- Cultural Context of Playboy in the 1970s and 1980s
- Legacy of Carol Wayne in Modeling and Entertainment

Carol Wayne's Career Overview

Carol Wayne was an American actress and model best known for her work in television and film during the 1970s. Born in 1942, she gained popularity through numerous guest appearances on popular TV shows and became a recognizable figure in Hollywood. Wayne's charm, beauty, and acting skills helped her secure roles in various comedies and dramas. Beyond acting, she also ventured into modeling, which complemented her on-screen success. Her career spanned over two decades, during which she established herself as a versatile and talented performer.

Early Life and Entry into Entertainment

Carol Wayne was born in Chicago, Illinois, and developed an interest in acting and modeling at a young age. After moving to California, she pursued opportunities in the entertainment industry, initially taking roles in commercials and smaller television parts. Her early work laid the foundation for more prominent roles and modeling opportunities, eventually leading to her association with Playboy magazine.

Notable Acting Roles

Wayne is particularly remembered for her recurring role as the "Matinee Lady" on the game show

“The Tonight Show Starring Johnny Carson.” Her comedic timing and on-screen presence contributed to the popularity of her character. In addition, she appeared in films such as “The Swinging Cheerleaders” and “History of the World: Part I,” showcasing her range as an actress. These roles helped solidify her status within the entertainment community.

Carol Wayne’s Appearances in Playboy

Carol Wayne’s involvement with Playboy magazine remains a significant aspect of her career, reflecting the intersection of modeling and celebrity culture during the 1970s. Playboy, known for its blend of entertainment, lifestyle content, and nude pictorials, provided a platform for many actresses and models to gain wider recognition. Wayne’s pictorials in the magazine contributed to her public image and opened additional opportunities in modeling and media.

Details of Playboy Pictorials

Carol Wayne appeared in Playboy during the mid-1970s, a period when the magazine was at the height of its cultural influence. Her pictorials featured tasteful and glamorous photographs that highlighted her beauty and charisma. These appearances were carefully styled to align with the magazine’s sophisticated aesthetic, distinguishing her from many contemporaries. The pictorials received positive attention and were instrumental in expanding her fanbase beyond traditional film and television audiences.

Reception and Public Response

The public and media reception of Carol Wayne’s Playboy appearances was largely favorable. Fans appreciated her elegance and the confident portrayal of femininity. Playboy readers responded well to her pictorials, which enhanced her visibility and reinforced her status as a prominent figure in entertainment and modeling. The magazine’s reputation for featuring accomplished women helped position Wayne as more than just a traditional model, emphasizing her multifaceted talents.

The Impact of Playboy on Carol Wayne’s Career

Carol Wayne’s collaboration with Playboy had a notable impact on her professional trajectory, influencing both her modeling career and her presence in the entertainment industry. The exposure gained through the magazine played a role in shaping public perceptions and provided a platform for expanding her career opportunities. Examining this impact offers insight into how Playboy served as a launchpad for many actresses and models during that era.

Career Advancement Through Playboy

Appearing in Playboy enabled Carol Wayne to reach a broader audience and gain increased media attention. This exposure often translated into more lucrative modeling assignments and acting roles. The magazine’s prestige also added a layer of credibility and allure to her public persona, which was valuable in the competitive entertainment market. For Wayne, Playboy was both a career milestone

and a strategic move to elevate her profile.

Influence on Modeling and Acting Opportunities

Following her Playboy features, Carol Wayne experienced an increase in offers for modeling campaigns and television appearances. The visibility associated with Playboy helped her secure roles that capitalized on her enhanced public image. Additionally, the magazine's emphasis on sophistication and style allowed Wayne to diversify her portfolio, blending glamour modeling with her established acting work. This synergy between modeling and acting was characteristic of many successful careers during the period.

Cultural Context of Playboy in the 1970s and 1980s

Understanding the cultural backdrop of Playboy during the 1970s and 1980s is essential to appreciating Carol Wayne's appearances in the magazine. Playboy was more than just a publication featuring nude photography; it was a cultural phenomenon that influenced attitudes toward sexuality, fashion, and celebrity. This section explores the magazine's role in society and how it shaped the careers of women like Wayne.

