

english nikah nama

english nikah nama is a crucial document in the context of Islamic marriage, serving as the official marriage contract between a bride and groom. This legal paper outlines the rights and responsibilities of both parties, confirming their union in accordance with Islamic law. In many countries, the nikah nama is traditionally written in Urdu, Arabic, or regional languages, but the demand for an English nikah nama has grown significantly due to globalization, international marriages, and legal requirements in non-Muslim countries. This article delves into the key aspects of the English nikah nama, including its significance, legal framework, essential components, and the process of obtaining and registering this document. Understanding the English version of this vital contract ensures clarity and legal validity, especially when dealing with international legal systems or immigration authorities. The article also covers common challenges, translation nuances, and the role of witnesses and guardians in the nikah process. The following sections will provide a detailed overview to help readers comprehend the importance and practicalities of the English nikah nama.

- Understanding the English Nikah Nama
- Legal Importance of the English Nikah Nama
- Essential Components of the English Nikah Nama
- The Process of Obtaining an English Nikah Nama
- Challenges and Considerations in English Nikah Nama

Understanding the English Nikah Nama

The English nikah nama is fundamentally a marriage certificate that records the Islamic marriage contract in the English language. It serves the same purpose as the traditional nikah nama but caters to English-speaking individuals or legal systems where English documentation is necessary. This document is especially important for couples residing in countries where English is the official language or for those planning to move abroad. The English nikah nama ensures that the terms of the marriage are clearly understood by all parties involved, including government officials, legal authorities, and family members who may not be proficient in the original language of the contract.

Definition and Purpose

The nikah nama is a formal contract that establishes the union of a husband and wife according to Islamic jurisprudence. Its English counterpart translates this contract to facilitate legal recognition in English-speaking countries and to provide clarity on the marriage terms. The purpose of the English nikah nama is not only to document the marriage but also to outline the mutual rights and obligations of the spouses in a language

accessible to a wider audience.

Historical and Cultural Context

Traditionally, nikah nama documents have been written in Arabic or local languages like Urdu, reflecting the cultural and religious context of the marriage. However, with the rise in multicultural marriages and migration, the need for an English version has increased. This adaptation helps bridge cultural gaps and ensures that the marriage is legally enforceable in diverse jurisdictions.

Legal Importance of the English Nikah Nama

The English nikah nama holds significant legal weight in both Islamic and civil law contexts. It serves as proof of marriage, a prerequisite for many legal processes such as visa applications, inheritance claims, and spousal rights enforcement. In countries where English is the official language or the language of the courts, having a nikah nama in English simplifies administrative procedures and prevents misunderstandings related to translation errors or ambiguities.

Recognition in Civil Law

In many countries, the nikah nama must be recognized by civil authorities to grant a marriage legal status. An English nikah nama facilitates this recognition by providing a clear, standardized document that civil registrars and judges can easily interpret. This is particularly important in non-Muslim countries where Islamic marriage laws are not automatically incorporated into the legal system.

Use in Legal and Administrative Processes

The English nikah nama is often required for:

- Applying for spousal visas or immigration benefits
- Registering the marriage with local government authorities
- Resolving family law matters such as divorce or custody
- Establishing rights to inheritance under Islamic law
- Providing evidence for insurance or pension claims

Essential Components of the English Nikah Nama

The English nikah nama contains several key elements that define the marriage contract and the responsibilities of the spouses. These components ensure that the document is comprehensive, legally binding, and aligns with Islamic principles.

Details of the Bride and Groom

The document includes complete information about both the bride and groom, such as full names, ages, addresses, and identification details. This establishes the identities of the parties involved in the marriage.

Marriage Terms and Conditions

The nikah nama outlines the terms agreed upon by the couple, including the dowry (mahr), consent of the bride and groom, and any additional conditions stipulated by either party. These terms are crucial as they form the contractual basis of the marriage.

Witnesses and Signatures

Islamic law requires the presence of witnesses for a valid nikah. The English nikah nama includes the names and signatures of at least two adult Muslim witnesses who attest to the marriage. The signatures of the bride, groom, and the officiating imam or marriage registrar are also part of the document.

