Deconstructing Communion: A Critical Analysis of Whitley Strieber's Encounter

Introduction: Setting the Stage for Whitley Strieber's Communion

Whitley Strieber's *Communion*, published in 1987, remains a landmark text in the UFO and alien abduction literature. Its impact transcends the genre, sparking countless discussions, debates, and interpretations. This book, a deeply personal account of Strieber's alleged encounters with extraterrestrial beings, catapulted the topic of alien abductions into mainstream consciousness. Understanding the context of its release is crucial to appreciating its lasting influence. The 1980s saw a surge in public interest in the paranormal, fueled by a growing skepticism towards official narratives and a burgeoning interest in alternative explanations for unexplained phenomena. This fertile ground allowed *Communion* to find a wide audience, eager for narratives that challenged established norms. This introduction serves to establish the historical and cultural backdrop against which Strieber's experiences, and the subsequent publication of his book, should be understood. We'll explore the pre-existing beliefs and fears that informed the public's reception of *Communion*, setting the stage for a deeper analysis of the book's content and lasting legacy.

Chapter 1: The Abduction Narrative: A Detailed Examination of Strieber's Account

The heart of *Communion* lies in Strieber's detailed and often disturbing account of his alleged abduction experiences. He meticulously describes the encounters, the beings he encountered (often referred to as "Visitors"), and the overwhelming emotional and psychological impact these events had on him. This chapter will undertake a thorough examination of the narrative itself, focusing on key events and the emotional arc of Strieber's recounting. We'll analyze the descriptions of the Visitors—their physical appearance, their behavior, and the seemingly inexplicable technology they employ. Crucially, we will pay close attention to the psychological toll these experiences took on Strieber, tracing his descent into fear, confusion, and the desperate search for answers. The narrative's power lies not just in the fantastical elements, but in the raw, visceral honesty with which Strieber conveys his fear and vulnerability. This chapter will delve into these aspects, exploring how Strieber's emotional journey enhances the book's overall impact and strengthens its persuasiveness for many readers.

Chapter 2: Psychological Interpretations: Understanding the Possible Explanations

While many accept Strieber's account at face value, a crucial element of any critical analysis involves exploring alternative explanations. This chapter will delve into the realm of psychological interpretations, examining potential factors that might contribute to Strieber's experiences. We will

explore the possibility of sleep paralysis, a phenomenon characterized by the inability to move while falling asleep or waking up, often accompanied by vivid hallucinations. Hypnagogic hallucinations, which occur during the transition between wakefulness and sleep, will also be examined as a potential explanation for some of the events Strieber describes. Further, this chapter will discuss the role of trauma, stress, and pre-existing beliefs in shaping and interpreting experiences. The goal isn't to dismiss Strieber's account but to present a balanced perspective, considering the potential impact of psychological factors on his narrative. We'll also explore the potential influence of cultural narratives and media representations of alien encounters on shaping his perceptions and recall.

Chapter 3: Sociological and Cultural Contexts: Communion Within its Time

The impact of *Communion* wasn't solely determined by its content; the socio-cultural context of its release played a significant role. This chapter will explore the societal and cultural factors that contributed to the book's reception and its lasting influence. We will analyze the heightened interest in UFOs and alien encounters in the 1980s, fueled by a growing skepticism towards government secrecy and a desire for alternative explanations to unexplained phenomena. We will examine how the book tapped into existing anxieties and beliefs about government conspiracies and the potential for extraterrestrial contact. This chapter will also investigate the role of media coverage in shaping public perception, analyzing how the book was presented and discussed in newspapers, magazines, and television programs. Understanding the cultural climate surrounding the book's publication is crucial to grasping its full significance and its impact on subsequent discussions about alien abductions.

