for what they will accomplish. This closing should leave a lasting impression, reinforcing the positive sentiment and offering a hopeful outlook for their future.

Chapter 3: Mastering the Tone and Style: Balancing Formality and Warmth

The tone of your letter should be respectful and formal, but also warm and personal. You want to express your admiration sincerely without sounding overly effusive or insincere. Avoid overly casual language or slang, but also avoid being overly stiff or formal. A balanced tone that combines genuine enthusiasm with respectful formality is key to creating a memorable letter. The writing style should be clear, concise, and easy to understand. Use precise language, avoid jargon, and structure your paragraphs logically. Proofread carefully to ensure there are no grammatical errors or typos. A polished and professional letter demonstrates your respect for the valedictorian and their achievement. Consider the recipient's personality when deciding on the level of formality; a closer relationship might allow for a slightly more casual tone.

Chapter 4: Adding Personal Touches: Incorporating Anecdotes and Shared Memories

To make your letter truly special, include personal anecdotes or shared memories that illustrate the valedictorian's character and abilities. These personal touches will make the letter more meaningful and memorable for the recipient. A shared experience or a specific instance that highlights their strengths can add depth and authenticity to your congratulations. Remember that these anecdotes should be positive and supportive, reflecting their positive qualities and achievements. Sharing a specific instance where they demonstrated leadership or overcame a challenge can make your letter more impactful and show that you truly value their accomplishments. By showcasing these personal touches, you're able to craft a letter that goes beyond mere accolades and shows a genuine understanding of the individual.

Chapter 5: Proofreading and Polishing: Ensuring a Professional and Polished Result

Before sending your letter, carefully proofread it for any grammatical errors, typos, or inconsistencies in style. A well-polished letter demonstrates your respect for the recipient and their achievement. Ask a friend or family member to proofread it as a second pair of eyes can catch mistakes that you might have missed. Ensure that the formatting is clean and professional. Use a high-quality paper and a professional-looking font. The overall presentation of your letter should reflect the importance of the occasion and the recipient's achievement. Pay attention to details like spacing, margins, and font size to create a polished and presentable final product. Consider the overall aesthetic to ensure the letter's presentation matches its heartfelt content.

Conclusion: Leaving a Lasting Impression

The valedictorian congratulations letter is more than just a formal acknowledgment; it's a lasting tribute to a remarkable journey. By following the steps outlined in this guide, you can craft a letter that is both heartfelt and meaningful, a testament to the valedictorian's achievements and a source of inspiration for their future endeavors. The letter you create should serve as a positive and memorable experience for the recipient, leaving a lasting impression of your appreciation for their extraordinary accomplishments. Remember, the sincerity and personal touch you bring to your letter will make it a truly cherished keepsake.

FAQs

1. What is the appropriate length for a valedictorian congratulations letter? Aim for a length that reflects the depth of your message without being overly verbose. One to two pages is usually sufficient.
2. Should I mention specific grades or test scores? Focus more on qualities and achievements rather than specific numerical data.
3. What if I don't know the valedictorian personally? Research their accomplishments and use publicly available information to craft a respectful and informative letter.
4. Can I include a personal anecdote if I've only met the valedictorian briefly? A short, relevant, and positive anecdote can still add a personal touch, even with limited personal interaction.
5. What type of paper and stationery should I use? Choose high-quality paper that reflects the formality of the occasion.
6. Is it appropriate to offer advice in the letter? Brief, encouraging advice can be appropriate, but avoid being preachy or condescending.

7. Should I handwrite or type the letter? A handwritten letter conveys a more personal touch, but a typed letter ensures readability and professionalism.
8. When should I send the letter? Send it soon after the graduation ceremony to ensure it is timely and appreciated.
9. How should I address the letter? Use a formal address, such as "Dear [Valedictorian's Name]," unless you have a close, established relationship.

valedictorian congratulations letter: Letters to Men and Women of Letters Diane Joy Charney, 2024-09-16 In her *Letters to Men and Women of Letters*, Diane Joy Charney writes to the authors she admires, both living and dead, who continue to keep her company. Her letters reflect what these writers have taught Charney about herself, but also what they can offer the reader. Each letter—part literary love affair, part entertaining memoir—shows Charney's reaction to having studied and taught the work of these timeless writers. She was a latecomer to many of them, but it's never too late to fall in love with great writers. Among these are Franz Kafka, George Eliot, Proust, Nabokov, Camus, Colette, Flaubert, Edith Wharton, Balzac, Leonard Cohen, Christo, and her father. Her letters have been described as quirky ("Dear Jean-Paul Sartre, There have been many Jean-Pauls in my life, but you're the only one in whose bedroom I have slept"), warm, accessible, and funny.