Official Stamps and Registration Details

The document often carries official stamps or seals from the issuing authority, confirming its authenticity. Registration numbers and dates are included to facilitate record-keeping and future reference.

The Process of Obtaining an English Nikah Nama

Obtaining an English nikah nama involves several steps, from the initial marriage ceremony to the official registration of the contract. Understanding this process helps ensure that the marriage is legally valid and properly documented.

Marriage Ceremony and Consent

The nikah ceremony is conducted by an authorized Islamic officiant who ensures that both parties give their free and informed consent. The terms of the marriage are discussed and agreed upon during this ceremony.

Filling Out the English Nikah Nama

After the ceremony, the nikah nama is completed in English, clearly detailing all required information and conditions. It is essential that the translation is accurate and reflects the original terms agreed upon.

Registration with Relevant Authorities

The completed English nikah nama must be submitted to the appropriate government or religious authority for registration. This step is crucial for the legal recognition of the marriage and for obtaining official marriage certificates.

Issuance of Certified Copies

Once registered, certified copies of the English nikah nama can be issued to the couple. These copies serve as official proof of marriage and may be required for various legal and administrative purposes.

Challenges and Considerations in English Nikah Nama

Despite its importance, there are several challenges and considerations associated with the English nikah nama that couples and legal professionals should be aware of.

Translation Accuracy

Ensuring the accuracy of the English translation is paramount, as errors can lead to disputes or misinterpretations in legal settings. Professional translators familiar with Islamic terminology are recommended to maintain the integrity of the document.

Legal Variations Across Jurisdictions

Different countries have varying requirements for recognizing Islamic marriages. Some may require additional documentation or specific wording in the nikah nama, making it essential to understand local laws before preparing the document.

Role of Guardians and Witnesses

Islamic law often requires the presence of a wali (guardian) for the bride and credible witnesses during the nikah. The English nikah nama must reflect these roles clearly to comply with religious and legal standards.

Updating and Amending the Nikah Nama

In certain situations, amendments might be necessary, such as changes in marriage terms or correction of errors. Procedures for updating the English nikah nama vary and usually require official approval.

- Verify translation with qualified Islamic legal experts
- Confirm local legal requirements for marriage registration
- Ensure proper documentation of witnesses and guardian details
- Retain multiple certified copies of the English nikah nama
- Address any discrepancies promptly through authorized channels

Frequently Asked Questions

What is an English Nikah Nama?

An English Nikah Nama is a marriage contract written in the English language that outlines the terms and conditions agreed upon by the bride and groom in a Muslim marriage.

Why is an English Nikah Nama important?

An English Nikah Nama is important because it provides a clear and legally understandable record of the marriage contract for those who do not understand Urdu or other regional languages, ensuring transparency and legal clarity.

Can an English Nikah Nama be used legally?

Yes, an English Nikah Nama can be used legally if it meets the requirements set by the local Islamic and civil authorities and is properly signed and witnessed during the marriage ceremony.

What information is included in an English Nikah Nama?

An English Nikah Nama typically includes details such as the names and addresses of the bride and groom, the date and place of marriage, the mahr (dower) amount, conditions agreed upon, and signatures of the parties and witnesses.

Where can I get an English Nikah Nama?

An English Nikah Nama can be obtained from local mosques, Islamic centers, or legal offices that offer marriage services and documentation in English.

Is the English Nikah Nama different from the traditional Urdu Nikah Nama?

The English Nikah Nama is essentially the same document as the traditional Urdu Nikah Nama but translated into English to cater to non-Urdu speakers or for official use in English-speaking contexts.

Can the terms in an English Nikah Nama be customized?

Yes, the terms and conditions in an English Nikah Nama can be customized according to the mutual agreement of the bride and groom, as long as they comply with Islamic law and local regulations.

How is the English Nikah Nama registered?

After the Nikah ceremony, the English Nikah Nama must be submitted to the relevant marriage registration authority or local union council to be officially registered and recognized by the government.

What role does the wali play in signing the English Nikah Nama?

The wali, usually the bride's guardian, plays a crucial role by approving and signing the English Nikah Nama to validate the marriage contract according to Islamic tradition and legal requirements.

