The Price of Following: Navigating the Cost of Discipleship

Introduction: Setting the Stage: Understanding the Call to Discipleship

The call to discipleship isn't a casual invitation; it's a profound commitment demanding a willingness to embrace both the joys and the sacrifices inherent in following Christ. This isn't about a once-a-week church attendance; it's about a complete transformation of life, values, and priorities. This introduction lays the groundwork, defining discipleship not as a religious obligation but as a vibrant, dynamic relationship with God, requiring conscious effort, surrender, and a willingness to pay the price. It examines biblical accounts of discipleship, illustrating the challenges and rewards faced by those who walked closely with Jesus. The introduction emphasizes the need for self-reflection and honesty in evaluating one's own level of commitment.

Chapter 1: The Cost of Commitment: What Does it Really Mean to Follow Christ?

This chapter delves into the core meaning of discipleship, moving beyond surface-level understandings. We explore biblical passages that directly address the cost of following Christ, such as Luke 9:23-26 ("If anyone would come after me, let him deny himself and take up his cross daily and follow me."). We examine what it practically means to "deny oneself," "take up one's cross," and

“follow” Jesus. This isn't simply about abstaining from certain behaviors; it involves a radical shift in priorities, placing God's will above personal desires and ambitions. The chapter challenges readers to confront the potential costs—financial sacrifices, social isolation, personal discomfort—and honestly assess their willingness to pay the price. Specific examples from the lives of biblical figures and modern-day disciples will illustrate the varying forms these sacrifices can take.

Chapter 2: Identifying Your Personal Sacrifices: Confronting the Challenges

This chapter encourages readers to undertake a personal inventory, identifying the specific areas in their lives where they're compromising their faith for the sake of comfort or convenience. This process requires self-reflection, honesty, and a willingness to confront uncomfortable truths. Using practical exercises and questions for self-examination, the chapter guides readers in identifying potential conflicts between their faith and their actions. Examples include time commitments, financial priorities, relationships, and personal ambitions. This isn't about self-condemnation, but about identifying areas where growth and transformation are needed. The chapter provides tools to help readers discern between legitimate limitations and willful compromises.

Chapter 3: Overcoming Obstacles: Practical Steps to Living a Committed Life

Armed with a clearer understanding of their personal challenges, readers are equipped in this chapter with practical strategies for overcoming obstacles to a more committed life. This section provides concrete steps to navigate the difficulties encountered. Strategies include prayer, seeking accountability partners, developing spiritual disciplines (such as Bible study, meditation, and fasting), and utilizing the support of a faith community. Specific examples of overcoming various challenges—financial hardship, difficult relationships, personal temptations—are provided. This chapter emphasizes the importance of perseverance, resilience, and seeking God's guidance in each step of the journey.

Chapter 4: The Unexpected Rewards: Blessings and Growth Through Sacrifice

This chapter shifts the focus from the sacrifices to the incredible rewards that accompany a life of committed discipleship. It explores the spiritual, emotional, and relational blessings that often accompany a willingness to pay the price. This isn't about a transactional approach to faith ("I'll do this, and God will give me that"), but rather about recognizing the inherent blessings of growing closer to God and living a life aligned with His will. We'll examine biblical accounts and testimonies

of individuals who experienced profound transformation and blessing as a result of their commitment. The chapter emphasizes the spiritual growth, increased peace, and strengthened relationships that come from living a life of purpose.

Chapter 5: Building a Community of Faith: Finding Support and Encouragement

This chapter highlights the crucial role of community in navigating the challenges of discipleship. It emphasizes the importance of finding a supportive group of believers who understand the journey and can offer encouragement, accountability, and prayer. The chapter explores different ways to connect with a faith community – through local churches, small groups, online forums, or mentoring relationships. It offers advice on choosing a community that is healthy, supportive, and fosters spiritual growth. The chapter also addresses the importance of offering support and encouragement to fellow believers, recognizing that discipleship is a journey shared, not traveled alone.