Playboy's Role in Popular Culture

During the 1970s and 1980s, Playboy was a leading lifestyle magazine that combined journalism, interviews, fiction, and pictorials. It was instrumental in promoting a modern, liberated view of sexuality and female empowerment, albeit within a commercial framework. The magazine's widespread readership made it a powerful platform for models and actresses to gain significant exposure and legitimacy.

Significance for Female Models and Actresses

For female entertainers, appearing in Playboy was often a strategic career move. It provided a way to showcase beauty and confidence while associating with a high-profile brand. The magazine was known for featuring women who were accomplished in various fields, thus elevating their public stature. For Carol Wayne and her contemporaries, Playboy served as a gateway to broader opportunities and a symbol of cultural relevance.

Legacy of Carol Wayne in Modeling and Entertainment

Carol Wayne's legacy in modeling and entertainment is marked by her distinctive contributions to television, film, and popular media. Her appearances in Playboy are a notable part of this legacy, reflecting the interplay between media exposure and career development in the late 20th century. This section examines how Wayne is remembered and the lasting impact of her work.

Enduring Influence and Recognition

Despite her untimely death in 1985, Carol Wayne remains a recognized figure for her unique blend of humor, beauty, and talent. Her Playboy appearances continue to be referenced as highlights of her modeling career. Collectors and enthusiasts of vintage entertainment often celebrate her work, ensuring her contributions are not forgotten. Wayne's career is a testament to the multifaceted roles women played in the entertainment industry.

Key Contributions to Entertainment and Modeling

Carol Wayne helped bridge the worlds of acting and modeling at a time when women were increasingly asserting their independence in both fields. Her work demonstrated that models could be talented actresses and vice versa. This duality enhanced the opportunities available to women in Hollywood and beyond. Her involvement with Playboy exemplifies the era's evolving attitudes toward female empowerment and media representation.

- Television and film roles that showcased her versatility
- Playboy pictorials that boosted her public profile
- Participation in cultural shifts regarding gender and media
- Inspiration for future generations of models and actresses

Chapter 4: Carol Wayne's Career After Playboy: Analyzing the impact of the Playboy appearance on her subsequent career.

Chapter 5: Legacy and Lasting Impact: Evaluating Wayne's legacy and the lasting implications of her Playboy feature.

Conclusion: Reflecting on the complexities of the issue and its relevance today.

Carol Wayne in Playboy: A Deep Dive into a Controversial Moment in Playboy History

Introduction:

Playboy magazine, throughout its history, has been more than just a collection of photographs; it has been a cultural barometer, reflecting and shaping societal attitudes towards sexuality, feminism, and celebrity. The 1970s, in particular, were a period of significant transition, witnessing the rise of second-wave feminism and evolving perceptions of female sexuality. Within this turbulent landscape, Carol Wayne's appearance in Playboy stands as a particularly complex and intriguing case study. This article will delve into the circumstances surrounding her appearance, the public reaction, and the lasting impact of this controversial moment in Playboy history and in Wayne's personal life. It's crucial to approach this subject with sensitivity, acknowledging the evolving perspectives on sexuality and representation over time.

Chapter 1: Carol Wayne's Career Before Playboy:

Before her association with Playboy, Carol Wayne was a rising star in the entertainment industry. Known for her comedic timing and sharp wit, she carved a niche for herself in television and film. She worked diligently to make a name for herself and had achieved a level of recognition before the Playboy photoshoot. This is important because it contextualizes her decision to pose – it wasn't solely a career-starting move, but rather a decision made by someone who already had a foot in the door. Researching her pre-Playboy career reveals a woman with ambition and talent, aiming to expand her reach and possibly challenge societal norms about female comedians. Understanding this background helps us better understand the context of her choices and the complexities of her legacy. Further research into her early acting roles, stand-up performances, and any interviews from that period will provide a more nuanced portrayal of her as an artist and individual.

Chapter 2: The Playboy Photoshoot and Publication:

The specifics of Carol Wayne's Playboy photoshoot remain relatively undocumented compared to other centerfolds. However, we can infer details from the final published images. The photographs likely aimed to showcase her comedic persona alongside her physical attributes, reflecting Playboy's evolving strategy of presenting women as more than just passive objects of desire. The magazine's

editorial decisions – the specific poses, lighting, and overall aesthetic – would have contributed significantly to the public's interpretation of the photoshoot and Wayne herself. Analyzing the imagery's style, the photographer's choices, and any available behind-the-scenes information can shed light on the intended message and its potential contradictions. The magazine's accompanying interview, if it exists, would offer invaluable insight into Wayne's perspective on the photoshoot and her own self-image.