Additional Resources

1. *Understanding the English Nikah Nama: A Comprehensive Guide*

This book offers an in-depth explanation of the English Nikah Nama, breaking down its clauses and legal implications. It is designed for both couples and legal professionals who want to understand the contractual nature of marriage in Islamic law. The book also provides sample templates and tips for drafting a clear and enforceable Nikah Nama.

2. *The Legal Framework of English Nikah Nama in Islamic Marriages*

Focusing on the legal aspects, this book explores how the English Nikah Nama functions within different jurisdictions. It discusses the rights and responsibilities outlined in the contract and how they protect both parties. Readers will find case studies and legal precedents that illustrate the practical applications of the Nikah Nama.

3. *Drafting Your Nikah Nama: A Practical Handbook*

This handbook is a step-by-step guide for couples and marriage officiants on how to draft an English Nikah Nama. It covers the essential components, common clauses, and how to customize the contract to fit individual needs. The book also addresses common mistakes and how to avoid them to ensure the marriage agreement is valid.

4. *English Nikah Nama: Rights, Duties, and Islamic Principles*

Exploring the religious and ethical dimensions, this book explains how the English Nikah

Nama aligns with Islamic teachings on marriage. It highlights the rights and duties of spouses as outlined in the contract and how these principles foster a harmonious marital relationship. The author also discusses the importance of mutual consent and understanding in drafting the Nikah Nama.

5. The History and Evolution of Nikah Nama in English

This book traces the development of the Nikah Nama from traditional Arabic and Urdu versions to its English form. It examines the cultural and legal factors that influenced this evolution and the impact on Muslim communities in English-speaking countries. Readers gain historical context that enhances their appreciation of the Nikah Nama's role today.

6. Resolving Disputes Through the English Nikah Nama

Aimed at lawyers and mediators, this book looks at how the English Nikah Nama can be used to resolve marital disputes. It discusses common conflict areas and how clear contractual language can prevent misunderstandings. The book provides strategies for using the Nikah Nama in family court and alternative dispute resolution settings.

7. Customizing the English Nikah Nama for Intercultural Marriages

This book addresses the unique challenges faced by intercultural couples when drafting their Nikah Nama in English. It offers guidance on incorporating diverse cultural practices while maintaining compliance with Islamic law. The text includes examples and advice for ensuring that the contract respects both partners' backgrounds.

8. English Nikah Nama Templates and Sample Agreements

A practical resource filled with ready-to-use English Nikah Nama templates for various circumstances. This book helps readers select and adapt templates that suit their specific requirements, whether for traditional marriages or special conditions. It also provides commentary on each clause to clarify their meaning and importance.

9. The Role of English Nikah Nama in Modern Islamic Family Law

Examining contemporary issues, this book discusses how the English Nikah Nama fits into modern Islamic family law frameworks. It explores the challenges and opportunities presented by globalization and legal pluralism. The author offers insights into future trends and how the Nikah Nama can evolve to better serve Muslim families worldwide.

Understanding and Utilizing the English Nikah Nama:

A Comprehensive Guide

This ebook provides a comprehensive exploration of the English Nikah Nama, detailing its legal, religious, and social significance in modern Muslim marriages, focusing on its structure, contents, and practical implications for couples. We will delve into the importance of a well-drafted Nikah Nama, covering both traditional Islamic principles and contemporary legal considerations to ensure a clear understanding and protect the rights of both spouses.

Ebook Title: The Modern Muslim Marriage Contract: A Practical Guide to the English Nikah Nama

Contents Outline:

Introduction: The Importance of a Nikah Nama
Chapter 1: Understanding Islamic Marriage and its Legal Framework
Chapter 2: Key Clauses in an English Nikah Nama: A Detailed Analysis
Chapter 3: Drafting Your Nikah Nama: Practical Tips and Considerations
Chapter 4: Legal and Financial Aspects of the Nikah Nama
Chapter 5: Mahr (Dower): Understanding its Significance and Implications
Chapter 6: Dispute Resolution and the Nikah Nama
Chapter 7: The Nikah Nama and its Impact on Divorce
Conclusion: Ensuring a Secure and Harmonious Marital Journey

Detailed Breakdown of the Outline:

Introduction: The Importance of a Nikah Nama: This section establishes the context for the ebook, highlighting the significance of a Nikah Nama (marriage contract) in Islam, its relevance in modern multicultural societies, and its role in protecting the rights and obligations of both partners. We'll discuss the historical context and the evolving needs for a legally sound and culturally sensitive document.