Chapter 4: The Scientific Perspective: Examining the Plausibility of Strieber's Claims

From a scientific perspective, Strieber's claims are extraordinarily difficult to reconcile with current scientific understanding. This chapter will explore the scientific community's response to *Communion*, examining the challenges presented by Strieber's narrative to established scientific paradigms. We'll discuss the lack of verifiable evidence for alien encounters and the limitations of anecdotal evidence. We'll review scientific investigations into extraterrestrial life, analyzing the probability of interstellar travel and the potential challenges to such endeavors. Furthermore, this chapter will address the scientific methodology used to investigate claims of alien abductions, exploring the challenges of verifying subjective experiences and the potential for misinterpretations or misrememberings. This chapter is not about dismissing the possibility of extraterrestrial life, but about applying scientific rigor to the evaluation of Strieber's claims, recognizing the limits of current scientific knowledge and the extraordinary nature of the claims made in *Communion*.

Chapter 5: Spiritual and Philosophical Implications: Exploring Deeper Meanings

Beyond the scientific and psychological aspects, Communion raises profound spiritual and philosophical questions. This chapter delves into the metaphysical implications of Strieber's experiences, exploring the possibility that his encounters represent something beyond a simple alien abduction narrative. We'll examine the themes of altered states of consciousness, the nature of reality, and the limits of human perception. We'll consider the potential for transcendence and the implications for our understanding of consciousness and existence. The chapter will explore the various interpretations offered by readers and scholars, ranging from psychological explanations to spiritual awakening narratives. This section aims to offer a deeper reflection on the meaning and significance of Strieber's experiences, acknowledging the subjective nature of such interpretations and the potential for diverse perspectives.

Chapter 6: The Legacy of Communion: Enduring Influence and Ongoing Impact

Communion has left an undeniable mark on popular culture, influencing subsequent works of fiction and nonfiction, sparking countless discussions, and shaping the broader discourse on UFOs and alien abductions. This chapter explores the book's lasting influence. We'll analyze how Communion has impacted the genre of alien abduction literature, inspiring countless other accounts and contributing to the widespread belief in this phenomenon. The chapter will also examine the book's influence on film, television, and other media, noting its impact on the portrayal of alien encounters in popular culture. Finally, the chapter will discuss the ongoing debates and controversies surrounding the book, acknowledging the diverse range of opinions and interpretations that continue to surround Strieber's narrative. We will evaluate the enduring mystery surrounding Communion and its continued relevance in the contemporary discussion surrounding UFOs and extraterrestrial life.

Conclusion: Synthesizing the Key Arguments and Final Thoughts

This ebook offers a comprehensive exploration of Communion, presenting a multi-faceted analysis that considers psychological, sociological, scientific, and spiritual perspectives. While the central narrative remains intensely personal and subjective, its impact transcends the individual experience. The conclusion summarizes the key findings, revisiting the main arguments presented throughout the chapters. It will reiterate the importance of a balanced perspective, acknowledging the power of Strieber's narrative while critically examining its potential interpretations. Ultimately, this ebook

leaves the reader with a deeper understanding of Communion, its enduring legacy, and the broader questions it raises about the nature of reality, human consciousness, and the possibility of extraterrestrial life.

communion whitley strieber pdf: *Majestic* Whitley Strieber, 2011-08-02 It is time for the truth to be told... On July 2, 1947 something crashed in the desert outside of Roswell, New Mexico. An explosion of light and sound made the sheep wail, the chickens squawk, and the children scream. And then the ranchers heard a noise they thought could only have come from the devil himself. For forty years, Majestic Agency director Wilfred Stone helped the CIA pretend the landing never happened. Then his conscience got the better of him. This is the real story, told to reporter Nicholas A. Duke by the guilt-racked shell of the man who once worked tirelessly to cover it all up. It is a truth so terrifying that Whitley Strieber had to call it fiction. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

communion whitley strieber pdf: The Communion Letters Anne Strieber, Whitley Strieber, 2016-06-21 THE HEART OF THE MYSTERY They are called Others, Visitors, Grays, Friends, or Strangers. No one knows who or what they are. But due to intense investigations of the past few years, resulting from the publication of the controversial bestseller *Communion*, their reality is no longer a question. THEY ARE AMONG US. These letters, often awkward, sometimes incredulous, and always searingly honest, document the fact that hundreds of thousands have experienced the *Communion* phenomena: childhood visitations, the nine knocks, mysterious scars and implants, abductions, sexual encounters, and black sedans. It's all here. Unvarnished and irrefutable. Assembled for the first time, these letters lead us to the heart of the greatest mystery of our age. For it is in these authentic personal encounters of ordinary men and women that we come closest to the truth about who They are and what They want with us. In the dramatic words of Whitley Strieber, these letters report—a courtship.