valedictorian congratulations letter: Valedictory Daniel Scott, 2015-12-05 VALEDICTORY is set at a university in New York in the 1980s during a student takeover that shuts down the campus for three weeks. Earl Castle is an ambitious senior trying to secure the prize of valedictorian. Brilliant and aloof, he cannot, however, stay completely above the turmoils roiling the university. Due to his affection for Calvin Reynolds, one of the student activists, Earl becomes an unwitting participant in the takeover, risking everything he has striven to achieve, and forcing him to choose between the nobility of his feelings for Calvin and his desire for the award he so dearly covets.

valedictorian congratulations letter: Home Fires Luanne Rice, 2005-04-26 Anne Davis has returned to the house where she grew up, trading her glamorous Manhattan lifestyle for a harsh

winter on a wind-whipped New England island. Her marriage has crumbled in the wake of a tragic accident. Now she has returned to the home on Salt Whistle Road that has always meant shelter, security, family and love. When she awakens one snowy night to a fire that roars through the old house, Anne escapes--but runs back into the blaze to save something so precious that it's worth risking her life for. It is that reckless act of blind desperation that sets a miracle in motion.

valedictorian congratulations letter: Litchfield Park Celeste S. Crouch, 2013-11-11 In 1908, William Kriegbaum, a California citrus grower, arrived as the first settler in what was to become Litchfield Park. He, along with other settlers from California, owned the land until 1916, when Paul Litchfield of Goodyear Tire & Rubber Company came to the area and purchased 16,000 acres to plant cotton for tires. In 1918, the townsite was planned with tree-lined streets and buildings to include an organizational house for Goodyear executives, which is now the famed Wigwam Resort. When new materials for tires were developed, cotton was no longer needed for cord. Shortly thereafter, Goodyear brought its tire-testing fleet to Litchfield, and farm equipment companies followed suit, sending engineers to design and test new machinery. The steel-wheeled tractor tire was replaced by Paul Litchfield's newly patented pneumatic tire as the standard for farm equipment. The World War II years brought changes to the area as an influx of new residents transformed the company town to a more planned community.

valedictorian congratulations letter: The Opposite of Loneliness Marina Keegan, 2014-04-08 The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May 2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story "Cold Pastoral" was published on NewYorker.com. Her essay "Even Artichokes Have Doubts" was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: "We can still do anything. We can change our minds. We can start over...We're so young. We can't, we MUST not lose this sense of possibility because in the end, it's all we have." The Opposite of Loneliness is an unforgettable collection of Marina's essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. "How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful" (People).

valedictorian congratulations letter: Shipped Meredith Tate, 2021-05-18 Can two IRL enemies find their happily ever after online? Stella Greene and Wesley Clarke are Gene Connolly Memorial High School's biggest rivals. While the two have been battling it out for top student, it's a race to the bottom when it comes to snide comments and pulling the dirtiest prank. For years, Stella and Wes have been the villain in each other's story, and now it's all-out war. And there is no bigger battle than the one for valedictorian, and more specifically, the coveted valedictorian scholarship. But Stella and Wes have more in common than they think. Both are huge fans of Warship Seven, a popular sci-fi TV drama with a dedicated online following, and the two start chatting under aliases--without a clue that their rival is just beyond the screen. They realize that they're both attending SciCon this year, so they plan to dress in their best cosplay and finally meet IRL. While tensions at school are rising and SciCon inches closer and closer, the enemy lines between Stella and Wes blur when a class project shows them they might understand one another better than anyone else--and not just in cosplay. From the author of The Last Confession of Autumn Casterly comes a heartfelt story about rivalry, friendships, and defying preconceived notions--even the ones about yourself.

Lisette Rimer supports her son's gay life. She is in awe of his achievements. Patrick Wood is a valedictorian, an AP Scholar, and a National Merit Scholarship winner with perfect SAT scores. But a year after graduating from Stanford with honors in 2005, he plugs every opening in a small room and lights charcoal. He is twenty-three years old. Rimer tracks her desperate need to understand his death through suicide research, memoirs, and media stories—anything to find answers. She traces Patrick's depression through years of therapy, medication, and hospitalization at Stanford, none of which assuage his perfectionism and self-doubt. *Back from Suicide* reveals the suicidal mind through the misery of depression and the difficulty of coming out. It's about the enigma of self-destruction after a lifetime of success. It is a mother's pursuit of the biggest question of humankind—why do people kill themselves? "Back from Suicide is a must-read for everyone, at this moment of our sad history, when teenage suicide is on the rise. I did not put it down, except to eat and sleep. It is a tour de force—pitch-perfect (Wagnerian though it often is). It is a mother's journey to trace the arc, the soul, and the burn-out of this shooting star. Rimer has brought his greatness to life, over and over again. She is a sleuth, a truth teller, and a superb writer. Patrick shines on, even in the depths of his family's and his mother's grief." -Nancy Cobb, *In Lieu of Flowers: A Conversation for the Living* "Rimer's deeply pained and beautifully written exploration of her son's death from suicide, is at once a celebration of a life, a reckoning with a death, and an impassioned inquiry in how and why the inconceivable could happen." -BookLife Reviews