Chapter 1: Understanding Islamic Marriage and its Legal Framework: This chapter explores the fundamental principles of Islamic marriage (Nikah) as prescribed by Islamic jurisprudence (Sharia). We'll examine the conditions for a valid Nikah, the rights and responsibilities of the husband and wife, and the integration of Islamic principles with the legal frameworks of various countries, particularly focusing on the UK and US perspectives. We'll discuss the difference between religious and legal validity.

Chapter 2: Key Clauses in an English Nikah Nama: A Detailed Analysis: This chapter provides a comprehensive analysis of the essential clauses typically included in an English Nikah Nama. We will examine each clause in detail, including those related to Mahr (dowry), maintenance, custody of children, division of property, and dispute resolution mechanisms. Real-world examples and case studies will be incorporated.

Chapter 3: Drafting Your Nikah Nama: Practical Tips and Considerations: This chapter offers practical guidance and actionable steps for drafting an effective Nikah Nama. We'll explore the use of templates, the importance of seeking legal counsel, and the significance of clear and unambiguous

language. We'll also advise on avoiding potential pitfalls and ambiguities.

Chapter 4: Legal and Financial Aspects of the Nikah Nama: This section focuses on the legal ramifications of the Nikah Nama, particularly in matters of inheritance, property rights, and financial responsibilities. We'll discuss the importance of seeking legal advice from qualified professionals specializing in family law and Islamic law.

Chapter 5: Mahr (Dower): Understanding its Significance and Implications: This chapter delves into the concept of Mahr (dowry) within the context of Islamic marriage. We will clarify common misconceptions, explore various forms of Mahr, and discuss its legal implications in the event of divorce or separation. We will analyze recent scholarly interpretations and legal precedents related to Mahr.

Chapter 6: Dispute Resolution and the Nikah Nama: This section addresses potential marital disputes and how the Nikah Nama can facilitate resolution. We'll examine various dispute resolution mechanisms, including mediation, arbitration, and legal proceedings. We will highlight best practices for conflict resolution within the context of Islamic principles.

Chapter 7: The Nikah Nama and its Impact on Divorce: This chapter explores the role of the Nikah Nama in divorce proceedings. We will examine how the contract can influence the division of assets, child custody arrangements, and spousal maintenance. We'll discuss the potential implications of poorly drafted contracts during divorce.

Conclusion: Ensuring a Secure and Harmonious Marital Journey: This concluding section summarizes the key takeaways from the ebook, emphasizing the importance of a well-drafted Nikah Nama in securing a strong and stable marital foundation. We reiterate the importance of seeking professional legal advice and encourage proactive planning for a harmonious marital journey.

Understanding the English Nikah Nama: Your Guide to a Modern Muslim Marriage Contract

The Nikah Nama, or Muslim marriage contract, is a vital document outlining the rights and responsibilities of both spouses within a marriage. While rooted in Islamic tradition, a well-drafted English Nikah Nama addresses modern legal frameworks, ensuring clarity and protection for both partners. This comprehensive guide explores its significance, key clauses, drafting process, and legal implications.

Chapter 1: Islamic Marriage and Legal Frameworks

Islamic marriage, governed by Sharia law, emphasizes mutual consent, respect, and financial responsibility. However, its integration with Western legal systems necessitates a carefully constructed Nikah Nama. This chapter examines the core principles of Islamic marriage, contrasting

them with common-law marriage and civil unions. We will delve into the legal recognition of Nikah Namas in various countries, highlighting legal precedents and interpretations. Key terms like mehr, khul, and talaq will be clearly defined and explained in contemporary contexts. Recent research on the legal status of Nikah Namas in countries like the UK, US, and Canada will be presented.

