Papa Rabbit left two years ago to travel far away north to find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return home on the designated day, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of still-warm tortillas, and a jug full of fresh aguamiel—and heads north. Along the way, Pancho crosses a river, climbs a fence, and passes through a tunnel guarded by uniformed, bribe-taking snakes. He soon meets a coyote, who offers to help Pancho in exchange for some of Papa's favorite foods. They travel together until the food is gone and the coyote decides he is still hungry . . . for Pancho! Tonatiuh enlivens Pancho's story with the spirit of regional folklore, and he adds cultural atmosphere in arresting, flat folk art filled with cultural references. Yet most children (and many adults) don’t realize the importance of having a full bucket throughout the day. In *How Full Is Your Bucket? For Kids*, Felix begins to see how every interaction in a day either fills or empties his bucket. Felix then realizes that everything he says or does to other people fills or empties their buckets as well. Follow along with Felix as he learns how easy it can be to fill the buckets of his classmates, teachers and family members. Before the day is over, you’ll see how Felix learns to be a great bucket filler, and in the process, discovers that filling someone else’s bucket also fills his own.

bunny pdf: Follow the Rabbit-Proof Fence Doris Pilkington, 2013-05-01 This extraordinary story of courage and faith is based on the actual experiences of three girls who fled from the repressive life of Moore River Native Settlement, following along the rabbit-proof fence back to their homelands. Assimilationist policy dictated that these girls be taken from their kin and their homes in order to be made white. Settlement life was unbearable with its chains and padlocks, barred windows, hard cold beds, and horrible food. Solitary confinement was doled out as regular punishment. The girls were not even allowed to speak their language. Of all the journeys made since white people set foot on Australian soil, the journey made by these girls born of Aboriginal mothers and white fathers speaks something to everyone.
