Personal belief and cultural tradition on the one hand, and popular and commercial representation on the other, nevertheless continually feed each other. They frequently share space in how people think about the supernatural. In *Haunting Experiences*, three well-known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts. Diane E. They look closely at the narrative role of such lore in matters such as

socialization and gender. And they unravel the complex mix of mass media, commodification, and popular culture that today puts old spirits into new contexts.

hijos pearl s buck: Una historia compartida Julia Navarro, 2023-02-23 El libro más personal de Julia Navarro Una sugerente invitación a compartir las historias escritas y vividas por mujeres: con ellos, sin ellos, por ellos, frente a ellos. Hasta el siglo XX la Historia la escribieron los hombres. Eso explica por qué las mujeres apenas aparecemos como sujetos de las historias de la Historia. Sin embargo, la lista de aquellas que la protagonizaron es extensa: desde diosas hasta reinas, desde cortesanas hasta científicas, desde actrices hasta santas, desde escritoras hasta políticas... Hemos estado en todas partes, aunque un manto de silencio se empeñara en cubrirnos o ignorarnos. Eso sí, no podemos contar las historias de estas mujeres sin tenerlos también en cuenta a ellos, porque desde el principio de los tiempos las vidas de hombres y mujeres han estado entrelazadas y no se explican las unas sin los otros, es decir con ellos, sin ellos, por ellos, frente a ellos o con la ignorancia de ellos. Por eso, este libro no es solo la historia de ellas sino la de todos, pero contada no a través de la supremacía masculina sino desde un lugar común. No se entiende a Cleopatra sin César ni Marco Antonio, ni a Helena de Troya sin Paris, ni a Frida Kahlo sin Diego Rivera, ni a Simone de Beauvoir sin Jean-Paul Sartre o a Virginia Woolf sin Leonard Woolf... Este libro es un relato personal, un viaje a través de mis inquietudes y lecturas, mi encuentro con historias protagonizadas por mujeres, ya sean reales o criaturas literarias, sin olvidar el papel de los hombres

que estuvieron cerca de ellas, para bien o para mal. Y ahora doy comienzo a esta historia. Una historia compartida. Julia Navarro

With luck and hard work, the couple's fortunes improve over the years: They are blessed with sons, and save steadily until one day they can afford to buy property in the House of Wang -- the very house in which O-lan used to work. But success brings with it a new set of problems. Wang soon finds himself the target of jealousy, and as good harvests come and go, so does the social order. Will Wang's family cherish the estate after he's gone? The family's story continues in Sons and A House Divided, when the Revolution sweeping through China further unsettles Wang Lung's family in this rich and unforgettable portrait of a family and a country in the throes of widespread national change.

hijos pearl s buck: A Bridge for Passing Pearl S. Buck, 2013-05-21 The Nobel Prize-winning and New York Times-bestselling author's memoir of making a movie in 1960s Japan, while mourning the loss of her husband. Pearl S. Buck's children's story, The Big Wave, about two young friends whose lives are transformed when a volcano erupts and a tidal wave engulfs their village, was eventually optioned as a movie. A Bridge for Passing narrates the resulting adventure, the story of

the people involved in the movie-making process (including Polish director Tad Danielewski), their many complications while shooting, and the experience of working in Japan at a time when memories of the war remained strong. As much as all this, the book is a poignant reflection on personal crisis, and relates Buck's grief over the death of her husband of twenty-five years, Richard Walsh, who was also her editor. *A Bridge for Passing* offers an intimate view of postwar Japan mixed with Buck's heartrending meditation on loss and love. This ebook features an illustrated biography of Pearl S. Buck including rare images from the author's estate.

Bailamos según la melodía que nos dictan. ¿Pero qué sabemos de ellas? El libro que en estos momentos sostienes en tus manos pretende acercarte al conocimiento de tus propias emociones para que puedas comprenderlas y, en consecuencia, aprendas a gestionarlas a tu favor. Educarte en el manejo de las emociones es aprender a vivir de manera más saludable y plena. Significa conocerte a ti mismo y a quienes te rodean. Representa la oportunidad de descubrir una nueva forma de estar, de cambiar la mirada con la que contemplas el mundo. Aunque, lógicamente, como todas los procesos importantes de la vida, llevará su tiempo. ¿Por qué no te propones comenzar hoy? No pierdes nada, pero puedes ganar la oportunidad de modificar tu vida o, si lo decides, cambiarla radicalmente. ¿No crees que tú mereces esa oportunidad ? Piénsalo.