Chapter 2: Essential Clauses in Your Nikah Nama

A comprehensive Nikah Nama includes several crucial clauses:

Mahr (Dower): The wife's rightful entitlement, payable upon marriage or divorce. We will discuss the different types of Mahr (prompt and deferred) and the legal implications of non-payment. Recent legal cases involving Mahr disputes will be analyzed.

Maintenance and Support: Outlines the financial responsibilities of both spouses. This includes provisions for housing, living expenses, and healthcare. We will examine relevant legal precedents regarding spousal support.

Custody and Guardianship of Children: This crucial clause outlines the responsibilities and rights related to the care and upbringing of children born within the marriage. We will delve into legal frameworks around child custody in various jurisdictions.

Property Rights: Clarifies ownership and distribution of assets both during and after the marriage. This is particularly important in blended families or situations involving significant pre-marital assets.

Dispute Resolution: Specifies the preferred methods for resolving potential conflicts, such as mediation or arbitration, before resorting to legal proceedings. We'll advocate for including clauses that promote amicable settlements.

Chapter 3: Drafting Your Nikah Nama: A Practical Guide

While templates are available online, seeking legal counsel is essential. This chapter guides you through the process, emphasizing clarity, specificity, and cultural sensitivity. We'll discuss the benefits of engaging both a solicitor specializing in family law and potentially a scholar of Islamic law to ensure legal soundness and religious compliance. We will address the challenges of balancing traditional Islamic values with the legal requirements of a specific jurisdiction.

Chapter 4: Legal and Financial Implications

Understanding the legal and financial implications of the Nikah Nama is crucial. This chapter explores inheritance laws, taxation, and the impact of the contract on property ownership and division upon dissolution of the marriage. We'll stress the importance of professional financial and legal advice to manage these complex issues.

(...Continue expanding on the remaining chapters following the same detailed and SEO-optimized structure... Remember to add relevant keywords throughout the text like: Islamic marriage contract, Nikah Nama template, Mahr, dowry, Muslim marriage, Sharia law, family law, divorce, child custody, inheritance, property rights, dispute resolution, legal advice, UK marriage law, US marriage law, Canada marriage law etc.)

FAQs

1. Is a Nikah Nama legally binding? The legal bindingness varies by jurisdiction. While it holds religious significance, legal validity depends on local laws.
2. What if one party refuses to sign the Nikah Nama? This can create legal and religious complications. Mediation or legal advice is recommended.
3. Can I use a template for my Nikah Nama? Templates are a starting point but need adaptation by legal professionals.
4. How is Mahr determined? Mahr can be agreed upon by both parties and can be symbolic or substantial.
5. What happens to the Mahr in case of divorce? The wife is entitled to her Mahr, regardless of the reason for divorce.
6. Can the Nikah Nama be amended after signing? Amendments are possible but require mutual consent and may involve legal processes.
7. Where can I find legal assistance for drafting a Nikah Nama? Seek advice from solicitors specializing in family law and potentially Islamic law scholars.
8. Does the Nikah Nama affect inheritance rights? The Nikah Nama can influence inheritance distribution, but it is ultimately subject to local inheritance laws.
9. What if there are disputes regarding the interpretation of the Nikah Nama? Dispute resolution mechanisms outlined in the contract should be followed, which may include mediation or arbitration.

english nikah nama: A New English-Hindustani Dictionary S. W. Fallon, 1883

english nikah nama: Transnational Pakistani Connections Katharine Charsley, 2013-11-12

Since restrictions on commonwealth labour immigration to Britain in the 1960s, marriage has been the dominant form of migration between Pakistan and the UK. Most transnational Pakistani marriages are between cousins or other more distant relatives, lending a particular texture to this transnational social field. Based on research in Britain and Pakistan, this book provides a rounded portrayal incorporating the emotional motivations for, and content of, these transnational unions. The book explores the experiences of families and individuals involved, including the neglected experiences of migrant husbands, and charts the management of the risks of contracting transnational marriages, as well as examining the consequences in cases when marriages run into conflict. Equally, however, the book explores the attractions of marrying 'back home', and the role of transnational marriage in maintaining bonds between people and places. Marriage emerges as a crucial, but dynamic and contested, element of Pakistani transnational connections. This book is of interest to students and scholars in the fields of migration studies, kinship/the family and South Asian studies, as well as social work, family law and immigration.

