This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

joy luck club pdf: *The Valley of Amazement* Amy Tan, 2013-11-05 Amy Tan's *The Valley of Amazement* is a sweeping, evocative epic of two women's intertwined fates and their search for identity, that moves from the lavish parlors of Shanghai courtesans to the fog-shrouded mountains of a remote Chinese village. Spanning more than forty years and two continents, *The Valley of Amazement* resurrects pivotal episodes in history: from the collapse of China's last imperial dynasty, to the rise of the Republic, the explosive growth of lucrative foreign trade and anti-foreign sentiment, to the inner workings of courtesan houses and the lives of the foreign "Shanghailanders" living in the International Settlement, both erased by World War II. A deeply evocative narrative about the profound connections between mothers and daughters, *The Valley of Amazement* returns readers to the compelling territory of Amy Tan's *The Joy Luck Club*. With her characteristic insight and humor, she conjures a story of inherited trauma, desire and deception, and the power and stubbornness of love.

joy luck club pdf: *Lives Together/Worlds Apart* Suzanna Danuta Walters, 2023-11-10 In the 1940s film *Now, Voyager*, Bette Davis plays a daughter struggling against her mother's stifling repression. Nearly fifty years later, in the Hollywood saga *Postcards from the Edge*, Shirley MacLaine, as a neglectful and bossy mother, inflicts untold psychological pain on her daughter, played by Meryl Streep. These dramas of conflict and the ambivalent struggle for separation have been central to popular images of mothers and daughters in the last half-century in the U.S. Walters boldly challenges these dichotomies and proposes an innovative and multilayered understanding of the cultural construction of the mother/daughter relationship. In a discussion of popular media ranging from themes of maternal martyrdom to maternal malevolence, Walters shows that since World War II, mainstream culture has generally represented the mother/daughter relationship as one of never-ending conflict and thus promoted an ideology of separation as necessary to the daughter's emancipation and maturity. This ideological move is placed in a social context of the anti-woman backlash of the early post-war period and the renewed anti-feminism of the Reagan and Bush years. Walters uses exceptions to mainstream imagery-films such as *A Tree Grows in Brooklyn*, television shows like *Maude*, novels like *The Joy Luck Club*-to offer evidence of alternative traditions and paradigms. Timely and vividly argued, *Lives Together/Worlds Apart* makes a brilliant contribution to discussions of popular culture and feminism.

joy luck club pdf: *Women of Color* Elizabeth Brown-Guillory, 2010-06-28 Interest in the mother-daughter relationship has never been greater, yet there are few books specifically devoted to the relationships between daughters and mothers of color. To fill that gap, this collection of original

essays explores the mother-daughter relationship as it appears in the works of African, African American, Asian American, Mexican American, Native American, Indian, and Australian Aboriginal women writers. Prominent among the writers considered here are Toni Morrison, Alice Walker, Maxine Hong Kingston, Cherrie Moraga, Leslie Marmon Silko, and Amy Tan. Elizabeth Brown-Guillory and the other essayists examine the myths and reality surrounding the mother-daughter relationship in these writers' works. They show how women writers of color often portray the mother-daughter dyad as a love/hate relationship, in which the mother painstakingly tries to convey knowledge of how to survive in a racist, sexist, and classist world while the daughter rejects her mother's experiences as invalid in changing social times. This book represents a further opening of the literary canon to twentieth-century women of color. Like the writings it surveys, it celebrates the joys of breaking silence and moving toward reconciliation and growth.

joy luck club pdf: The Big Aiiieeeee! Jeffery Paul Chan, 1991 An Anthology of Chinese American and Japanese American Literature When the first volume of this collection of Asian American literature appeared in 1974, it showed readers the roots and the richness of Chinese American and Japanese American writing. The authors called their anthology Aiiieeeee! because that was the shout, the scream, often the only sound coming from the yellow man or woman in American movies, television, or comic books. But as that work demonstrated, the Asian American writer, long ignored and excluded from participating in American culture, has an articulate and creative voice. The Big Aiiieeeee!--an entirely new and truly comprehensive collection--brings together the earliest writings to appear in America, such as the revealing *An English-Chinese Phrase Book* used by the first generation of Chinese immigrants, and recent stories and essays, such as *Come All Ye Asian American Writers* by Frank Chin, about the importance of Chinese and Japanese heroic tradition.

Here we all can now learn of the pain, the dreams, the betrayals, and the indelible sense of otherness of Americans of Chinese and Japanese descent, in a seminal collection of poetry, prose, and drama--writings filled with rage and beauty, memory and vision. Here is a Gold Mountain of voices. In the telling and retelling of our stories, we create a community of memory. This huge collection invites all of us to become listeners and to claim America.--Ronald Takai, author of Strangers from a Different Shore: A History of Asian Americans
