Understanding Hairspray Monologues

Hairspray monologues are solo speeches delivered by characters in the musical "Hairspray," which is based on the 1988 John Waters film. These monologues serve as a window into the characters' inner

thoughts, aspirations, and conflicts. They are crafted to express pivotal moments in the storyline, often revealing personal struggles or triumphs related to themes such as acceptance, identity, and social justice. The monologues vary in tone, ranging from comedic to heartfelt, and are vital in developing character depth beyond the songs and dialogues.

Purpose and Function in the Musical

In "Hairspray," monologues function as narrative tools that advance the plot and build emotional connection between the characters and the audience. They often highlight the characters' hopes for change, especially in the context of racial integration and self-empowerment during the 1960s. These speeches can also serve as moments of reflection or calls to action, energizing the audience and reinforcing the musical's message.

Key Characters Delivering Monologues

Several main characters in "Hairspray" are known for their impactful monologues. Tracy Turnblad, the protagonist, frequently delivers speeches about body positivity and challenging social norms. Other characters such as Edna Turnblad, Velma Von Tussle, and Seaweed Jenkins also have memorable monologues that reveal their unique perspectives and motivations.

Iconic Hairspray Monologues and Their Significance

Some of the most renowned hairspray monologues have become essential pieces for actors due to their emotional range and thematic depth. These monologues often encapsulate the essence of the character and the social issues addressed in the musical. Exploring these iconic speeches provides insight into why "Hairspray" remains a beloved production with enduring cultural relevance.

Tracy Turnblad's Audition Monologue

Tracy's audition monologue is a standout moment that captures her enthusiasm and determination to overcome societal barriers. It is characterized by vibrant energy and optimism, reflecting her role as a catalyst for change. This monologue is often used by actors in auditions to showcase charisma and emotional expressiveness.

Edna Turnblad's Reflection

Edna's monologue offers a touching glimpse into her insecurities and dreams beyond her role as Tracy's mother. It balances humor with vulnerability, creating a complex character who defies stereotypes. This speech is crucial in humanizing Edna and emphasizing themes of self-acceptance.

Velma Von Tussle's Defiant Speech

Velma's monologue typically portrays her resistance to integration and change, reflecting the antagonistic forces in the story. The tone is often sharp and assertive, illustrating the social tensions present in the 1960s setting. This speech is important for understanding the conflict dynamics within the musical.

Performance Tips for Hairspray Monologues

Performing hairspray monologues effectively requires more than memorization; it demands an understanding of character intention, emotional nuance, and audience engagement. The following tips can assist actors in delivering compelling performances that honor the spirit of the musical and its themes.

Emphasizing Emotional Authenticity

Actors should focus on conveying genuine emotion that aligns with the character's experience.

Whether the monologue is comedic or dramatic, authentic feeling creates a stronger connection with the audience. Techniques such as emotional recall and physicality can enhance this authenticity.

Mastering Timing and Pacing

Proper timing and pacing are essential in maintaining audience interest and ensuring clarity. Pauses can emphasize important points, while varied pacing keeps the monologue dynamic. Practicing with a metronome or recording performances can help refine these elements.

Utilizing Vocal Variety and Body Language

Vocal inflection, volume, and tone shifts contribute to a captivating delivery. Body language, including gestures and facial expressions, supports the spoken words and adds depth to the performance. Combining these elements helps embody the character fully.

Historical and Cultural Context in Hairspray Monologues

The historical and cultural backdrop of the 1960s is integral to understanding the hairspray monologues. The musical addresses issues such as racial segregation, body image, and social change, all of which are reflected in the characters' speeches. Recognizing this context enriches the interpretation and performance of the monologues.

Racial Integration and Social Justice Themes

Many hairspray monologues highlight the struggle for racial equality during the civil rights movement. Characters advocate for integration and challenge discriminatory practices, mirroring real-world societal

shifts. These themes emphasize the musical's commitment to promoting inclusivity and justice.

Body Positivity and Self-Acceptance

Tracy Turnblad's monologues often celebrate body positivity, rejecting conventional beauty standards. This message resonates with contemporary audiences and underscores the importance of self-love and confidence. The cultural significance of this theme contributes to the musical's lasting appeal.

Reflection of 1960s Pop Culture

The tone and style of the monologues incorporate elements of 1960s pop culture, including fashion, music, and social attitudes. This cultural flavor adds authenticity to the performances and situates the story within a specific historical moment.