Chapter 3: Public Reaction and Controversy:

The reaction to Carol Wayne's appearance in Playboy was undoubtedly mixed. While some celebrated her as a talented woman breaking boundaries, others criticized her decision as a betrayal of feminist ideals. The differing responses reflect the prevailing social and political climate of the time, where feminist movements were challenging traditional gender roles and expectations. Examining contemporary reviews, articles, and letters to the editor from the period will reveal the spectrum of opinions and the intense debate surrounding her decision. This section needs to explore the potential impact of her appearance on the ongoing feminist discourse, assessing whether it advanced or hindered the movement's goals. The analysis should avoid presentism and interpret the reactions within the historical context of the 1970s.

Chapter 4: Carol Wayne's Career After Playboy:

Did Carol Wayne's Playboy appearance propel her career forward or hinder her progress? This is a crucial question to address. Analyzing her post-Playboy roles, both successful and unsuccessful, will reveal the long-term effects of the controversy. Did she find it easier to secure roles after the publicity, or did it limit her opportunities due to typecasting or negative perceptions? Research into her later career choices, reviews of her performances, and any interviews reflecting on her experience would offer invaluable insights. The examination should focus on the specific challenges and opportunities she encountered, comparing her trajectory to the paths of other female comedians of the era.

Chapter 5: Legacy and Lasting Impact:

Carol Wayne's story holds a unique place in the annals of Playboy history and the broader landscape of female representation in entertainment. Her legacy remains complex and multifaceted, with opinions still varying on the significance of her appearance. This section should synthesise the findings from the preceding chapters, considering the cultural implications of her decision. It will explore whether her appearance contributed to positive changes in the representation of women in media or whether it reinforced existing stereotypes. The analysis should consider the evolving societal attitudes towards sexuality and female empowerment, allowing a more nuanced interpretation of her legacy beyond the initial controversy. It's crucial to avoid making simplistic judgments and instead to acknowledge the historical context and the complexities of her story.

Conclusion:

Carol Wayne's appearance in Playboy remains a significant, though often overlooked, event in the history of the magazine and women in the entertainment industry. The controversy surrounding her decision offers a valuable lens through which to examine the evolving dynamics between feminism, sexuality, and celebrity in the 1970s. By understanding the context of her career, the nuances of the photoshoot, and the diverse public reactions, we can develop a more comprehensive understanding of her legacy and its lasting implications. Her story serves as a reminder of the complexities involved

in navigating public image, societal expectations, and personal ambition.

carol wayne in playboy: Glamour Girls of Sixties Hollywood Tom Lisanti, 2015-05-07 During the 1960s, many models, Playboy centerfolds, beauty queens, and Las Vegas showgirls went on to become decorative actresses appearing scantily clad on film and television. This well illustrated homage to 75 of these glamour girls reveals their unique stories through individual biographical profiles, photographs, lists of major credits and, frequently, in-depth personal interviews. Included are Carol Wayne, Edy Williams, Inga Neilsen, Thordis Brandt, Jo Collins, Phyllis Davis, Melodie Johnson, and many equally unforgettable faces of sixties Hollywood.

carol wayne in playboy: Here's Johnny! Stephen Cox, 1992 Published to coincide with Johnny Carson's last weeks as host of The Tonight Show, Here's Johnny! is a loving history of Carson's reign as king of the late night talk shows. Features a rare interview with Johnny himself as well as 200 photographs, most previously unpublished.

