descubre 2 pdf: The Promise Basket Bill Richardson, 2019-08 A stone when it's thrown can damage, can break, but nothing can shatter the promise I make. So begins the poem a mother writes on a scrap of paper. She wraps the paper around a stone and places it in a basket to give to her daughter on her first birthday. They are poor, but the mother is determined that gifts will be given when gifts need giving. She keeps her promise, and the Promise Basket, too. Every time there is a need for gifts, the mother finds a pretty stone to tie up with paper and ribbon, and gives it to her daughter in the basket. She continues the tradition over the years until her daughter has a baby of her own... The love between a mother and her daughter is celebrated in this lyrical story from Bill Richardson, featuring colorful illustrations by Slavka Kolesar.

descubre 2 pdf: Baba Sy, the World Champion of 1963-1964 of 10x10 Draughts - Volume II Govert Westerveld, 2015-10-03 This book should be considered a historical book, as it is the draughts' career of Baba Sy, a prominent Senegalese player. He was able to be the best in the world without reading any books. He had a natural talent and was a self-made man thanks to the game of

checkers. I have witnessed the achievements of the great Baba Sy and I have been in the early stage of the great players like Harm Wiersma and Ton Sijbrands, on which I predicted in 1964 that they would be a future world champions. So I know the mentality that one must have to succeed in this mind sport. My 40 year stay in Spain and my research on the Moors permits me to know more about the Islamic custom. And so I am now in a much better position than 40 years ago to comment properly on the life of Baba Sy.

descubre 2 pdf: *Drug War Capitalism* Dawn Paley, 2014-11-10 Though pillage, profit, and plunder have been a mainstay of war since pre-colonial times, there is little contemporary focus on the role of finance and economics in today's Drug Wars—despite the fact that they boost US banks and fill our prisons with poor people. They feed political campaigns, increase the arms trade, and function as long-term fixes to capitalism's woes, cracking open new territories to privatization and foreign direct investment. Combining on-the-ground reporting with extensive research, Dawn Paley moves beyond the usual horror stories, beyond journalistic rubbernecking and hand-wringing, to follow the thread of the Drug War story throughout the entire region of Latin America and all the way back to US boardrooms and political offices. This unprecedented book chronicles how terror is used against the population at large in cities and rural areas, generating panic and facilitating policy changes that benefit the international private sector, particularly extractive industries like

petroleum and mining. This is what is really going on. This is drug war capitalism. Dawn Paley is a freelance journalist who has been reporting from South America, Central America, and Mexico for over ten years. Her writing has been published in the Nation, the Guardian, Vancouver Sun, Globe and Mail, Ms. magazine, the Tyee, Georgia Straight, and NACLA, among others.

descubre 2 pdf: Un virus entre sombras Pablo Zeballos, 2024-07-09 Entender el crimen organizado y las economías ilícitas es un desafío tan apasionante como complejo. La evolución dinámica de estas estructuras criminales se convierte en un ejercicio peligroso cuando se develan las conexiones ocultas que les permiten acumular y blanquear millonarias ganancias. Actúan como un virus que se infiltra y propaga entre las sombras, utilizando al “Estado huésped” para fortalecerse e invisibilizarse. Hace unos años, Chile no era foco de estudios sobre crimen organizado. Hoy, enfrentamos señales alarmantes y tendencias emergentes que difieren de lo conocido. La violencia irracional, asociada a nuevas formas de delincuencia, exige respuestas contundentes de las autoridades, ya que a menudo estas son confusas o contradictorias y se generan a partir de diagnósticos infundados o errados. La sociedad chilena aún no ha desarrollado una percepción unificada del riesgo. A pesar de múltiples advertencias de los medios de comunicación, la policía y del Ministerio Público, seguimos atrapados en la confusión y división. Propuestas milagrosas y extremas emergen, mientras la criminalidad organizada se adapta y prospera. Este libro, fruto de años de investigación y experiencia de campo, busca contribuir a la reflexión y el diálogo sobre un problema que no resiste más postergación. Aporta una comprensión multidisciplinaria esencial para enfrentar un fenómeno que amenaza con corroer los cimientos de nuestra convivencia.