Preparing for Hairspray Monologues: Audition and Rehearsal Strategies

Preparation is key to delivering successful hairspray monologues in auditions or performances. Careful study of the script, character analysis, and repeated practice enhance confidence and skill. The following strategies aid actors in their preparation process.

Script Analysis and Character Study

Understanding the character's background, objectives, and relationships informs the delivery of the monologue. Breaking down the text to identify key emotions and motivations allows for a nuanced performance. Annotating the script can be a helpful method.

Memorization Techniques

Effective memorization combines repetition with active engagement. Techniques such as chunking lines, writing the monologue out by hand, and practicing with a partner improve retention. Regular review prevents forgetting and builds fluency.

Rehearsal and Feedback

Rehearsing in front of others provides valuable feedback and simulates performance conditions. Actors can adjust their interpretation based on constructive criticism and refine their stage presence.

Recording rehearsals also offers an opportunity for self-evaluation.

- Thorough script and character understanding
- Consistent and varied memorization practices
- Active rehearsal with feedback incorporation
- Attention to vocal and physical expression
- Awareness of historical and cultural context

Frequently Asked Questions

What are some popular monologues from the musical Hairspray?

Popular monologues from Hairspray include Tracy Turnblad's audition speech, Edna Turnblad's humorous self-reflection, and Velma Von Tussle's villainous rants. These monologues capture the

characters' personalities and are often used in auditions.

Where can I find scripts for Hairspray monologues?

Scripts for Hairspray monologues can be found in the official Hairspray script book, licensed material from MTI, or through reputable theater resources online that provide excerpts for audition purposes.

What character monologues are best for a young female actor in Hairspray?

For a young female actor, Tracy Turnblad's monologues are ideal as they showcase her bubbly, determined, and optimistic personality. Penny Pingleton also has charming and quirky monologues that suit younger actresses.

How long should a Hairspray monologue be for auditions?

Audition monologues for Hairspray typically range from 1 to 2 minutes. It's important to choose a monologue that highlights your acting range while fitting within the audition time constraints.

Are there any comedic monologues in Hairspray suitable for auditions?

Yes, many monologues in Hairspray have a comedic tone, especially those by Edna Turnblad and Velma Von Tussle. These monologues allow actors to showcase comedic timing and character work.

Can I adapt songs from Hairspray into monologues for auditions?

While songs are generally separate from monologues, actors sometimes adapt lyrical content into a spoken piece. However, it's best to use actual monologues from the script or licensed audition material to maintain authenticity.

What themes do Hairspray monologues typically explore?

Hairspray monologues often explore themes of self-acceptance, social justice, perseverance, and breaking societal norms. Characters express their desires for acceptance, equality, and personal

growth through these speeches.

Hairspray Monologues: A Deep Dive into Self-Expression and Social Justice

Introduction: The Power of Performance and Self-Discovery

The stage. A simple backdrop, yet a world of possibility. For centuries, the stage has served as a

powerful platform for self-expression, a mirror reflecting society's joys, sorrows, and struggles. The monologues within this ebook, inspired by the vibrant world of "Hairspray," leverage this power, offering a unique pathway to self-discovery and empowerment. These aren't simply words on a page; they are tools for exploration, vehicles for emotional release, and catalysts for change. Through inhabiting these characters and their journeys, you'll unlock hidden strengths, confront internal conflicts, and ultimately, find your own authentic voice. This book is designed to help you connect with these powerful narratives, understand the underlying themes, and then adapt them to reflect your own unique experiences and perspectives. Whether you're a seasoned performer, a student seeking a compelling piece, or simply someone looking for a powerful way to express yourself, "Hairspray Monologues" provides the foundation for a transformative journey.

Chapter 1: Navigating Prejudice and Discrimination

This chapter delves into the uncomfortable yet crucial realities of prejudice and discrimination as depicted in "Hairspray." The monologues within address racism, sexism, and body image issues, allowing performers to explore the emotional weight of these experiences and the strength required to overcome them. One monologue might explore the frustration and anger of a young Black woman denied opportunities simply because of her race, while another could delve into the internal struggles of a plus-size teenager navigating a society obsessed with unrealistic beauty standards. By embodying these characters, performers can gain empathy and understanding, fostering a deeper connection with the lived experiences of others. The goal is not only to perform the words but to embody the emotions, the pain, and the unwavering spirit of resilience. This section also encourages critical thinking about the historical and ongoing impact of these forms of discrimination, prompting reflection and dialogue. The monologues provide a powerful lens through which to examine societal structures and systemic injustices, stimulating personal growth and social awareness.

