el retrato de dorian gray pdf: The Garden of Eros Oscar Wilde, 2014-12-25 Oscar Fingal O'Flahertie Wills Wilde (16 October 1854 - 30 November 1900) was an Irish writer and poet. After writing in different forms throughout the 1880s, he became one of London's most popular playwrights in the early 1890s. Today he is remembered for his epigrams, his novel The Picture of Dorian Gray, his plays, and the circumstances of his imprisonment and early death. Wilde's parents were successful Anglo-Irish Dublin intellectuals. Their son became fluent in French and German early in life. At university, Wilde read Greats; he proved himself to be an outstanding classicist, first at Dublin, then at Oxford. He became known for his involvement in the rising philosophy of aestheticism, led by two of his tutors, Walter Pater and John Ruskin. After university, Wilde moved to London into fashionable cultural and social circles. As a spokesman for aestheticism, he tried his hand at various literary activities: he published a book of poems, lectured in the United States and Canada on the new English Renaissance in Art, and then returned to London where he worked prolifically as a journalist. Known for his biting wit, flamboyant dress and glittering conversation, Wilde became one of the best-known personalities of his day. At the turn of the 1890s, he refined his ideas about the supremacy of art in a series of dialogues and essays, and incorporated themes of decadence, duplicity, and beauty into his only novel, The Picture of Dorian Gray (1890). The opportunity to construct aesthetic details precisely, and combine them with larger social themes, drew Wilde to write drama. He wrote Salome (1891) in French in Paris but it was refused a licence

for England due to the absolute prohibition of Biblical subjects on the English stage. Unperturbed, Wilde produced four society comedies in the early 1890s, which made him one of the most successful playwrights of late Victorian London. At the height of his fame and success, while his masterpiece, *The Importance of Being Earnest* (1895), was still on stage in London, Wilde had the Marquess of Queensberry prosecuted for libel. The Marquess was the father of Wilde's lover, Lord Alfred Douglas. The charge carried a penalty of up to two years in prison. The trial unearthed evidence that caused Wilde to drop his charges and led to his own arrest and trial for gross indecency with other men. After two more trials he was convicted and imprisoned for two years' hard labour. In 1897, in prison, he wrote *De Profundis*, which was published in 1905, a long letter which discusses his spiritual journey through his trials, forming a dark counterpoint to his earlier philosophy of pleasure. Upon his release he left immediately for France, never to return to Ireland or Britain. There he wrote his last work, *The Ballad of Reading Gaol* (1898), a long poem commemorating the harsh rhythms of prison life. He died destitute in Paris at the age of 46.

el retrato de dorian gray pdf: *Rediscovering Oscar Wilde* Constantin-George Sandulescu, 1994 In the same way that students of Shakespeare discuss their Supreme Quartet of plays, so Irish Studies has its own quartet of writers, Yeats, Joyce, Beckett and Wilde, whose fame is outstanding and worldwide. The inclusion of Wilde in the quartet may surprise some, but it is an incontrovertible fact that scholars are coming to appreciate Wilde's importance as a major influence on 20th century literature. Over the past years, conferences on all four members of this Irish quartet have been organized by the Princess Grace Irish Library of Monaco (the proceedings of each being published in this series), the most recent, on Wilde, in 1993. This collection of papers given at that conference, covers every aspect of Wilde's oeuvre, not only considering his plays, poetry and novels, but his family, his influence on writers both in English (such as Joyce and Stoppard) and in other languages (including Marti, Dario, Borges and Lispector). How influential and far-reaching he has become can be seen by the nationalities of those who attended the conference and contributed papers: Antonio Ballesteros Gonzalez, Mariano Baselga, Pia Brinzeu, Edward Burns, Richard Allen Cave, Davis Coakley, Jean M. Ellis D'Allessandro, Masolino D' Amico, Lawrence Danson, Denis Donoghue, Joseph Donoghue, Irene Eynat-Confino, Michael Patrick Gillespie, Robert Gordon, Warwick Gould, Merlin Holland, Joel H.