carol wayne in playboy: Carson the Magnificent Bill Zehme, 2024-11-05 A much-anticipated biography—twenty years in the making—of the entertainer who redefined late-night television and reshaped American culture. In 2002, Bill Zehme landed one of the most coveted assignments for a magazine writer: an interview with Johnny Carson—the only one he'd granted since retiring from hosting The Tonight Show a decade earlier. Zehme was tapped for the Esquire feature story thanks to his years of legendary celebrity profiles, and the resulting piece portrayed Carson as more human being than showbiz legend. Shortly after Carson's death in 2005 and urged on by many of those closest to Carson, Zehme signed a contract to do an expansive biography. He toiled on the book for nearly a decade—interviewing dozens of Carson's colleagues and friends and filling up a storage locker with his voluminous research—before a cancer diagnosis and ongoing treatments halted his progress. When he died in 2023 his obituaries mentioned the Carson book, with New York Times comedy critic Jason Zinoman calling it “one of the great unfinished biographies.” Yet the hundreds of pages Zehme managed to complete are astounding both for the caliber of their writing and how they illuminate one of the most inscrutable figures in entertainment history: A man who brought so much joy and laughter to so many millions but was himself exceedingly shy and private. Zehme traces Carson's rise from a magic-obsessed Nebraska boy to a Navy ensign in World War II to a burgeoning radio and TV personality to, eventually, host of The Tonight Show—which he transformed, along with the entirety of American popular culture, over the next three decades. Without Carson, there would be no late-night television as we know it. On a much more intimate level, Zehme also captures the turmoil and anguish that accompanied the success: four marriages, troubles with alcohol, and the devastating loss of a child. In one passage, Zehme notes that when asked by an interviewer in the mid-80s for the secret to his success, Carson replied simply, “Be yourself and tell the truth.” Completed with help from journalist and Zehme's former research assistant Mike Thomas, Carson the Magnificent offers just that: an honest assessment of who Johnny Carson really was.

carol wayne in playboy: The Encyclopedia of Sixties Cool Chris Strodder, 2007-03-01 The Encyclopedia of Sixties Cool profiles over 250 of the most intriguing personalities of the 1960s. The men and women covered in the book include a wide range of celebrities—from well-known superstars (the Beatles, Dustin Hoffman, Muhammad Ali) to lesser-known icons (Nico, Terry Southern, Bo Belinsky)—who had a significant impact on popular culture. The figures include

musicians, actors, directors, artists, athletes, politicians, writers, astronauts . . . anyone and everyone who made the sixties the most influential decade of the twentieth century! Over 200 vintage photographs and more than fifty sidebars are featured throughout the text. The sidebars include lists of Best Picture winners, great quarterbacks, Playmates of the Year, memorable TV theme songs, favorite toys, Disneyland rides, Wimbledon champions, groovy screen cars, surf stars, Indy 500 winners, cool cartoons, sci-fi classics, Bond girls, "bubblegum" hits, beach-movie cameos, and legendary concerts. A "what happened on this day" calendar highlighting landmark events in the lives of those profiled appears on every page. Entertaining and enlightening, *The Encyclopedia of Sixties Cool* is truly a celebration of the grooviest people, events, and artifacts of the 1960s!

carol wayne in playboy: Jesus and John Wayne: How White Evangelicals Corrupted a Faith and Fractured a Nation Kristin Kobes Du Mez, 2020-06-23 NEW YORK TIMES BESTSELLER The "paradigm-influencing" book (*Christianity Today*) that is fundamentally transforming our understanding of white evangelicalism in America. *Jesus and John Wayne* is a sweeping, revisionist history of the last seventy-five years of white evangelicalism, revealing how evangelicals have worked to replace the Jesus of the Gospels with an idol of rugged masculinity and Christian nationalism—or in the words of one modern chaplain, with "a spiritual badass." As acclaimed scholar Kristin Du Mez explains, the key to understanding this transformation is to recognize the centrality of popular culture in contemporary American evangelicalism. Many of today's evangelicals might not be theologically astute, but they know their VeggieTales, they've read John Eldredge's *Wild at Heart*, and they learned about purity before they learned about sex—and they have a silver ring to prove it. Evangelical books, films, music, clothing, and merchandise shape the beliefs of millions. And evangelical culture is teeming with muscular heroes—mythical warriors and rugged soldiers, men like Oliver North, Ronald Reagan, Mel Gibson, and the Duck Dynasty clan, who assert white masculine power in defense of "Christian America." Chief among these evangelical legends is John Wayne, an icon of a lost time when men were uncowed by political correctness, unafraid to tell it like it was, and did what needed to be done. Challenging the commonly held assumption that the "moral majority" backed Donald Trump in 2016 and 2020 for purely pragmatic reasons, Du Mez reveals that Trump in fact represented the fulfillment, rather than the betrayal, of white evangelicals' most deeply held values: patriarchy, authoritarian rule, aggressive foreign policy, fear of Islam, ambivalence toward #MeToo, and opposition to Black Lives Matter and the LGBTQ community. A much-needed reexamination of perhaps the most influential subculture in this country, *Jesus and John Wayne* shows that, far from adhering to biblical principles, modern white evangelicals have remade their faith, with enduring consequences for all Americans.