communion whitley strieber pdf: The Super Natural Whitley Strieber, Jeffrey J. Kripal, 2017-09-26 Two of today's maverick authors on anomalous experience present a perception-altering and intellectually thrilling analysis of why the paranormal is real, but radically different from what is conventionally understood. Whitley Strieber (*Communion*) and Jeffrey J. Kripal (J. Newton Rayzor professor of religion at Rice University) team up on this unprecedented and intellectually vibrant new framing of inexplicable events and experiences. Rather than merely document the anomalous, these authors—one the man who popularized alien abduction and the other a renowned scholar and renegade advocate for including the paranormal in religious studies (*The New York Times*)—deliver a fast-paced and exhilarating study of why the supernatural is neither fantasy nor fiction but a vital and authentic aspect of life. Their suggestion? That all kinds of impossible things, from extra-dimensional beings to bilocation to bumps in the night, are not impossible at all: rather, they are a part of our natural world. But this natural world is immeasurably more weird, more wonderful,

and probably more populated than we have so far imagined with our current categories and cultures, which are what really make these things seem impossible. The Super Natural considers that the natural world is actually a super natural world--and all we have to do to see this is to change the lenses through which we are looking at it and the languages through which we are presently limiting it. In short: The extraordinary exists if we know how to look at and think about it.

communion whitley strieber pdf: *Solving the Communion Enigma* Whitley Strieber, 2012-01-05 The bestselling author probes the ultimate significance behind today's increasing reports of UFOs, alien abductions, crop circles, and other unexplained phenomena--and what they mean for humanity's immediate future. In 1987 writer Whitley Strieber exposed the world to the truth about alien abduction in his landmark memoir, *Communion*. For the first time in years, Strieber revisits his encounter with alien intelligences--but now dramatically widens his search to explore how the visitors connect with today's persistent and globe-spanning reports of anomalous phenomena, such as crop circles, cattle mutilations, UFO sightings, alien abductions, near-death experiences, close encounters, and unexplained bodily implants. In his magisterial style, Strieber contextualizes these bizarre and unsettling reports with his own childhood memories of strange schools, sinister experiments, and family secrets. In exploring today's most convincing cases of unexplained phenomena, Strieber reasons that they are not unrelated events. Nor are they the result of mass delusion. In some of his most persuasive writing, Strieber argues that the wave of mysterious episodes marks a transition that humanity is undergoing right now. Against all conscious understanding, we are experiencing a broadened awareness of dimensions of reality that exist beyond our current perceptions.

communion whitley strieber pdf: *A New World* Whitley Strieber, 2020 In September of 2015 the visitors in Whitley Strieber's immortal bestseller *Communion* returned to his life. *A New World* details their powerful message: A new world is coming...if we can take it. In 2018, the US Navy admitted that videos taken off the carrier Nimitz by pilots using ultra-sophisticated cameras were of unknown objects with incredible flight characteristics. Add to this the past seventy years of UFO evidence, and it is now undeniable that something unknown is flying around in our skies. But why are they here? There are millions of close encounter witnesses who would say that they are here for us, and have already been in contact with us for two generations, while the official world and the media have been in denial. In 1987, author Whitley Strieber published *Communion* about his own close encounter. It was met with brutal skepticism...but not from other close encounter witnesses, who wrote him in the hundreds of thousands, telling of their own experiences. With these overwhelming accounts of alien encounters, Rice University in Houston, Texas, has archived these letters as a testimony that we are not alone. After thirty-three years of having them in his life, and an entirely new group of encounters starting in 2015, Whitley Strieber returns with a new vision of contact that will shatter all of our previous theories and beliefs and reveal the experience for what it is: the strangest, most powerful, and potentially most important thing that has ever happened to mankind.

