anne frank monologue: Anne Frank Francine Prose, 2009-09-29 “Prose’s book is a stunning achievement. . . . Now Anne Frank stands before us. . . a figure who will live not only in history but also in the literature she aspired to create.” — Minneapolis Star Tribune In June, 1942, Anne Frank received a diary for her thirteenth birthday, just weeks before she and her family went into hiding from the Nazis in an Amsterdam attic. For two years, she described life in hiding in vivid, unforgettable detail and grappled with the unfolding events of World War II. Before the attic was raided in August, 1944, Anne Frank furiously revised and edited her work, crafting a piece of literature that she hoped would be read by the public after the war. And read it has been. In *Anne Frank*, bestselling author Francine Prose deftly parses the artistry, ambition, and enduring influence of Anne Frank’s beloved classic, *The Diary of a Young Girl*. She investigates the diary’s unique afterlife: the obstacles and criticism Otto Frank faced in publishing his daughter’s words; the controversy surrounding the diary’s Broadway and film adaptations, and the social mores of the 1950s that reduced it to a tale of adolescent angst and love; the conspiracy theories that have cried fraud, and the scientific analysis that proved them wrong. Finally, having assigned the book to her own students, Prose considers the rewards and challenges of teaching one of the world’s most read, and banned, books. How has the life and death of one girl become emblematic of the lives and deaths of so many, and why do her words continue to inspire? Approved by both the Anne Frank House Foundation in Amsterdam and the Anne Frank-Fonds in Basel, run by the Frank family, *Anne Frank* unravels the fascinating story of a memoir that has become one of the most compelling, intimate, and important documents of modern history.

anne frank monologue: *The Freedom Writers Diary (20th Anniversary Edition)* The Freedom Writers, Erin Gruwell, 2007-04-24 #1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell. Now a public television documentary, *Freedom Writers: Stories from the Heart*. In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances.