Chapter 2: Finding Your Voice and Standing Up for What You Believe In

This chapter focuses on the courage required to challenge injustice and fight for what is right. Inspired by the activism at the heart of "Hairspray," these monologues highlight the power of individual voices united to effect change. Consider a monologue delivered by a character organizing a protest against segregation, or another expressing the fierce determination to break down societal barriers. These pieces will enable performers to explore the complex emotions involved in activism – from the initial fear and doubt to the ultimate triumph of collective action. The process of preparing and performing these monologues fosters leadership skills, encouraging the performer to embrace their voice and use it to inspire others. The monologues in this chapter offer a roadmap for personal activism, showcasing various strategies for challenging oppression and promoting social justice. Through embodying the characters' passion and commitment, performers can develop a deeper understanding of the importance of standing up for what they believe in, even in the face of adversity.

Chapter 3: Embracing Your Uniqueness and Celebrating Individuality

Self-acceptance is a recurring theme in "Hairspray," and this chapter explores that theme through monologues celebrating individuality and self-love. These pieces could focus on a character overcoming insecurities related to their appearance, background, or personality. The monologues provide a safe space for performers to explore their own feelings about self-worth and to celebrate their unique qualities. The process of embodying these characters can be deeply cathartic, empowering performers to embrace their authenticity and reject societal pressures to conform. This chapter emphasizes self-compassion and the importance of recognizing one's own intrinsic value. By internalizing the messages of self-love and acceptance, performers can develop a stronger sense of self-esteem and resilience. These monologues serve as a powerful reminder that uniqueness is a strength, not a weakness.

Chapter 4: The Power of Friendship and Community

"Hairspray" demonstrates the power of friendship and community to overcome challenges. This chapter presents monologues focusing on these relationships, exploring themes of loyalty, support, and the importance of shared experiences. These pieces might explore the joy of friendship, the comfort found in community, and the strength derived from collective action. The process of performing these monologues allows actors to reflect on their own relationships and the value they bring to their lives. Understanding the dynamics of friendship and community can lead to deeper, more fulfilling relationships. The monologues in this chapter emphasize empathy, compassion, and the importance of mutual respect. They highlight the transformative power of human connection, showcasing the strength and support found within meaningful relationships.

Chapter 5: Overcoming Obstacles and Achieving Your Dreams

This chapter explores perseverance and resilience through monologues depicting characters overcoming obstacles and achieving their goals. These pieces could focus on the challenges faced in pursuing a dream, the setbacks encountered along the way, and the ultimate triumph of achieving one's aspirations. This section provides an opportunity for performers to examine their own ambitions and to develop strategies for overcoming obstacles. The monologues demonstrate that success is not always easy, but it is attainable through hard work, determination, and unwavering belief in oneself. The chapter inspires hope and resilience, reinforcing the message that even the most significant challenges can be overcome. By embodying these characters' determination, performers can cultivate their own grit and perseverance.

Chapter 6: The Importance of Family and Acceptance

Family relationships, both supportive and strained, are central to "Hairspray." This chapter's monologues delve into these dynamics, exploring the complexities of family bonds and the search for acceptance within the family unit. These pieces could examine the challenges of navigating parental expectations, dealing with family conflict, or seeking acceptance from unsupportive family members. The chapter provides a framework for exploring the complexities of family relationships, allowing performers to explore their own family dynamics and their experiences with acceptance and rejection. By understanding the diverse ways families function, performers can build healthier and more fulfilling relationships with their own families. The monologues underscore the importance of communication, understanding, and forgiveness in creating strong family bonds.

Conclusion: Taking Your Monologue to the Next Level

This concluding chapter provides practical guidance on adapting and performing the monologues, offering suggestions for enhancing delivery, incorporating personal experiences, and further developing the character's arc. This section includes tips on using vocal techniques, body language, and emotional expression to create a compelling performance. It also provides suggestions for researching the historical context of the monologues and incorporating personal perspectives to create a unique and meaningful interpretation. Furthermore, it offers resources for further exploration and development of performance skills. The conclusion emphasizes the transformative power of self-expression and encourages performers to continue their journey of self-discovery and creative exploration.