valedictorian congratulations letter: You Are Not Special and Other Encouragements David McCullough Jr, 2014-05-01 An inspirational and timely reflection on the way we bring up children that will resonate with parents everywhere. 'Longtime high school English teacher McCullough scores an A+ with this volume for teens and parents. Rich in literary references and poetic in cadence, the author also offers plenty of hilarious and pointed comments on teens and today's society.' - Publishers Weekly So you think you're special? Well, think again: you're not. David McCullough Jr, a US high-school English teacher, found himself suddenly famous in 2012 when his commencement address to graduating high-school seniors went viral on Youtube. the main theme of that speech, 'You're not special', seemed to hit a nerve and validate a sense among people worldwide that something is deeply and fundamentally wrong with the way children are being raised today. From infancy, he observed, children are taught to believe they are unique and special, deserving of every advantage, destined for success. Consequently they learn to work hard and distinguish themselves for the sake of status and material reward rather than for the benefit of others - the larger community; the world. Success is defined as something almost entirely selfish. there is little attention or time given to the pursuit of education for the sake of wisdom, or even real happiness.

Drawing from his long career as an educator and experience as a father of teenage boys, McCullough will expand upon the ideas laid out in his radical twelve-minute speech and argue that we can do better - as parents and as teachers - than fostering in our children a sense of privilege and entitlement. valedictorian congratulations letter: Make Your Bed Admiral William H. McRaven, 2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. Powerful. --USA Today Full of captivating personal anecdotes from inside the national security vault. --Washington Post Superb, smart, and succinct. --Forbes

valedictorian congratulations letter: You Can Do Anything George Anders, 2017-08-08 In a tech-dominated world, the most needed degrees are the most surprising: the liberal arts. Did you take the right classes in college? Will your major help you get the right job offers? For more than a decade, the national spotlight has focused on science and engineering as the only reliable choice for finding a successful post-grad career. Our destinies have been reduced to a caricature: learn to write computer code or end up behind a counter, pouring coffee. Quietly, though, a different path to success has been taking shape. In *You Can Do Anything*, George Anders explains the remarkable power of a liberal arts education - and the ways it can open the door to thousands of cutting-edge jobs every week. The key insight: curiosity, creativity, and empathy aren't unruly traits that must be reined in. You can be yourself, as an English major, and thrive in sales. You can segue from anthropology into the booming new field of user research; from classics into management consulting, and from philosophy into high-stakes investing. At any stage of your career, you can

bring a humanist's grace to our rapidly evolving high-tech future. And if you know how to attack the job market, your opportunities will be vast. In this book, you will learn why resume-writing is fading in importance and why telling your story is taking its place. You will learn how to create jobs that don't exist yet, and to translate your campus achievements into a new style of expression that will make employers' eyes light up. You will discover why people who start in eccentric first jobs - and then make their own luck - so often race ahead of peers whose post-college hunt focuses only on security and starting pay. You will be ready for anything.

valedictorian congratulations letter: Rise Above Greg Little, 2011-09-01 Rise Above is a detailed description of one man's journey of conquering adversity. You will read how the writer survived a near-fatal motor vehicle accident, which resulted in three skull fractures, a bruised brain, an eight-day coma and having to relearn how to walk and talk - made all the more challenging by a lingering speech impediment acquired in childhood. Stuttering is an awful burden for a person to carry throughout life. Children can be cruel. The writer's utmost fear, speaking in public, would one day be an ally and allow him to present programs extensively throughout the United States. This book is not about surviving adversity. It's about thriving beyond adversity. Greg Little, a nationally renowned speaker and motivator, has presented to diverse groups, including health care, business and professional organizations, and educational institutions. His programs emphasize active involvement by participants. Whether teaching professionals to cope with stress, bond as a productive group or realize their hidden strengths, his seminars and keynote addresses are hard hitting and memorable. During one of Greg's presentations, I was laughing so hard that tears were literally streaming down my face. - Dr. Ed Kesgen; Sylva, NC One of the most energized, creative and innovate presentations I have ever experienced.- Jim Brennan, National Consultant; Wilbraham, MA Dr. Greg Little is superb speaker. This is an excellent investment in continuing education - Nancy DeBolt; Torrington, WY

valedictorian congratulations letter: Talking to Strangers Malcolm Gladwell, 2019-09-10 Malcolm Gladwell, host of the podcast *Revisionist History* and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? *Talking to Strangers* is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of

Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

valedictorian congratulations letter: *The Devil Flower* Emigdio Alvarez Enriquez, 2019-11-01
The Devil Flower, first published in 1959, is a novel of life on the Philippine island of Mindanao. Infused with sensuality and drama, the book is a rich portrayal of the cultural traditions, love, tragedy, religion, and violence characterizing Filipino society in the early 20th century. "Blessed with fresh material and a fresh point of view, this is an impressive first novel. *THE DEVIL FLOWER* has much of the brooding tragedy of a folk tale, frankly explicit sexual scenes and considerable humor and quiet wit. Mr. Enriquez' technique—somewhat florid, with many short, vivid episodes—lends his book a movie-like impact... suggests the arrival of a quite exceptional new talent." -Russel Thacher, Book of the Month "A skillful and absorbing first novel. Mr. Enriquez writes colorfully, sometimes, perhaps, too lushly, yet clearly brings to life the island ways." - Gene Bara, Herald Tribune, New York "On the surface, a lushly sex-conscious, melodramatic novel... but the author has a remarkable gift for revealing human beings—many of them—including Ercelia's somewhat superstitious parents, the handsome and sexually powerful Don Miguel, Father Anacleto, and (exceedingly well) the three declining beauties... The writing is simple... yet magically presents real people in a real place. Recommended to all interested in Filipino literature and in first novels of genuinely talented authors." - May L. Barrett, Library Journal

valedictorian congratulations letter: *There's a (Slight) Chance I Might Be Going to Hell*
Laurie Notaro, 2007-05-29 The first novel from the New York Times bestselling author of *The Idiot Girls' Action-Adventure Club* is a rollicking tale of small-town peculiarity, dark secrets, and one extraordinary beauty pageant. When her husband is offered a post at a small university, Maye is only too happy to pack up and leave the relentless Phoenix heat for the lush green quietude of Spaulding, Washington. While she loves the odd little town, there is one thing she didn't anticipate: just how heartbreaking it would be leaving her friends behind. And when you're a childless thirtysomething freelance writer who works at home, making new friends can be quite a challenge. After a series of false starts nearly gets her exiled from town, Maye decides that her last chance to connect with her new neighbors is to enter the annual Sewer Pipe Queen Pageant, a kooky but dead-serious local tradition open to contestants of all ages and genders. Aided by a deranged former pageant queen with one eyebrow, Maye doesn't just make a splash, she uncovers a sinister mystery that has haunted the town for decades. "[Laurie Notaro] may be the funniest writer in this solar system."—The Miami Herald

valedictorian congratulations letter: *The Black Horn* Robert Lee Watt, 2014-10-30 The *Black Horn: The Story of Classical French Hornist Robert Lee Watt* tells the story of the first African American French Hornist hired by a major symphony in the United States. Today, few African Americans hold chairs in major American symphony orchestras, and Watt is the first in many years to write about this uniquely exhilarating—and at times painful—experience. The *Black Horn* chronicles the upbringing of a young boy fascinated by the sound of the French horn. Watt walks readers through the many obstacles of the racial climate in the United States, both on and off stage, and his efforts to learn and eventually master an instrument little considered in the African

American community. Even the author's own father, who played trumpet, sought to dissuade the young classical musician in the making. He faced opposition from within the community—where the instrument was deemed by Watt's father a "middle instrument suited only for thin-lipped white boys"—and from without. Watt also documented his struggles as a student at a nearly all-white major music conservatory, as well as his first job in a major symphony orchestra after the conservatory canceled his scholarship. Watt subsequently chronicles his triumphs and travails as a musician when confronting the realities of race in America and the world of classical music. This book will surely interest any classical musician and student, particularly those of color, seeking to grasp the sometimes troubled history of being the only "black horn."

valedictorian congratulations letter: Make Good Art Neil Gaiman, 2013-05-14 THIS BOOK IS FOR EVERYONE LOOKING AROUND AND THINKING, NOW WHAT?" Neil Gaiman's acclaimed commencement address, *Make Good Art*, thoughtfully and aesthetically designed by renowned graphic artist Chip Kidd. This keepsake volume is the perfect gift for graduates, aspiring creators, or anyone who needs a reminder to run toward what gives them joy. When Neil Gaiman delivered his *Make Good Art* commencement address at Philadelphia's University of the Arts, he shared his thoughts about creativity, bravery, and strength. He encouraged the fledgling painters, musicians, writers, and dreamers to break rules and think outside the box. Most of all, he encouraged them to make good art. The speech resonated far beyond that art school audience and immediately went viral on YouTube and has now been viewed more than a million times. Acclaimed designer Chip Kidd brings his unique sensibility to this seminal address in this gorgeous edition that commemorates Gaiman's inspiring message.