Conclusion: Embracing the Journey: A Life of Purpose and Meaning

The conclusion summarizes the key themes explored throughout the book and encourages readers to embrace the journey of discipleship with renewed purpose and resolve. It reinforces the idea that the cost of discipleship is far outweighed by the rewards – a deeper relationship with Christ, a life of purpose and meaning, and the joy of impacting the world around them. The conclusion inspires readers to continue their journey, reminding them that they are not alone and that God's grace and strength are sufficient for every challenge. It provides a call to action, encouraging readers to take concrete steps toward living out their faith more fully.

cost of discipleship pdf: The Lost Art of Disciple Making LeRoy Eims, 2009-07-13 Every believer in Jesus Christ deserves the opportunity of personal nurture and development. says LeRoy Eims. But all too often the opportunity isn't there. We neglect the young Christian in our whirl of programs, church services, and fellowship groups. And we neglect to raise up workers and leaders who can disciple young believers into mature and fruitful Christians. In simple, practical, and biblical terms, LeRoy Eims revives the lost art of disciple making. He explains: - How the early church disciplined new Christians - How to meet the basic needs of a growing Christian - How to spot and train potential workers - How to develop mature, godly leaders True growth takes time and tears and love and patience, Eims states. There is no instant maturity. This book examines the growth process in the life of a Christian and considers what nurture and guidance it takes to develop spiritually qualified workers in the church.

cost of discipleship pdf: The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to make disciples of all the nations. But Christians have responded by making Christians, not disciples. This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. The word disciple occurs 269 times in the New Testament, writes Willard. Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

cost of discipleship pdf: Costly Grace Jon Walker, 2010 In 1937, on the threshold of Nazi Germany's war on the world, Dietrich Bonhoeffer wrote what turned out to be one of the most influential books of the century, The Cost of Discipleship. In it, he challenged the flabby faith and compromises of German Christians, famously writing, When Christ calls a man he bids him come and die. Now, seventy-three years after the book was first published, Jon Walker writes Costly Grace: A Contemporary View of Dietrich Bonhoeffer's The Cost of Discipleship. Walker brings to a new generation the timeless message of Bonhoeffer against the background of today's political upheaval and societal change and what it means to those who claim to follow Christ's teachings.

Simpson, 2017-01-31 Updated Edition of a Bestselling Study of Jesus and the Gospels In this work Darrell Bock, a leading evangelical New Testament scholar who speaks and teaches around the world, and Benjamin Simpson show that a coherent portrait of Jesus emerges from the four Gospels when they are taken seriously as historical documents. cost of discipleship pdf: *Radical* David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

cost of discipleship pdf: *Radical Depravity* John Owen, J. C. Ryle, Arthur W. Pink , Thomas Reade, Joel Beeke , John Flavel, Charles H. Spurgeon, Felipe Chavarro Polanía, 2020-10-09 Jesus Christ saves radically depraved men, women, and children from their sins. However, to understand, believe, and love the good news about the crucified and resurrected Savior, we must first understand our condition. Thus, we offer this issue of the *Free Grace Broadcaster*: *Radical Depravity*. Arthur Pink introduces us to this weighty subject by asking the question, "Is man a totally and thoroughly depraved creature by nature?" Thomas Reade then tells us about the deadly consequences and bitter fruits of Adam's fall: in Adam all die. We then consider Joel Beeke's helpful survey of the doctrine of human depravity. A second article by Thomas Reade leads us to a painful truth: the heart of man is evil. But he does not leave us there: he takes us to the blessed Son of God for deliverance. John Owen describes with great clarity the depraved and corrupted state of man's mind and teaches us that the only remedy for this great darkness is the new birth: "You must be born again." Loraine Boettner explains the extent and effects of original sin, which results in human inability in the matters of salvation. What is our true spiritual condition outside of Christ? Charles Spurgeon declares that we are legally, spiritually, and eternally dead. Nevertheless, he also tells us that we can be legally, spiritually, eternally alive by faith in Jesus Christ the Son! We then hear from John Flavel that in mercy, grace, and love, God draws sinners to Jesus Christ, gradually, suitably, powerfully, effectually, and finally. That is indeed good news! J. C. Ryle brings our subject to a close by asking a penetrating question: "Are you dead or alive?" Each of us, dear readers, must answer that question.