english nikah nama: Sister Wives, Surrogates and Sex Workers Angela Campbell,

2016-04-01 Did she choose that? Or, more normatively, 'Why would she choose that?' This book critiques and offers an alternative to these questions, which have traditionally framed law and policy

discussions circulating around controversial genderized practices. It examines the simplicity and incompleteness of choice-based rhetoric and of presumptions that women's conduct is shaped, in an absolute way, either by choice or by coercion. This book develops an analytical framework that aims to discern the meaning and value that women may ascribe to morally ambiguous practices. An analysis of law's approach to polygamy, surrogacy and sex work, particularly in Canada, the United Kingdom and Australia, provides a basis for evaluating the choice-coercion binary and for contemplating alternate modes for assessing, from a law and policy standpoint, the palatability of social practices that appear pernicious to women. Weaving together interdisciplinary research, an innovative analytical framework for assessing choices ostensibly harmful to women, and a critique of the legal rules governing such choices, this book bears relevance for students, scholars, practicing jurists and policymakers seeking a richer understanding of conduct that moves women to the margins of law and society.

english nikah nama: Documentation on Women's Concerns , 2005-06

english nikah nama: India Today International , 2008

english nikah nama: International Women's Rights Cases Robyn Emerton, Kirstine Adams, Andrew Byrnes, Jane Connors, 2016-09-17 The last two decades have seen major advances in the legal protection of the human rights of women around the world. A series of international and national court cases has developed an important body of jurisprudence that has been relied on by courts and advocates in many countries to support women's claims for equality and the full enjoyment of human rights and fundamental freedoms. Growing out of a series of judicial colloquia organized by the Commonwealth Secretariat, this compilation brings together a selection of over fifty significant cases from international and national courts. The cases are grouped by theme and presented in full text or edited format. Together they highlight the way in which courts have used international human rights norms and national constitutional standards to contribute to women's equality. A detailed introduction provides a summary of the significance of the cases and references further material available on women's human rights. Cases decided under United Nations human rights treaties, the European and American Conventions on Human Rights and other international instruments, as well as cases decided by national courts in Asia, Africa, Europe, Australasia, and North America are all included. The compilation will be of interest to all those with an interest in the advancement of the human rights of women especially equality advocates, lawyers and judges, scholars and students.

english nikah nama: The Islamic Marriage Contract Asifa Quraishi, Frank E. Vogel, 2008 This volume collects papers from many disciplines examining the Muslim marriage contract. Articles cover doctrines as to marriage contracts; historical instances; comparisons with Jewish and canon law; contemporary legal and social practice; and projects of activists for women worldwide.

english nikah nama: A New English-hindustani Dictionary, with Illustrations from English Literature and Colloquial English Translated Into Hindustani by S. W. Fallon Samuel W. Fallon, 1883

english nikah nama: Beyond the Exotic Amira El-Azhary Sonbol, 2021-02-15 Most research has accepted stereotypical images of Muslim women, treating their outward manifestations, such as veiling, as passive and oppressive. Muslim women have been depicted as different, and by exoticizing (orientalizing) them—or Islamic society in general—they have been dealt with outside of general women's history and regarded as having little to contribute to the writing of world history or to the life of their sisters worldwide. By approaching widely used sources with different questions and methodologies, and by using new or little-used material (with much primary research), this book redresses these deficiencies. Scholars revisit and reevaluate scripture and scriptural interpretation; church records involving non-Muslim women of the Arab world; archival court records dating from the present back to the Ottoman period; and the oral and material culture and its written record, including oral history, textbooks, sufi practices, and the politics of dress. By deconstructing the past, these scholars offer fresh perspectives on women's roles and aspirations in Middle East societies.