communion whitley strieber pdf: [Making Contact](#) Alan Steinfeld, 2021-05-04 I feel it is one of the best approaches I have found to grasp the most jarring enigma humanity has ever faced. —George Noory, host of Coast to Coast AM “We cannot separate the earth from its greater cosmic environment. What is needed is a new story and Alan Steinfeld’s *Making Contact* is part of that story.” —Deepak Chopra, Author, *Total Meditation* How can we prepare for an event that is literally beyond anything humanity has ever faced? *Making Contact* presents multiple perspectives on what no longer can be denied: UFOs and their occupants are visiting our world. The book answers questions which remain in the wake of the recent Pentagon’s disclosures as to who and why these beings are here. The volume contains original writings by the leading experts of the phenomena such as: Linda Moulton Howe, Earthfiles reporter, Whitley Strieber best-selling author of *Communion*, Professor John E. Mack, former head of the Harvard Medical school of psychiatry and an alien abduction investigator, Darryl Anka internationally known for his communication with the extraterrestrial Bashar, Nick Pope, former UK Ministry of Defense UFO investigator, Grant Cameron expert on American presidents and UFOs, Drs. J.J. and Desiree Hurtak, globalists and founders of the worldwide organization, The Academy for Future Science, Caroline Cory, director of Superhuman and ET: Contact, Mary Rodwell, author of the *New Human* about star-seed children, Henrietta Weekes, actress and writer, expressing the poetic aspects of making contact. Alan Steinfeld, contributes and curates the collection with 30 years of experience with the subject. The Foreword by George Noory of Coast to Coast AM kicks off the volume with his veteran overview of the need to wake up to the “new realities of extraterrestrial existence.” At this critical juncture in the government’s official acknowledgement of the reality of UFOs/UAPs, scientists, politicians and mainstream news outlets have no idea what to make of these startling revelations or the outpouring of sightings and “contact” experiences currently being reported on a global scale. The book stands as the most comprehensive clarification to date on the intent and intelligence behind the phenomena. The variety of viewpoints expressed in the volume provide a solid foundation for the

“preparation” of the greatest challenge to ever face humankind. Making Contact stands as the essential handbook for embracing the most exalted moment in history: Meeting the cosmic others.

communion whitley strieber pdf: The Key Walker & Collier, Incorporated, 2001 The Key is a transcription of a conversation that took place in June of 1999 about life, the soul and the human condition. The book has been an internet bestseller since it was published in an online-only edition in 2001. For more information, go to www.unknowncountry.com, the website of author Whitley Strieber.

communion whitley strieber pdf: The Key Whitley Strieber, 2011-05-12 From the bestselling author of Communion comes the mysterious true story of how an unknown visitor barged into Strieber's hotel room late one night--and imparted extraordinary lessons in personal development and man's fate that challenge us to rethink every assumption about the meaning of life. At two-thirty in the morning of June 6, 1998, Whitley Strieber was awakened by somebody knocking on his hotel room door. A man came in, and everything he said was life-altering. This is the unsettling and ultimately enlightening narrative of what happened that night. Strieber was never really sure who this strange and knowing visitor was--a Master of Wisdom? A figure from a different realm of consciousness? A preternaturally intelligent being? He called him the Master of the Key. The one thing of which Strieber was certain is that both the man and the encounter were real. The main concern of the Master of the Key is to save each of us from self-imprisonment. Mankind is trapped, the stranger tells Strieber. I want to help you spring the trap. In a sweeping exchange between Strieber and the stranger--which takes the form of a classical student- teacher dialogue in pursuit of inner understanding--the unknown man presents a lesson in human potential, esoteric psychology, and man's fate. He illuminates why man has been caught in a cycle of repeat violence and self-destruction--and the slender, but very real, possibility for release. In its breadth and intimacy, The Key is on par with contemporary metaphysical traditions, such as A Course in Miracles, or even with the dialogues of modern wisdom teachers, such as D.T. Suzuki and Carl Jung.