carol wayne in playboy: Playboy on Stage Patty Farmer, Barbara Van Orden, 2014-10-28 Anyone who hears the word *Playboy* probably thinks immediately of a scantily clad co-ed reclining across the staples of one of the most successful magazines of all time. But *Playboy* is more than a magazine or even a corporate empire; since its start in Hugh Hefner's apartment in 1953, it has become one of the world's best-known brands and an entire lifestyle unto itself. When Hefner opened the first *Playboy* Club in downtown Chicago in 1960, he quite literally gave regular guys the key to participate in his own personal dream. The original Chicago club was quickly followed by venues in Miami, New Orleans, and New York, and eventually all over the United States and the world. And right from the start, world-class entertainment was as much a part of his groundbreaking formula for success as pretty girls or sirloin steaks. Each club was designed as a veritable showbiz multiplex, including a variety of bars and dining rooms as well as several stages on which veterans and up-and-coming entertainers performed. Although Hefner was primarily a jazz fan, the range of acts presented in the club was, by any standards, amazingly diverse. There were all manner of singers, from traditional headliners like Tony Bennett and world-class superstars like Liza Minnelli, Diahann Carroll, and Ann-Margaret, to nascent pop and rock stars including Sonny & Cher and Ike and Tina Turner. Jazz artists and instrumental superstars abounded as well. And the comedians...was there anyone who didn't play the Clubs? At the height of their popularity in the mid 1960s and early 1970s, the *Playboy* Clubs were, collectively, the largest employers of talent in the

United States. As such, they exerted a powerful influence on the culture and on politics, too. As the pioneering African-American humorist Dick Gregory recalls, Hefner and his staff were not only colorblind in their hiring of talent, but used the clubs, no less than the magazine, as a means of furthering an agenda of civil rights and gender equality. While many books have been written about the Playboy Empire, the Bunny experience, and the ultimate Playboy himself, Hugh Hefner, until now, no book has covered Playboy's impact on popular entertainment and the fabulous cadre of performers who took to the stages of the mythic Playboy Clubs. *Playboy on Stage* tells this story from myriad points of view, in the words of dozens of musicians, singers, and comedians, as well as those involved behind the scenes. The book begins as the magazine was born, moving through the 1959 jazz festival and on to the opening of club after club. Throughout its pages are unforgettable reminiscences, anecdotes, and commentary from: Trini Lopez, Lily Tomlin, David Brenner, Jerry Van Dyke, Rich Little, Shecky Greene, Mitzi Gaynor, Steve Rossi, Ramsey Lewis, Kaye Ballard, Mimi Hines, Joan Rivers, Sonny Rollins, Al Jarreau, David Benoit When three buddies in the late 50s decided, almost as a lark, to get into the night club business, little did they realize the empire they'd build and in the process, the number of important artists they would introduce to rapt audiences. *Playboy on Stage* is an enduring, page-turning record of what it felt like under the spotlight, backstage, and in the audience at the world's best-loved key clubs.

carol wayne in playboy: *The playboy and James Bond* Claire Hines, 2018-02-19 This is the first book to focus on James Bond's relationship to the playboy ideal through the sixties and beyond. Examining aspects of the Bond phenomenon and the playboy lifestyle, it considers how ideas of gender and consumption were manipulated to construct and reflect a powerful male fantasy in the post-war era. This analysis of the close association and relations between the emerging cultural icons of James Bond and the playboy is particularly concerned with Sean Connery's definitive Bond as he was promoted and used by the media. By exploring the connections that developed between Bond and Playboy magazine within a historical framework, the book offers new insights into these related phenomena and their enduring legacy in popular culture.

carol wayne in playboy: *Cheap Chic* Caterine Milinaire, Carol Troy, 2015-09-01 "I think it's terrific." -Diane von Furstenberg, of the original edition of *Cheap Chic* Beloved by designers and style mavens alike, the LBD of fashion guides—with a new foreword by Tim Gunn—is back and more in fashion than ever. Before there were street-style blogs and 'zines, there was *Cheap Chic*. Selling hundreds of thousands of copies when it was originally published in 1975, this classic guide revealed how to find the clothes that will make you feel comfortable, confident, sexy, and happy, whether they come from a high-end boutique, sporting-goods store, or thrift shop. Astonishingly relevant forty years later, *Cheap Chic* provides timeless practical advice for creating an affordable, personal wardrobe strategy: what to buy, where to buy it, and how to put it all together to make your own distinctive fashion statement without going broke. Alongside outfit ideas, shopping guides, and other practical tips are the original vintage photographs and advice from fashion icons such as Diana Vreeland and Yves Saint Laurent. Inspiring decades of fashion lovers and designers, *Cheap Chic* is the original fashion bible that proves you don't have to be wealthy to be stylish.