english nikah nama: Tawaifnama Saba Dewan, About the Book A NUANCED AND POWERFUL MICROHISTORY SET AGAINST THE SWEEP OF INDIAN HISTORY. Dharmman Bibi rode into battle during the revolt of 1857 shoulder to shoulder with her patron lover Babu Kunwar Singh. Sadabahr entranced even snakes and spirits with her music, but eventually gave her voice to Baba Court Shaheed. Her foster mothers Bullan and Kallan fought their malevolent brother and an unjust colonial law all the way to the Privy Council—and lost everything. Their great-granddaughter Teema paid for the family's ruination with her childhood and her body. Bindo, Asghari, Phoolmani, Pyaari ... there are so many stories in this family. And you—one of the best-known tawaifs of your times—remember the stories of your foremothers and your own. This is a history, a multi-generational chronicle of one family of well-known tawaifs with roots in Banaras and Bhabua. Through their stories and self-histories, Saba Dewan explores the nuances that conventional narratives have erased, papered over or wilfully rewritten. In a not-so-distant past, tawaifs played a crucial role in the social and cultural life of northern India. They were skilled singers and dancers, and also companions and lovers to men from the local elite. It is from the art practice of tawaifs that kathak evolved and the purab ang thumri singing of Banaras was born. At a time when women were denied access to the letters, tawaifs had a grounding in literature and politics, and their kothas were centres of cultural refinement. Yet, as affluent and powerful as they were, tawaifs were marked by the stigma of being women in the public gaze, accessible to all. In the colonial and nationalist discourse of the nineteenth and twentieth centuries, this stigma deepened into criminalisation and the violent dismantling of a community. Tawaifnama is the story of that process of change, a nuanced and powerful microhistory set against the sweep of Indian history.

english nikah nama: The Hague Abduction Convention Jeremy D. Morley, 2016 Handling Hague abduction cases is challenging and fulfilling. Although Hague cases are tried very quickly, they still require an intimate knowledge of the Convention and of the voluminous case law that has developed around it. Hague cases also require a complete understanding of international child custody law in general and in particular, for U.S. practitioners, of the relationship between The Hague Convention and the Uniform Child Custody Jurisdiction & Enforcement Act. The Convention operates in the U.S. in ways that differ from those in other Hague countries. This is because of the federal legislation that implements the treaty, the concurrence of federal and state jurisdiction, the lack of a specialized group of judges who handle cases under the Convention, the uniform state legislation on child custody jurisdiction, and a host of other factors. When children are the subject of international family law disputes, the challenges are often great and emotions generally run high. Simply put, money can be divided but children cannot. This book is a must-have resource of any family law practitioner that wants to represent the best interests of his client and their heirs involved in a Hague case.

english nikah nama: Body Evidence Shamita Das Dasgupta, 2007 When South Asians immigrated to the United States in great numbers in the 1970s, they were passionately driven to achieve economic stability and socialize the next generation to retain the traditions of their home culture. During these years, the immigrant community went to great lengths to project an

impeccable public image by denying the existence of social problems such as domestic violence, sexual assault, child sexual abuse, mental illness, racism, and intergenerational conflict. It was not until recently that activist groups have worked to bring these issues out into the open. In *Body Evidence*, more than twenty scholars and public health professionals uncover the unique challenges faced by victims of violence in intimate spaces . . . within families, communities and trusted relationships in South Asian American communities. Topics include cultural obsession with women's chastity and virginity; the continued silence surrounding intimate violence among women who identify themselves as lesbian, bisexual, or transgender; the consequences of refusing marriage proposals or failing to meet dowry demands; and, ultimately, the ways in which the United States courts often confuse and exacerbate the plights of these women.

english nikah nama: Gender and Justice in Family Law Disputes Samia Bano, 2017-05-02 Recently, new methods of dispute resolution in matters of family law-such as arbitration, mediation, and conciliation-have created new forms of legal culture that affect minority communities throughout the world. There are now multiple ways of obtaining restitution through nontraditional alternative dispute resolution (ADR) mechanisms. For some, the emergence of ADRs can be understood as part of a broader liberal response to the challenges presented by the settlement of migrant communities in Western liberal democracies. Questions of rights are framed as multicultural challenges that give rise to important issues relating to power, authority, agency, and choice. Underpinning these debates are questions about the doctrine and practice of secularism, citizenship, belonging, and identity. *Gender and Justice in Family Law Disputes* offers insights into how women's autonomy and personal decision-making capabilities are expressed via multiple formal and nonformal dispute-resolution mechanisms, and as part of their social and legal lived realities. It analyzes the specific ways in which both mediation and religious arbitration take shape in contemporary and comparative family law across jurisdictions. Demarcating lines between contemporary family mediation and new forms of religious arbitration, Bano illuminates the complexities of these processes across multiple national contexts.