communion whitley strieber pdf: *Communion with God* John Owen, 2001-11 Communion with God, or in full, Of communion with God the Father, Son, and Holy Ghost each person distinctly, in love, grace, and consolation; or, the saints' fellowship with the Father, Son, and Holy Ghost unfolded, is John Owen's finest devotional treatise. This work expounds the most glorious truth that believers may have distinct communion with the three persons Father, Son, and Spirit, and being addressed to the Christian reader is simpler than much of Owen's theology. (Unabridged. Includes all footnotes.)

communion whitley strieber pdf: **Behold a Pale Horse** William Cooper, 2012-04-11 Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. In 1988 Bill decided to talk due to events then taking place worldwide, events which he had seen plans for back in the early '70s. Since Bill has been talking, he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Bill Cooper is the world's leading expert on UFOs. -- Billy Goodman, KVEG, Las Vegas. The onlt man in America who has all the pieces to the puzzle that has troubled so many for so long. -- Anthony Hilder, Radio Free America William Cooper may be one of America's greatest heros, and this story may be the biggest story in the history of the world. -- Mills Crenshaw, KTALK, Salt Lake City. Like it or not, everything is changing. The result will be the most

wonderful experience in the history of man or the most horrible enslavement that you can imagine. Be active or abdicate, the future is in your hands. -- William Cooper, October 24, 1989.

communion whitley strieber pdf: Mutants and Mystics Jeffrey J. Kripal, 2011-11-15 Account of how comic book heroes have helped their creators and fans alike explore and express a wealth of paranormal experiences ignored by mainstream science. Delving deeply into the work of major figures in the field - from Jack Kirby's cosmic superhero sagas and Philip K. Dick's futuristic head-trips to Alan Moore's sex magic and Whitley Strieber's communion with visitors - Kripal shows how creators turned to science fiction to convey the reality of the inexplicable and the paranormal they experienced in their lives. Expanded consciousness found its language in the metaphors of sci-fi - incredible powers, unprecedented mutations, time-loops and vast intergalactic intelligences - and the deeper influences of mythology and religion that these in turn drew from ; the wildly creative work that followed caught the imaginations of millions. Moving deftly from Cold War science and Fredric Wertham's anticomics crusade to gnostic revelation and alien abduction, Kripal spins out a hidden history of American culture, rich with mythical themes and shot through with an awareness that there are other realities far beyond our everyday understanding.--Jacket.

communion whitley strieber pdf: Lilith's Dream Whitley Strieber, 2002-10-15 An ancient vampire, beautiful beyond words, a vulnerable young man drawn to her by a power beyond his understanding, two desperate parents searching across the world for the son they love -- these are the riveting, unexpected elements of Whitley Strieber's extraordinary new novel. Lilith, the ages-old mother of the dying race of vampires, has been forced to come out of her cave deep in the Egyptian desert in search of food -- human blood. But she knows nothing about the modern world. She can't drive a car, rent a room, turn on a TV. She struggles to New York, penniless, vulnerable, and starving, protected only by her beauty and her power to capture men with desire...especially certain very special men. The instant she sees young Ian Ward, she knows that he is part vampire himself. She knows that Ian, if he ever tastes human blood, will belong to her forever. And she needs him desperately, to help her survive and live in this harsh new world of jets and credit cards and guns. She sets out on a campaign of seduction -- as sensuous as it is terrifying -- to touch human blood to Ian's lips, which will then become for him a drug a thousand times more addictive than heroin. Ian's father, Paul Ward, part vampire turned expert and obsessive hunter of vampires, knows that if the blood transforms Ian, Paul will have to kill his own son. The titanic conflict between father and son and seductress, hunter and hunted and huntress, comes to its surprise conclusion in the secret chambers beneath the great pyramids, where the hidden truths of all human history are stored. From its beginning in the dark back alleys of Cairo to its totally unexpected ending, *Lilith's Dream* draws the reader down seductive new paths of discovery, into places where no novel has ever before. With *Lilith's Dream* Whitley Strieber has created a vampire so original and a story so new that he has virtually invented a new genre.