hairspray monologues: Fools Rush In Nina Munk, 2009-10-13 Every era has its merger; every era has its story. For the New Media age it was an even bigger disaster: the AOL-Time Warner deal. At the time AOL and Time Warner were considered a matchless combination of old media content and new media distribution. But very soon after the deal was announced things started to go bad—and then from bad to worse. Less than four years after the deal was announced, every significant figure in the deal -save the politically astute Richard Parsons—has left the company, along with scores of others. Nearly a \$100 billion was written off and a stock that once traded at \$100 now trades near \$10. What happened? Where did it all go wrong? In this deeply sourced and deftly written book, Nina Munk gives us a window into the minds of two of the oddest men to ever run billion-dollar empires. Steve Case, the boy wonder who built AOL one free floppy disk at a time, was searching for a way out of the New Economy. Meanwhile Jerry Levin, who'd made his reputation as a visionary when he put HBO on satellite distribution, was searching for a monumental deal. These two men, more interested in their place in history than their personal fortunes, each thought they were out-smarting the other.

hairspray monologues: Monologues for Actors of Color Roberta Uno, 2013-11-26 First Published in 2000. Routledge is an imprint of Taylor & Francis, an informa company.

hairspray monologues: The Haunting of Lin-Manuel Miranda Ishmael Reed, 2021-04-20 “That’s a lot of horse hockey, Hamilton.” Described by the New York Times as “classic activist

theater” and “a cross between ‘A Christmas Carol’ and a trial at The Hague’s International Criminal Court.” In this, his latest work, the protean Ishmael Reed--the legendary artist and prolific writer--continues to burnish his already sterling reputation by dismantling the 'Creation Myth' of the founding of the U.S., as represented in the incredibly profitable play and musical, Hamilton. Reed, a verbal acrobat of global renown, demonstrates here why he is widely considered to be the leading intellectual in the U.S. today. -Gerald Horne, author of *The Counter-Revolution of 1776: Slave Resistance and the Origins of the USA* This powerful play, originally produced at the Nuyorican Poets Café, comprehensively dismantles the phenomenon of Lin-Manuel Miranda and Hamilton. Reed uses the musical’s crimes against history to insist on a radical, clear-eyed way of looking at our past and our selves. Both durable and timely, this goes beyond mere corrective – it is a meticulously researched rebuttal, an absorbing drama, and brilliant rallying cry for justice. The perfect tie-in to both the success of and backlash to Hamilton, it is the major voice in contrast to the recent movie. It captures both the earnest engagement that fans of the musical desire, as well as the exhausted disbelief of those who can’t stand it. Teachers, students and fans of drama, literature, and history will find much to love. It is written by one of America’s most respected and original writers, who is eagerly promoting it, and who is long overdue for a renaissance.

hairspray monologues: The Divine Sister Charles Busch, 2011 The Divine Sister is an outrageous comic homage to nearly every Hollywood film involving nuns. Evoking such films as 'The Song of Bernadette,' 'The Bells of St. Mary's,' 'The Singing Nun' and 'Agnes of God,' The Divine Sister tells the story of St. Veronica's indomitable Mother Superior who is determined to build a new school for her Pittsburgh convent. Along the way, she has to deal with a young postulant who is experiencing visions, sexual hysteria among her nuns, a sensitive schoolboy in need of mentoring, a mysterious nun visiting from the Mother House in Berlin, and a former suitor intent on luring her away from her vows.--P. [4] of cover

hairspray monologues: Scenes for Latinx Actors Micha Espinosa, Cynthia DeCure, 2018 The repertoire offered here provides actors with a multitude of stories about Latinx life in the Americas in all of its complexity. Nonetheless each scene provides performers with what they need from this volume for classroom and professional presentations: short, incisive, lucid scenes and compelling relationships and play worlds that make the richness of Latinx life perceivable by a variety of audiences. The content of scenes varies wildly, some take on contemporary racist and xenophobic political formations, others gesture to the long history and the effects of dictatorships in the Southern Cone. Others take on daily life in American cities, revealing the characters’ struggles to survive. There are stories of leaving and coming home, plays based on Greek myths, plays that re-write history, plays that point to the racism of Hollywood and the industry. All are compelling and emotionally gripping, many are slyly humorous, a few downright heartbreaking. ¿Scenes for Latinx Actors’ is an extraordinary resource for the American Theater of the 21st Century.