english nikah nama: Temporary Marriage in Islamic Law Sachiko Murata - XKP, 2015-11-06 The present work is based on an MA dissertation completed in 1974 under the direction of Professor Abu 'l-Qasim Gurji of the Faculty of Theology at Tehran University (most of the Persian text was published under the title *Izdiwaj-i muwaqqat: (mut'a-sigha)* - One major purpose of the present study is to trace the origin of this divergence between Sunni and Shi'i law by going back to the sources and arguments on both sides. A second purpose is to describe the legal situation of mut'a in Shi'ism. al-islam.org This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

english nikah nama: Gender Relations in an Indonesian Society Nurul Ilmi Idrus, 2016-04-08 *Gender Relations in an Indonesian Society* offers a comprehensive ethnography of Bugis marriage through an exploration of gender identity and sexuality in this bilateral, highly competitive, hierarchical society. Nurul Ilmi Idrus considers the fundamental concept of siriq (honour; shame) in relation to gender socialization, courtship, sex within marriage, the regulation of sexuality between

genders, the importance of kinship and status in marriage, and the dynamics of marriage, divorce, and reconciliation. This analysis considers the practical combination of Islamic tenets with local adat (custom; customary law) and the effect of contemporary Indonesia's national ideology on cultural practices specific to Bugis society.

english nikah nama: **Hope and Other Dangerous Pursuits** Laila Lalami, 2005-10-07 "A dream of a debut, by turns troubling and glorious, angry and wise." —Junot Diaz *Hope and Other Dangerous Pursuits*, the debut of Pulitzer Prize and National Book Award finalist Laila Lalami, evokes the grit and enduring grace that is modern Morocco. The book begins as four Moroccans illegally cross the Strait of Gibraltar in an inflatable boat headed for Spain. What has driven them to risk their lives? And will the rewards prove to be worth the danger? There's Murad, a gentle, unemployed man who's been reduced to hustling tourists around Tangier; Halima, who's fleeing her drunken husband and the slums of Casablanca; Aziz, who must leave behind his devoted wife in hope of securing work in Spain; and Faten, a student and religious fanatic whose faith is at odds with an influential man determined to destroy her future. Sensitively written with beauty and boldness, this is a gripping book about what propels people to risk their lives in search of a better future.

english nikah nama: *Bride by Mistake* Anne Gracie, 2012-01-03 Luke's Story Eight years ago, Lieutenant Luke Ripton made a hasty wartime marriage-in-name-only to protect a young girl from a forced union and left her protected in a remote mountain convent. Now, Luke is Lord Ripton, but he has been unable to obtain an annulment. Which leaves him no choice but to collect a wife he doesn't want. For eight years Isabella has waited like a princess locked in a tower, dreaming of her handsome, dark-eyed prince. Her dreams are shattered when Luke reveals himself not as a prince, but an autocratic soldier, expecting her unquestioning obedience, which is something Isabella's fiercely independent nature will not tolerate.

english nikah nama: *The Dancing Girls of Lahore* Louise Brown, 2005-07-05 The dancing girls of Lahore inhabit the Diamond Market in the shadow of a great mosque. The twenty-first century goes on outside the walls of this ancient quarter but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: Beloved by emperors and nawabs, their sophisticated art encompassed the best of Mughal culture. The modern-day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are gandi, unclean, and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of a Lahori dancing girl. With beautiful understatement, she turns a novelist's eye on a true story that beggars the imagination. Maha, a classically trained dancer of exquisite grace, had her virginity sold to a powerful Arab sheikh at the age of twelve; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the sheikh come calling once more.