cost of discipleship pdf: *Following the Master* Michael J. Wilkins, 2010-08-03 In the aftermath of the waves of discipleship programs that have swept over the church in the last 30 years, clergy, and laypersons alike are more confused than ever about what it means to be a disciple of Jesus Christ. What should a disciple of Jesus look and act like today? What is the relationship between discipleship and salvation, between discipleship and sanctification, between discipleship

and ministry? How were disciples of Jesus different from other disciples in the ancient world? How did the early church carry out Jesus' agenda in making disciples of all the nations? In *Following the Master*, Michael J. Wilkins addresses these and many other questions that perplex the church today—not by offering another discipleship program or manual but by presenting a comprehensive biblical theology of discipleship. *Following the Master* compares other forms of master-disciple relationships in existence in the ancient Judaism and Greco-Roman world, traces Jesus' steps as he called and developed disciples, and Mediterranean world as it followed Jesus' command to make disciples. *Following the Master* lays the groundwork necessary for developing biblical discipleship ministries in the church, on the mission field, and in parachurch ministries. It is essential reading for all pastors, students, and Christian workers.

cost of discipleship pdf: *Beautiful Resistance* Jon Tyson, 2020-07-21 In a time of compromise and disillusionment, God is calling his people to a movement of beautiful resistance. We live in a time when our culture is becoming increasingly shallow, coarse, and empty. Radical shifts in the areas of sexuality, ethics, technology, secular ideologies, and religion have caused the once-familiar landscape of a generation ago to be virtually unrecognizable. Yet rather than shine as a beacon of light, the church often is silent or accommodating. This isn't a new phenomenon. During World War II, pastor and theologian Dietrich Bonhoeffer was deeply troubled by the compromise in the German church. Their capitulation to the Nazi party brought shame and dishonor to the gospel. In response, he helped create an underground movement of churches that trained disciples and ultimately sought to renew the church and culture of the day. In our compromised church, we need new underground movements of discipleship and resistance. Widely respected New York pastor Jon Tyson unveils a revived vision for faithful discipleship—one that dares to renew culture, restore credibility, and replace compromise with conviction. For all who have felt this conflict in the soul between who we are and who God calls us to be, *Beautiful Resistance* is a bold invitation to reclaim what's been lost—regardless of the cost. Praise for *Beautiful Resistance* "Beautiful Resistance is one of the most compelling and defiant books I've read in a long time. I love Jon's radical, no-messing vision of the church as a prophetic community. This is a wake-up call for us all from the heart of a man who lives his message, loves his city, and serves his Lord with a passion and intelligence destined to become less rare."—Pete Greig, founder of the 24-7 Prayer movement

cost of discipleship pdf: *The Disciple-Making Church* Bill Hull, 2010-06-15 Scripture places high priority on the discipling capacity of the church, This book shows how to accomplish it. Foreword by Howard Ball.

cost of discipleship pdf: *Conversion and Discipleship* Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it. The end result is that the disciple becomes the kind of person who naturally does what Jesus did. How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship. Our doctrines of grace and salvation, in some cases, actually prevent us from creating an expectation that we are to be disciples of Jesus. A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus. Being a follower is seen as an optional add-on, not a requirement. It is a choice, not a demand. Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ. In this ground-breaking new book, pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus. He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion—answering the call to follow Jesus—and discipleship—living like the one we claim to follow.