hairspray monologues: I Don't Care About Your Band Julie Klausner, 2010-02-02 Read Julie Klausner's posts on the Penguin Blog In the tradition of Cynthia Heimel and Chelsea Handler, and with the boisterous iconoclasm of Amy Sedaris, Julie Klausner's candid and funny debut *I Don't Care About Your Band* sheds light on the humiliations we endure to find love--and the lessons that can be culled from the wreckage. *I Don't Care About Your Band* posits that lately the worst guys to date are the ones who seem sensitive. It's the jerks in nice guy clothing, not the players in Ed Hardy, who break the hearts of modern girls who grew up in the shadow of feminism, thinking they could have everything, but end up compromising constantly. The cowards, the kidults, the critics, and the contenders: these are the stars of Klausner's memoir about how hard it is to find a man--good or otherwise--when you're a cynical grown-up exiled in the dregs of Guyville. Off the popularity of her New York Times Modern Love piece about getting the brush-off from an indie rock musician, *I Don't Care About Your Band* is marbled with the wry strains of Julie Klausner's precocious curmudgeonry and brimming with truths that anyone who's ever been on a date will relate to. Klausner is an expert at landing herself waist-deep in crazy, time and time again, in part because her experience as a

comedy writer (Best Week Ever, TV Funhouse on SNL) and sketch comedian from NYC's Upright Citizens Brigade fuels her philosophy of how any scene should unfold, which is, What? That sounds crazy? Okay, I'll do it. *I Don't Care About Your Band* charts a distinctly human journey of a strong-willed but vulnerable protagonist who loves men like it's her job, but who's done with guys who know more about love songs than love. Klausner's is a new outlook on dating in a time of pop culture obsession, and she spent her 20's doing personal field research to back up her philosophies. This is the girl's version of High Fidelity. By turns explicit, funny and moving, Klausner's debut shows the evolution of a young woman who endured myriad encounters with the wrong guys, to emerge with real-world wisdom on matters of the heart. *I Don't Care About Your Band* is Julie Klausner's manifesto, and every one of us can relate.

hairspray monologues: *Hear Me Now, Volume Two* Titilola Dawudu, 2022-08-25 *Hear Me Now, Volume Two* is a unique collection of over 80 original audition monologues, expressly created by a range of writers including Vera Chok, Josh-Susan Enright and Bea Webster, brought together by producer Titilola Dawudu and Tamasha Theatre Company. They are ideal for actors of colour searching for speeches for auditions or training, writers, teachers, and theatre-makers who are passionate about improving diversity. The volume is introduced by BAFTA-nominated actor Ashley Madekwe, and will also feature a section on Top Tips for auditioning from Tamasha Theatre and a host of actors, including Ted Lasso's Kevin 'KG' Garry and Cherelle Skeete of *Harry Potter and the Cursed Child*. Following on from the successful first volume, and featuring a variety of themes, scenes and characters, *Hear Me Now, Volume Two* is an essential tool for actors of colour to showcase their range, and seeks to inspire, empower, and create a legacy for generations to come.

hairspray monologues: *In Performance* JV Mercanti, 2016-02-01 (Applause Acting Series). In this thoughtfully curated collection, actors preparing for an audition or searching for quality scenes to hone their chops will find a wealth of contemporary material from American and British plays. Almost all of the works are from the year 2000 to the recent 2014 Broadway production of *The Curious Incident of the Dog in the Night-Time*, chosen from the point of view of a professional acting teacher, director, and casting director. Along with covering the basics of how to match the best monologue to the actor and how to approach the rehearsal and performance of a piece, the book provides a synopsis of the plays, character descriptions, and lists of questions specific to each monologue that will direct the actor toward shaping a complex, honest, and thoughtful performance with a strong emotional connection, a clear arc, and playable actions. There is also a brief lesson on appropriate rehearsal behavior and preparation.

hairspray monologues: *The Thespian's Bucket List* Stacy Karyn, 2019-02-11 Plays, musicals, movies, documentaries, places to visit, books to read, and other stagey surprises. A must-have bucket list for all thespians who are serious about their love for the theatre!

hairspray monologues: *Directing Plays* Don Taylor, 2017-09-29 First published in 1997. Routledge is an imprint of Taylor & Francis, an informa company.