communion whitley strieber pdf: Transmodern Perspectives on Contemporary Literatures in English Jessica Aliaga-Lavrijsen, José María Yebra-Pertusa, 2019-03-14 Transmodern Perspectives on Contemporary Literatures in English offers a constructive dialogue on the concept of the transmodern, focusing on the works by very different contemporary authors from all over the world, such as: Chimanda Ngozi Adichie, Margaret Atwood, Sebastian Barry, A. S. Byatt, Tabish Khair, David Mitchell, Alice Munroe, Harry Parker, Caryl Phillips, Richard Rodriguez, Alan Spence, Tim Winton and Kenneth White. The volume offers a thorough questioning of the concept of the transmodern, as well as an informed insight into the future formal and thematic development of literatures in English.

communion whitley strieber pdf: Dancing Naked in the Mind Field Kary Mullis, 2010-11-17 Here is a multidimensional playland of ideas from the world's most eccentric Nobel-Prize winning scientist. Kary Mullis is legendary for his invention of PCR, which redefined the world of DNA, genetics, and forensic science. He is also a surfer, a veteran of Berkeley in the sixties, and perhaps the only Nobel laureate to describe a possible encounter with aliens. A scientist of boundless curiosity, he refuses to accept any proposition based on secondhand or hearsay evidence,

and always looks for the money trail when scientists make announcements. Mullis writes with passion and humor about a wide range of topics: from global warming to the O. J. Simpson trial, from poisonous spiders to HIV, from scientific method to astrology. *Dancing Naked in the Mind Field* challenges us to question the authority of scientific dogma even as it reveals the workings of an uncannily original scientific mind.

We can take action today to avoid THE COMING GLOBAL SUPERSTORM.

communion whitley strieber pdf: The Afterlife Revolution Whitley Strieber, Anne Strieber, 2020 Can love endure even after death? *The Afterlife Revolution*, written by Whitley and Anne Strieber, is among the most convincing stories of afterlife communication ever told, and is a ringing endorsement not only of the fact that we do not die, but also that the power of love can create an actual bridge between the physical and nonphysical worlds. After Anne Strieber died in August 2015, she returned to her husband, Whitley, in an ingenious and convincing way. Whitley began to communicate with her, and *The Afterlife Revolution* began out of this exchange of love from both worlds. Whitley's grief at her loss has transformed into a warm and deeply satisfying new form of love. After a near-death experience in 2004, Anne Strieber became an expert in afterlife studies and created an ingenious plan of contact, which, to her husband Whitley's amazement, she proceeded to carry out, starting just an hour and a half after she died. As verified by famed afterlife researcher Dr. Gary Schwartz, who wrote the foreword, *The Afterlife Revolution* is among the most convincing stories of afterlife communication ever told, and is a ringing endorsement not only of the fact that we do not die, but also that the power of love can create an actual bridge between the physical and nonphysical worlds. The book points the way to a new relationship between the living and, as Anne puts it, what you call the dead. Anne tells of her experience on the other side, saying that we are light, alive, and that enlightenment is what comes when there is nothing left of us but love. Her descriptions of the afterlife, communicated to Whitley from the afterlife, are brilliantly articulate and nuanced, at once deeply familiar and uniquely her own. *The Afterlife Revolution* shows how to use basic tools such as what Anne describes as objective love combined with a simple but special form of meditation to build a relationship between physical and nonphysical worlds. It is intended to help us find that sweet point at which the souls of the living touch those of the dead. As Anne says, Mankind is divided, not so much between the sexes as between the living and what are called the dead. It isn't natural and it isn't necessary. We can become whole. *The Afterlife Revolution* is about the joy of doing just that, and the magnificent new human experience that will unfold as more and more of us learn to live in this way.