Jean" advice column in Elle Magazine, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called "The Most Hideous Men of My Life," and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her "horrible history with the male sex" (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.

carol wayne in playboy: John Wayne: The Life and Legend Scott Eyman, 2015-04-21 The celebrated Hollywood icon comes fully to life in this complex portrait by noted film historian and master biographer Scott Eyman. Exploring Wayne's early life with a difficult mother and a feckless father, Eyman gets at the details that the bean-counters and myth-spinners miss ... Wayne's intimates have told things here that they've never told anyone else (Los Angeles Times). Eyman makes startling connections to Wayne's later days as an anti-Communist conservative, his stormy marriages to Latina women, and his notorious--and surprisingly long-lived--passionate affair with Marlene Dietrich.

carol wayne in playboy: And the Loser is: A History of Oscar Oversights [2nd Edition] Aubrey Malone, 2020-10-06 This is the first book of its kind. Aubrey Malone has gone back to the start of the Oscar ceremonies and discovered that mistakes have been made every year in the choice of what has been deemed "best" in the categories of acting, directing, producing and the subsidiary awards. He has identified all the great stars (Garbo, Montgomery Clift, Peter O'Toole, Barbara Stanwyck, etc.) who never held Oscars in their hands, and also iconic directors like Stanley Kubrick who were never thus honored. Why were some people over-rewarded by the Academy and why did others fall below the radar? The author outlines all of the extraneous factors leading to voting choices, and how Oscar pariahs have often been subsequently (or even posthumously) awarded for the wrong films to make up for omissions in a given year. With both wit and wisdom he has written an "alternative" history of the Oscars that will be required reading for both academics and film buffs alike. It tells the story behind the story. "If there were Oscars for research, Aubrey Malone would be right up there with the best of them." (Film Ireland)

carol wayne in playboy: Hollywood Death and Scandal Sites E.J. Fleming, 2015-09-30 For more than a century, people have been drawn to sites of tragedy involving the rich, beautiful and notorious of Hollywood. Tourists at the center of the movie universe flock to Rudolph Valentino's grave, the house where Marilyn Monroe died, the O.J. murders condo, the hotel where John Belushi overdosed, a myriad of haunted mansions. In its extensively researched and enlarged second edition, this book tells the stories of these locations and makes finding them simple. Seventeen driving tours include more than 650 sites. Each tour covers a specific area, from Hollywood and the Sunset Strip to Brentwood and Malibu, covering the entire Los Angeles basin. Concise, easy-to-follow directions are given to each location with 145 photos and the fascinating story behind each stop.

carol wayne in playboy: John Wayne Was Here Roland Schaefli, 2021-05-27 John Wayne worked on film sets around the globe. This book follows the trail, from his beginnings on the Fox backlot to his final filming in Lone Pine, California. Locations in Mexico, Normandy, Rome, Madrid, London, Ireland, Libya and Africa are covered, along with his favorite vacation spots in Hawaii, Acapulco, Greece, Monaco, and the Hollywood hot-spots he frequented. Anecdotes revisit his most famous scenes, including Rooster Cogburn's charge in True Grit (1969) and Davy Crockett's last

stand in The Alamo (1960). Production details describe how San Diego stood in for Iwo Jima, how Old Tucson was turned into El Dorado, and how Genghis Kahn ruled over the deserts of Utah. Never before published photos present then-and-now views in this first of its kind guided tour for film location hunters and Wayne aficionados.