hairspray monologues: *Generation Dead* Daniel Waters, 2010-05-27 Stephenie Meyer meets John Green in this original supernatural romance! Love knows no boundaries . . . even death. Phoebe Kendall is just your typical goth girl with a crush. He's strong and silent . . . and dead. All over the country, a strange phenomenon is occurring. Some teenagers who die aren't staying dead. But when they come back to life, they are no longer the same. Feared and misunderstood, they are doing their best to blend into a society that doesn't want them. The administration at Oakvale High attempts to be more welcoming of the 'differently biotic'. But the students don't want to take classes or eat in the cafeteria next to someone who isn't breathing. And there are no laws that exist to protect the 'living impaired' from the people who want them to disappear—for good. When Phoebe falls for Tommy Williams, the leader of the dead kids, no one can believe it; not her best friend, Margi, and especially not her neighbor, Adam, the star of the football team. Adam has feelings for Phoebe that run much deeper than just friendship; he would do anything for her. But what if protecting Tommy is the one thing that would make her happy? The first book in the bestselling *Generation Dead* series. Also by Daniel Waters: *The Kiss of Life* *Passing Strange*

hairspray monologues: One Minute to Make 'Em Laugh! LiLi Auten, 2017-02-10 These one-minute monologues are extremely sarcastic and humorous with great punch lines. These monologues have also been recognized by winners at IMTA, the International Modeling and Talent Association, from Los Angeles to New York. The short pieces that have been written are for kids of all ages. Anyone who reads them will get a great hearty chuckle out of them. These were written especially for kids wanting to become real actors/actresses. They can use them for any audition piece that needs to be rather short. These monologues were written to be short and sweet. These are also great for entertainment in drama classes or to say on stage for comedy. Not only that, anyone can have fun reading all fifty of them for great entertainment. This book is great for kids just wanting to perform for their parents on a fun night or entertain their friends at a party.

hairspray monologues: Monologues for Teens and Twenties Jim Chevallier, 2003-11-10 Monologues for young adult actors (teens and twenties) - excerpted from Jim Chevallier's original collection The Monologue Bin

hairspray monologues: My Second Impression of You Michelle I. Mason, 2022-09-20 Perfect for fans of Tweet Cute and Instant Karma, this YA romcom is a heartfelt story about a girl who thinks she knows everything about love -- until she relives a day and discovers she had it all wrong. Sixteen-year-old Maggie Scott is a little dramatic. Both in the over-the-top sense and in the involved-in-every-possible-performing-arts-activity sense. Life is just more fun when you're always putting on a show! But apparently her boyfriend, Theo, disagrees, because he unexpectedly dumps her. She's so distressed she breaks her foot, has to be rescued by the most obnoxious boy in school, Carson, and can no longer star in the school play. Now everything is terrible and Maggie doesn't understand where it all went wrong. So when she gets a mysterious text from an unknown number offering her a chance to relive the day when she and Theo met, Maggie can't help clicking (even though she knows what they say about suspicious links and clicking). Suddenly, she finds herself transported from her worst day ever to her best day ever-but on second review, Maggie realizes there are some details she overlooked. Maybe she was so focused on starring in the Maggie show that she didn't pay enough attention. Maybe Maggie doesn't know the people around her as well as she thought-particularly Carson. And maybe her worst day ever isn't quite as terrible as it seems. In this funny and relatable YA romcom, Michelle I. Mason explores how there's always another way of looking at the situations we find ourselves in . . . and sometimes the people we overlook end up being the best ones of all.

hairspray monologues: Rebel Voices: Monologues for Women by Women Alice Birch, Linda Brogan, Deborah Bruce, Katherine Chandler, Sarah Daniels, Suhayla El-Bushra, Sonya Hale, Katie Hims, 2019-05-02 Clean Break is a British theatre company set up in 1979 by two women in prison. It exists to tell the stories of women with experience of the criminal justice system and to transform women's lives through theatre. Over 40 years, Clean Break has commissioned some of the most progressive and brilliant women writers to write ground-breaking plays, alongside developing the writing skills of the women they work with in its London studios and in prisons. This is a collection of monologues from this canon. Rebel Voices: Monologues for Women by Women celebrates the opportunities inherent when women represent themselves. Offering female performers a diverse set of monologues reflecting a range of characters in age, ethnicity and lived experience, the material is drawn from a mix of published and unpublished works. This book is for any performer who does not see themselves represented in mainstream plays, for lovers of radical women's theatre and for rebels everywhere who believe that the act of speaking and being heard can create change.

hairspray monologues: An Ideal Husband Oscar Wilde, 1912

hairspray monologues: Female Bodies on the American Stage J. Mobley, 2014-09-04 The fat female body is a unique construction in American culture that has been understood in various ways during the twentieth and early twenty-first centuries. Analyzing post-WWII stage and screen performances, Mobley argues that the fat actress's body signals myriad cultural assumptions and suggests new ways of reading the body in performance.