communion whitley strieber pdf: Innumeracy John Allen Paulos, 2011-04-01 Readers of *Innumeracy* will be rewarded with scores of astonishing facts, a fistful of powerful ideas, and, most important, a clearer, more quantitative way of looking at their world. Why do even well-educated people understand so little about mathematics? And what are the costs of our innumeracy? John Allen Paulos, in his celebrated bestseller first published in 1988, argues that our inability to deal rationally with very large numbers and the probabilities associated with them results in misinformed

governmental policies, confused personal decisions, and an increased susceptibility to pseudoscience of all kinds. Innumeracy lets us know what we're missing, and how we can do something about it. Sprinkling his discussion of numbers and probabilities with quirky stories and anecdotes, Paulos ranges freely over many aspects of modern life, from contested elections to sports stats, from stock scams and newspaper psychics to diet and medical claims, sex discrimination, insurance, lotteries, and drug testing.

communion whitley strieber pdf: The UFO Files David Clarke, 2013-03-30 'What does all this stuff about flying saucers amount to? What can it mean? What is the truth?' Winston Churchill, prime minister's personal minute, 28th July 1952 The UFO Files tells the story of over 100 years of UFO sightings, drawing on formerly secret government documents at the National Archives in London. Alongside extraordinary reports by ordinary people, it reveals details of official interest and investigations stretching back more than 80 years. In this remarkable book, fully updated for this second edition, David Clarke reveals an array of startling stories from possible UFO reports hidden among Met Office investigations of aerial phenomena in the 1920s to the conclusions of Project Condign, the secret British Intelligence UFO study completed in 2000. As well as covering Roswell and Britain's own Rendlesham Forest mystery, Clarke raids the records for dramatic stories of abductions and close encounters, ghost aircraft and crop circles, and UFO reports by both civilian aircrew and military personnel. Dramatic witness statements and interviews combine with rarely seen photographs, drawings and newly available documents to offer a unique guide to one of our most intriguing mysteries.

communion whitley strieber pdf: Abducted Susan A. Clancy, 2009-07-01 They are tiny. They are tall. They are gray. They are green. They survey our world with enormous glowing eyes. To conduct their shocking experiments, they creep in at night to carry humans off to their spaceships. Yet there is no evidence that they exist at all. So how could anyone believe he or she was abducted by aliens? Or want to believe it? To answer these questions, psychologist Susan Clancy interviewed and evaluated abductees--old and young, male and female, religious and agnostic. She listened closely to their stories--how they struggled to explain something strange in their remembered experience, how abduction seemed plausible, and how, having suspected abduction, they began to recollect it, aided by suggestion and hypnosis. Clancy argues that abductees are sane and intelligent people who have unwittingly created vivid false memories from a toxic mix of nightmares, culturally available texts (abduction reports began only after stories of extraterrestrials appeared in films and on TV), and a powerful drive for meaning that science is unable to satisfy. For them, otherworldly terror can become a transforming, even inspiring experience. Being abducted, writes Clancy, may be a baptism in the new religion of this millennium. This book is not only a subtle exploration of the workings of memory, but a sensitive inquiry into the nature of belief.

communion whitley strieber pdf: Abduction: Human Encounters with Aliens Mack, 2009-12-15 A Harvard psychiatrist, the author of *A Prince of Our Disorder*, presents accounts of alien abduction taken from the more than sixty cases he has investigated and examines the implications for our identity as a species. These mesmerizing and thought-provoking stories of alien encounters from a Harvard professor take you through actual case studies of people from all walks of life and ages who have had challenging, sometimes disturbing, and in every case, life changing experiences of alien abduction. "John Mack explores evidence of nonhuman intelligence like an attorney preparing for the 'trial of the century'—interviewing witnesses, examining physical evidence, consulting with experts in related fields, constantly questioning his own assumptions...As a story of one man's determination to bear witness to cosmic mysteries with extraordinary implications for the human future, *Abduction* is bound to become a modern classic" (Keith Thompson, author of *Angels and Aliens*)

communion whitley strieber pdf: *The Night Church* Whitley Strieber, 2014 In the Night Church, on the altar of the true church, no one will see the rape, no one will hear the screams of ecstasy—no one except the devil's disciples... She is young, incredibly desirable, the virgin bride. He is young, incredibly brilliant, the devil's groom. They are genetically perfect, programmed to plant a seed of flesh, destined to breed a mutant life—of overwhelming beauty and overwhelming evil. Evil which will emerge as the anti-human, evil which will use cold, sinister technology to wipe out the world—our world. Now it is a matter of life and death. For them. For us. For humankind.