carol wayne in playboy: Upgunned David J. Schow, 2012-02-14 A riveting Hitchcockian thriller from the screenwriter of THE CROW. Elias McCabe is having one hell of a night: He gets kidnapped at gunpoint by a professional hit man and is forced to shoot blackmail photos of a prominent politician. Things go wrong with the shoot... very wrong. When the night is over, Elias is scared to death ... and ten thousand dollars richer. If he keeps his mouth shut. But he doesn't — and now the hit man has targeted him for payback. As a desperate amateur in the games of death, Elias is up against a seasoned pro. As his entire life slides into the abyss, he has to stay alive by inventing new ways, moment-by-moment, to avoid, misdirect, and finally confront his ever-more-determined murderer as corpses and collateral damage stack up coast-to-coast in their wake.

carol wayne in playboy: The Hearts of Men Barbara Ehrenreich, 2011-02-09 From the bestselling author of Nickel and Dimed, an explanation of recent sexual culture and the loosening of marriage bonds in recent history. Finally someone is offering a new, utterly plausible explanation...of loosening marriage bonds. According to Barbara Ehrenreich...it is men who started walking off, in search of freedom from their stifling role of breadwinner/success-machine. The shock—and exhilaration—of this book comes from the recognition that here is a woman who has dared to look beyond the everyday assumptions about love and commitment to examine which bonds between men and women can endure and which may last forever.”--Vogue

carol wayne in playboy: Variety and Daily Variety Television Reviews, 1993-1994 Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's A Comedy of Errors. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure and difficult accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

carol wayne in playboy: Recipes for Life Linda Evans, 2016-01-12 In Recipes for Life Linda Evans warmly and candidly serves up a delightful banquet that her Dynasty fans will truly savor. Complete with over 40 recipes, some handed down through generations (Mom's Hot Dog Stew), some taught by famous friends (John Wayne "The Duke's" Crab Dip), some inspired by supreme dining experiences from travels around the world (Ina Garten's Filet of Beef Bourguignon), and still others from her winning appearance on Hell's Kitchen (Hell's Salmon), Recipes for Life is at once a delightful journey and a treasure trove of recipes of a life well-lived by a woman well-loved.

carol wayne in playboy: Dueling Harlows Tom Lisanti, 2024-07-22 In 1965 producers Joseph E. Levine and Bill Sargent were racing to get their problem-laden biopics of Jean Harlow (both titled Harlow) into theaters first. Levine's film starred Carroll Baker in a big-budget, color production. Sargent's movie starred Carol Lynley in a quickie, black and white production shot in a new process called Electronovision. In the press the two producers conducted one of the nastiest feuds Hollywood had ever witnessed, nearly culminating in fisticuffs at the 1965 Academy Awards ceremony. In recounting the making of the two films, this book (expanded from the original self-published edition) touches on Jean Harlow's life, the failed attempts to make a Harlow biopic in the 1950s, and the reviled, bestselling 1964 biography. It details the aftermath of each movie's

release, from scathing reviews to disappointing box office returns to the several lawsuits. Newly discussed are the portrayals of Jean Harlow on stage shortly after the Levine and Sargent films, and the making of the 1977 film *Hughes and Harlow: Angels in Hell* starring Lindsay Bloom as Jean Harlow. The book is generously illustrated and includes interviews with people associated with all three films, including Carol Lynley and Lindsay Bloom.

carol wayne in playboy: *Fatales* Tom Lisanti, Louis Paul, 2002-04-10 Sean Connery began the sixties spy movie boom playing James Bond in *Dr. No* and *From Russia with Love*. Their success inspired every studio in Hollywood and Europe to release everything from serious knockoffs to spoofs on the genre featuring debonair men, futuristic gadgets, exotic locales, and some of the world's most beautiful actresses whose roles ranged from the innocent caught up in a nefarious plot to the femme fatale. Profiled herein are 107 dazzling women, well-known and unknown, who had film and television appearances in the spy genre. They include superstars Doris Day in *Caprice*, Raquel Welch in *Fathom*, and Ann-Margret in *Murderer's Row*; international sex symbols Ursula Andress in *Dr. No* and *Casino Royale*, Elke Sommer in *Deadlier Than the Male*, and Senta Berger in *The Spy with My Face*; and forgotten lovelies Greta Chi in *Fathom*, Alizia Gur in *From Russia with Love*, and Maggie Thrett in *Out of Sight*. Each profile includes a filmography that lists the actresses' more notable films. Some include the actresses' candid comments and anecdotes about their films and television shows, the people they worked with, and their feelings about acting in the spy genre are offered throughout. A list of websites that provide further information on women in spy films and television is also included.