cost of discipleship pdf: *Creation and Fall Temptation* Dietrich Bonhoeffer, 1997-03-12 In this enlightening study, renowned twentieth-century theologian Dietrich Bonhoeffer offers a careful textual analysis of the story of creation, approaching the biblical tale of Genesis with the eye of a philosopher and the soul of a true Christian. "Creation and Fall" is Bonhoeffer's lucid, brilliant

analysis of the first three chapters of Genesis. Here he discusses the seeming scientific naiveté behind the creation story, God's love and goodness, and humanity's creation, its free will, and its blessedness. Bonhoeffer also tackles difficult questions that are raised from the first book of the Bible, questions about the seemingly redundant second story of creation, about God's own beginning, about the source of the light that was created the first day. The author then expounds upon Adam and Eve's fall from grace: How could they, creatures made in God's image, have thought to oppose God so foully? Where did the first evil come from? How did humanity lose its right to live in paradise? In "Temptation," Bonhoeffer questions how temptation appeared in the midst of Eden's innocence, and he explores the very nature of evil. Bonhoeffer explains that Jesus Christ helps us to understand and conquer physical and spiritual temptation through His grace and goodness.

cost of discipleship pdf: The Master Plan of Discipleship Robert E. Coleman, 2020-09-08 When the first disciples went out into all the world to spread the gospel, they didn't just make converts--they made more disciples, people who would grow in the faith and then go out to make disciples as well. Their world was a lot like ours, filled with skeptics, idolatry, and opposition, but also with hurting people whom God had already prepared to hear, learn, and be transformed. In the pattern of his bestselling book *The Master Plan of Evangelism*, author Robert E. Coleman offers a close examination of how Jesus made disciples and how his followers did the same throughout the book of Acts. Coleman then shows how to apply these methods to the modern church, which creates actual sustained church growth rather than simply a temporary boost in numbers. Pastors, church leaders, and those involved in teaching and discipling believers will find this book to be an invaluable resource to equip the saints, build fellowship, and grow their ministry.

cost of discipleship pdf: Untamed (Shapevine) Alan Hirsch, Debra Hirsch, 2010-02-01 Discipleship is costly. Are we willing to critique and even challenge much we've been taught for the sake of the kingdom? For this is the radical nature of the discipleship to which Jesus calls us. He did not allow the outside culture to hold him captive; instead he established the kingdom of God and turned the world on its head. Jesus was untamed, and he calls his church to be the same. In this provocative and compelling book, internationally known missiologists Alan and Debra Hirsch overthrow culturized understandings of theology and culture, and cast a vision for a distinctly mission-shaped way of living the Christian life. Written for any Christian serious about issue of discipleship, *Untamed* covers such topics as church, humans as bearers of the image of God, family life, culture, and sexuality. Through it all they seek to answer the question, how are we to think and live day to day as followers of Jesus? Each chapter ends with suggested practices to help readers begin to live out the book's principles as well as questions for group discussion.

cost of discipleship pdf: Ethics Dietrich Bonhoeffer, 2012-03-20 From one of the most important theologians of the twentieth century, *Ethics* is the seminal reinterpretation of the role of Christianity in the modern, secularized world. The Christian does not live in a vacuum, says the author, but in a world of government, politics, labor, and marriage. Hence, Christian ethics cannot exist in a vacuum; what the Christian needs, claims Dietrich Bonhoeffer, is concrete instruction in a concrete situation. Although the author died before completing his work, this book is recognized as a major contribution to Christian ethics. The root and ground of Christian ethics, the author says, is the reality of God as revealed in Jesus Christ. This reality is not manifest in the Church as distinct from the secular world; such a juxtaposition of two separate spheres, Bonhoeffer insists, is a denial of God's having reconciled the whole world to himself in Christ. On the contrary, God's commandment is to be found and known in the Church, the family, labor, and government. His commandment permits man to live as man before God, in a world God made, with responsibility for the institutions of that world.