communion whitley strieber pdf: *The Secret School* Whitley Strieber, 1997 'We forget so much of childhood, but why? And why does at least some of it seem like such an important loss?' In this ground-breaking book, Strieber explores the strangeness of childhood and posits that the essential innocence of children is 'unearthly' and that this must be because of alien visitation and education in our early years. He presents an argument, using his own research and experiences of alien visitation, to support his theory that we are being 'invaded' by alien communities from other planets which are essentially good and that they leave us when we become adults leaving us with a constant sense of their missing presence.

communion whitley strieber pdf: *Hair of the Alien* Bill Chalker, 2005-08-19 SHOCKING. CONTROVERSIAL. UNPRECEDENTED. A CASE LIKE UNLIKE ANY OTHER IN THE ANNALS OF UFO INVESTIGATION, DNA RESEARCH, OR ALIEN ABDUCTION. Sydney, Australia. July 23, 1992. Twenty-eight-year-old Peter Khoury was awoken by what appeared to be two females—both striking and unearthly—kneeling on his bed. What transpired between them was a physical assault as bizarre and disorienting as it was unnatural. Then, as quickly as they had arrived, they vanished. Khoury had become one of a legion of alien abductees with inexplicable experiences, but this particular incident stood apart from all the others. This time, there was evidence—two strands of white-blond hair from one of the females. Khoury's case would result in the very first forensic DNA analysis of "alien abduction" evidence and revealed an extraordinary biological anomaly—one genetically close to human yet almost impossibly far from the human mainstream. A gripping account of one of the great mysteries of our time, *Hair of the Alien*, brings us closer than ever before to understanding our

past, our origins, and our place in the universe.

communion whitley strieber pdf: *Into The Fringe* Dr. Karla Turner PhD, 2014-03-10 A True Story of Alien Abduction - One of the most important, sincere and honest abduction stories out there. Finally back in print. Following the 2013 reissue of TAKEN, a book that has been out of print for several years and fetched excessive amounts amongst collectors and those wishing to get their hands on such a legendary piece of non-fiction, INTO THE FRINGE is where it all began for Dr Karla Turner and her family. As with the reissue of TAKEN, INTO THE FRINGE is an officially authorized republication with the sole input of Karla Turner's widower Elton. Endorsed and approved by Elton Turner with the highest respect for the importance of the story; we excitedly bring INTO THE FRINGE to the 21st century. Into the Fringe documents the account of alien abduction and how Karla Turner, along with her family, uncovered the memories and physical evidence of their encounters with beings from outside of our own planet. This brave and defiant refusal, in the name of humanity, to countenance suffering from an alien tyrant masquerading as a benefactor, is Karla Turner's final legacy. - John Chambers, UFO Magazine

communion whitley strieber pdf: *Histories of the Hidden God* April D DeConick, Grant Adamson, 2016-04-08 In Western religious traditions, God is conventionally conceived as a humanlike creator, lawgiver, and king, a being both accessible and actively present in history. Yet there is a concurrent and strong tradition of a God who actively hides. The two traditions have led to a tension between a God who is simultaneously accessible to humanity and yet inaccessible, a God who is both immanent and transcendent, present and absent. Western Gnostic, esoteric, and mystical thinking capitalizes on the hidden and hiding God. He becomes the hallmark of the mystics, Gnostics, sages, and artists who attempt to make accessible to humans the God who is secreted away. 'Histories of the Hidden God' explores this tradition from antiquity to today. The essays focus on three essential themes: the concealment of the hidden God; the human quest for the hidden God, and revelations of the hidden God.