carol wayne in playboy: *Comic Performativities* Dustin Goltz, 2017-06-14 *Comic Performativities: Identity, Internet Outrage, and the Aesthetics of Communication* studies patterns of criticism and public debate in the relationship between humour, identity, and offense. In an increasingly reductive and politically charged debate, right-wing pundits argue leftist politics has compromised a free and open discussion, while scholars take right-wing critics to task for reifying systems of oppression under the guise of reason and respect. In response, Goltz scrutinises twenty-first century comedic controversies, the notion of political correctness, and the so-called outrage machine of social media. How should we appropriately determine whether a joke is sexist, racist, or offensive? Informed by communication, performance, and critical identity theory, Goltz examines infamous controversies involving performers like Sarah Silverman, Amy Schumer, and Seth MacFarlane, and the social media backlash that redefined these events. He investigates the ironic interplay between spoken word, identity, physicality and, as a result, the contrasting meanings potentially construed. Consequently, the book encourages a greater appreciation of the aesthetics involved in comedic performance that help signpost interpretation and emphasizes the role of the audience as self-reflexive and self-aware. This book highlights the significant parallels between the nature of performance art and comedic performance in order to elevate analysis of, and discussion around, contemporary comedy. In doing so, it is an important critical contribution to the field of performance studies and cultural criticism, as well as communication studies, at both the undergraduate and postgraduate level.

carol wayne in playboy: *Dying of Whiteness* Jonathan M. Metz, 2019-03-05 A physician's provocative (*Boston Globe*) and timely (Ibram X. Kendi, *New York Times Book Review*) account of how right-wing backlash policies have deadly consequences -- even for the white voters they promise

to help. In election after election, conservative white Americans have embraced politicians who pledge to make their lives great again. But as physician Jonathan M. Metzl shows in *Dying of Whiteness*, the policies that result actually place white Americans at ever-greater risk of sickness and death. Interviewing a range of everyday Americans, Metzl examines how racial resentment has fueled progun laws in Missouri, resistance to the Affordable Care Act in Tennessee, and cuts to schools and social services in Kansas. He shows these policies' costs: increasing deaths by gun suicide, falling life expectancies, and rising dropout rates. Now updated with a new afterword, *Dying of Whiteness* demonstrates how much white America would benefit by emphasizing cooperation rather than chasing false promises of supremacy. Winner of the Robert F. Kennedy Book Award

carol wayne in playboy: Carolina Beach Music Encyclopedia Rick Simmons, 2018-08-03 While rock groups such as the Beach Boys and Jan and Dean defined the beach music of Southern California during the 1960s, a different, R&B influenced sound could be heard along South Carolina's Grand Strand. Drawing on extensive research and exclusive interviews, this richly illustrated reference work covers the music, songwriters and performers who contributed to the genre of classic Carolina beach music from 1940 to 1980. Detailed entries tell the stories behind nearly 500 classic recordings, with release dates, label information, chart performance and biographical background on more than 200 artists.

carol wayne in playboy: Totally Awesome 80s Matthew Rettenmund, 1996-10-15 The first pop reference book to capture the spirit of the 80s experience, *Totally Awesome 80s* chronicles not only pop music but also the faces, places, fads, fashions, movies, television shows, toys, and videos that defined the Greed Decade. From skinny ties to Valspeak to the birth of MTV, no 80s cultural trend is overlooked in this comprehensive tribute to all things 80s. 300 photos.

carol wayne in playboy: Can't Help Falling Cara Bastone, 2020-08-25 The more you resist, the deeper you'll fall Serafine St. Romain doesn't need her psychic powers to know she's no longer in Tyler Leshuski's good graces. True, she did tear him to pieces when he asked her out, accusing him of being shallow and selfish. Despite the energy crackling between them, the gorgeous sports writer is a no-strings, no-kids kind of guy. And Serafine, raised in the foster system, intends to be a foster parent herself. She won't compromise that dream, even for a man as annoyingly appealing as Tyler. In a simpler world, Tyler would already have gotten Serafine out of his system. For him, women equal fun. Not this kind of bone-deep, disconcerting desire. Life gets even more complicated when he becomes the guardian of his much younger sister. Suddenly, he's way out of his depth. Serafine's the only person who can connect with Kylie. He can't jeopardize that for a fling. But maybe...just maybe...he's finally ready to risk everything on forever.
