But what might happen if we discovered a simple prayer that changed all that? In A Simple, Life-Changing Prayer, Jim Manney introduces Christians to a 500-year-old form of prayer that dramatically altered his perception of prayer and the way he prayed. The prayer is the Examen, which St. Ignatius Loyola developed for the purpose of nurturing a reflective habit of mind that is constantly attuned to God's presence. What makes the prayer so powerful is its capacity to dispel any notion that God is somewhere "up there," detached from our day-to-day tasks and concerns. Instead, the examen leads us into a relationship with a God who desires to be personally caught up in the lives of those whom he created.
