fire in the hole elmore leonard pdf: No Country for Old Men Cormac McCarthy, 2007-11-29 From the bestselling author of *The Passenger* and the Pulitzer Prize-winning novel *The Road* comes a profoundly disturbing and gorgeously rendered novel (*The Washington Post*) that returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning's headlines. *No Country for Old Men* is a triumph. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

fire in the hole elmore leonard pdf: Midnight in the Garden of Good and Evil John Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—*The New York Times Book Review* Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

fire in the hole elmore leonard pdf: *Bad Monkey* Carl Hiaasen, 2013-06-11 Coming as an Apple Original series from Ted Lasso Executive Producer Bill Lawrence and starring Vince Vaughn • A wickedly funny novel from the New York Times bestselling author of *Squeeze Me* in which the greedy, the corrupt, and the degraders of what's left of pristine Florida—now, of the Bahamas as well—get their comeuppance. “[A] comedic marvel ... [Hiaasen] hasn’t written a novel this funny since *Skinny Dip*.”—The New York Times Andrew Yancy—late of the Miami Police and soon-to-be-late of the Monroe County sheriff’s office—has a human arm in his freezer. There’s a logical (Hiaasenian) explanation for that, but not for how and why it parted from its shadowy owner. Yancy thinks the boating-accident/shark-luncheon explanation is full of holes, and if he can prove murder, the sheriff might rescue him from his grisly Health Inspector gig (it’s not called the roach patrol for nothing). But first—this being Hiaasen country—Yancy must negotiate an obstacle course of wildly unpredictable events with a crew of even more wildly unpredictable characters, including his just-ex lover, a hot-blooded fugitive from Kansas; the twitchy widow of the frozen arm; two avariciously optimistic real-estate speculators; the Bahamian voodoo witch known as the Dragon Queen, whose suitors are blinded unto death by her peculiar charms; Yancy’s new true love, a kinky coroner; and the eponymous bad monkey, who with hilarious aplomb earns his place among Carl Hiaasen’s greatest characters.

fire in the hole elmore leonard pdf: Trail of the Apache and Other Stories Elmore Leonard, 2009-10-06 The New York Times-bestselling Grand Master of suspense deftly displays the other side of his genius, with seven classic western tales of destiny and fatal decision . . . and trust as essential to survival as it is hard-earned. Trust was rare and precious in the wide-open towns that sprung up like weeds on America's frontier—with hustlers and hucksters arriving in droves by horse, coach, wagon, and rail, and gunmen working both sides of the law, all too eager to end a man's life with a well-placed bullet. In these classic tales that span more than five decades—including the first story he ever published, “The Trail of the Apache”—Elmore Leonard once again demonstrates the superb talent for language and gripping narrative that have made him one of the most acclaimed and influential writers of our time.
