evidence that demands a verdict pdf: Evidence for the Resurrection Josh McDowell, Sean McDowell, 2010-12-09 When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today.

evidence that demands a verdict pdf: The Fate of the Apostles Sean McDowell, 2016-03-09 The Book of Martyrs by John Foxe written in the 16th century has long been the go-to source for studying the lives and martyrdom of the apostles. Whilst other scholars have written individual treatments on the more prominent apostles such as Peter, Paul, John, and James, there is little published information on the other apostles. In *The Fate of the Apostles*, Sean McDowell offers a comprehensive, reasoned, historical analysis of the fate of the twelve disciples of Jesus along with the apostles Paul, and James. McDowell assesses the evidence for each apostle's martyrdom as well as determining its significance to the reliability of their testimony. The question of the fate of the apostles also gets to the heart of the reliability of the kerygma: did the apostles really believe Jesus appeared to them after his death, or did they fabricate the entire story? How reliable are the resurrection accounts? The willingness of the apostles to die for their faith is a popular argument in resurrection studies and McDowell offers insightful scholarly analysis of this argument to break new ground within the spheres of New Testament studies, Church History, and apologetics.

evidence that demands a verdict pdf: *Tactics Study Guide* Gregory Koukl, 2017-04-25 In a world increasingly indifferent to Christian truth, followers of Christ need to be equipped to communicate with those who do not speak their language or accept their source of authority. In the *Tactics Study Guide*, apologist and radio host Gregory Koukl demonstrates how to get in the driver's seat in discussions about faith, keeping any conversation moving with thoughtful, artful tact. Readers will learn how to maneuver comfortably and graciously through potential minefields, stop challengers in their tracks, turn the tables, and—most importantly—get people thinking about Jesus with conversations that look more like diplomacy than D-Day. Drawing on extensive experience defending Christianity in the public square, Koukl demonstrates how to: Initiate conversations effortlessly Present the truth clearly, cleverly, and persuasively Graciously and effectively expose faulty thinking Skillfully manage the details of dialogue Maintain an engaging, disarming style even under attack Designed to be used alongside the *Tactics Video Study*, the *Tactics Study Guide* provides a game plan for communicating the compelling truth about Christianity with confidence and grace.

evidence that demands a verdict pdf: *The Varieties of Religious Experience* William James, 2009-01-01 Harvard psychologist and philosopher William James' *The Varieties of Religious Experience: A Study in Human Nature* explores the nature of religion and, in James' observation, its divorce from science when studied academically. After publication in 1902 it quickly became a canonical text of philosophy and psychology, remaining in print through the entire century. Scientific theories are organically conditioned just as much as religious emotions are; and if we only knew the facts intimately enough, we should doubtless see 'the liver' determining the dicta of the sturdy atheist as decisively as it does those of the Methodist under conviction anxious about his soul. When it alters in one way the blood that percolates it, we get the Methodist, when in another way, we get the atheist form of mind.

The authors... ground every assertion in the overarching story of creation, incarnation, and re-creation. distill 12 crucial "faith statements"—for example, "A personal Creator God exists." explain why each statement is

evidence that demands a verdict pdf: *The Doctrine of Endless Punishment* William

Greenough Thayer Shedd, 1886 At the request of the editor of the North American Review, the author of this book prepared an argument in defense of the doctrine of Endless Punishment, which was published in the number of that periodical for February, 1885. It was agreed that the writer should have the right to republish it at a future time. Only the rational argument was presented in the article. The author now reproduces it, adding the biblical argument, and a brief historical sketch. Every doctrine has its day to be attacked, and defended. Just now, that of Eternal Retribution is strenuously combated, not only outside of the church, but to some extent within it. Whoever preaches it is said, by some, not to preach to the times--As if the sin of this time were privileged, and stood in a different relation to the law and judgment of God, from that of other times. Neither the Christian ministry, nor the Christian church, are responsible for the doctrine of Eternal Perdition. It is given in charge to the ministry, and to the church, by the Lord Christ himself, in his last commission, as a truth to be preached to every creature. Speaking generally, those who believe that there is a hell, and intelligently fear it, as they are commanded to do by Christ himself, will escape it; and those who deny that there is a hell, and ridicule it, will fall into it. Hence the minister of Christ must be as plain as Christ, as solemn as Christ, and as tender as Christ, in the announcement of this fearful truth. - Preface
